Local Government Administration in Small Town America James C. Clinger,Donna M. Handley,Wendy L. Eaton,2023-10-12 In government administration and leadership rural community leaders face unique challenges in delivering public services including but not limited to education health care and public safety Meanwhile residents who live in smaller and more isolated rural settings often face greater difficulties accessing provisions and services or commuting to work among other economic development challenges These factors may affect a community s resiliency to and recovery from shocks such as the COVID 19 pandemic Local Government Administration in Small Town America devotes some overdue scholarly attention to the governance and administration of public programs in small towns and rural communities in the United States The chapter contributors to this volume analyze some of the unique challenges rural communities face as well as the policy tools that their governments employ to address them The book explores ways that small town governments collaborate with one another the state and the federal government and examines how local government officials use knowledge of people and place to improve policy performance The chapters are designed to provide cases and strategies for students and practitioners in public

administration to use in a small town environment while also considering a community's distinctive social and political culture which determines how local political leaders and government practitioners might respond to demands and challenges they face. *Local Government Administration in Small Town America* is an essential resource for undergraduate and graduate students studying local government as well as for rural practitioners navigating evolving challenges unique to their communities.

The Mythistory of Kajir Ronghangpi Dharamsing Teron, Vulli Dhanaraju, 2025-10-14 *Mythistory and Memory in Kaziranga* explores the cultural and ecological heritage of Kaziranga National Park through the oral traditions of the Karbi people centering on the mythical figure of Kajir Ronghangpi. Combining indigenous studies environmental anthropology and oral history the book examines how Karbi myths folktales and sacred landscapes shape local identity and territorial belonging. It challenges dominant narratives of Kaziranga as an uninhabited wilderness revealing it instead as a vibrant cultural landscape. Through critical analysis of oral narratives and community memory the book documents how traditions inform ecological practices and resist modern state driven conservation discourses. Offering an alternative history of one of India's most iconic national parks this volume is essential for scholars of folklore indigenous knowledge systems cultural geography and biodiversity conservation. The subject matter of this book includes: Explores the oral history and ecological relationship between the Karbis and Kaziranga National Park. Challenges state centric narratives by foregrounding community based knowledge traditions and myths. Examines biodiversity sacred groves and climate change through the lens of oral traditions. Introduces a legendary female figure as central to the cultural construction of place and heritage. Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan or Bhutan.
