## **“This Is My Doctrine”: The Development of Mormon**

**Theology** Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those

already versed in Mormonism's theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions      **Reading Genesis 1-2** J Daryl Charles,2013-10-03 Today's evangelical community faces a multitude of questions about the creation of the cosmos and the beginning of human history and quite naturally we look to the Bible for answers about the origins and meaning of human history But what are we to do with the stories in the first two chapters of Genesis Reading Genesis 1-2 An Evangelical Conversation brings together the voices of five prominent evangelical scholars who take on difficult interpretive questions that arise from reading the Bible's first two chapters Richard Averbeck Todd Beall John Collins Tremper Longman and John Walton offer their perspectives in a point counterpoint style Drawing on a wealth of theological linguistic and historical expertise this collection is characterized by a close attention to the biblical text and a mutual respect that often sorely lacks in the discussion of origins in the modern evangelical world Contributors Richard Averbeck Todd Beall C John Collins Jud Davis Victor P Hamilton Tremper Longman III Kenneth J Turner John Walton

Divine Accommodation in John Calvin's Theology Arnold Huijgen,2011-04-20 Arnold Huijgen analyses and assesses the idea of divine accommodation in John Calvin's theology He proves that Calvin's idea of accommodation was terminologically influenced by Erasmus while its content originated in patristic theology Though Calvin's idea of accommodation is multifaceted Huijgen subsumes and analyzes it in the light of the two main perspectives of pedagogy and revelation The pedagogical aspect relates to Calvin's understanding of salvation history and the relation between the Old and the New Testament In this perspective Christ as the mediator holds a central position The aspect of revelation focuses on Calvin's comprehension of God's nature which for him is behind God's revelation Calvin's understanding of accommodation implies a distinct dynamic to revelation which is disrupted by its static hierarchical ontology Huijgen points out the weaknesses of Calvin's idea of accommodation on the basis of modern critiques by Karl Barth Isaak August Dorner and Harry M Kuitert he also explores the viable points for present day theology      **The Christian reformer; or, Unitarian magazine and review [ed. by R. Aspland].** Robert Aspland,1856      **Studies in the Pentateuch: Genesis** Dennis Dinger,2016-11-18 The first book of the Bible Genesis is the book of beginnings It covers about 2500 years from the Creation through the lives of Adam and Eve through the great flood of Noah's day through the lives of the patriarchs Abraham Isaac and Jacob and to the lives of Jacob's sons who were heads of the Twelve Tribes of Israel Genesis ends with the death of Joseph the son of Jacob who was sold into slavery by his brothers Joseph with God's help saved the Egyptians the family of Jacob and the world from the great famine of his day Genesis provides the foundation for the other sixty five books of the Bible      The Collected Works of Witness Lee, 1991-1992, volume 4 Witness Lee,2021-05-28 The Collected Works of Witness Lee 1991-1992 volume 4 contains messages given by Brother Witness Lee from August 19 1992 through March 20 1993 After the Memorial Day weekend conference at the end of May 1992 Brother Lee returned to Anaheim California and remained there until the beginning of

**A Biblical and theological dictionary** Richard Watson,1832      **Of Scribes and Sages: Ancient versions and traditions** Craig A. Evans,2004-11-30 Of Scribes and Sages focuses primarily on early interpretation of Scripture including the emergence of Scripture as Scripture in its various versions and contexts It examines recent research into the relationship of the Old Testament to the New and how sacred Scripture was interpreted during New Testament times It also provides stimulating examples to students scholars and clergy in how the task of interpretation is to be done      **Nuptial Symbolism in Second Temple Writings, the New Testament and Rabbinic Literature** André Villeneuve,2016-05-02 In Nuptial Symbolism in Second Temple Writings the New Testament and Rabbinic Literature Andr Villeneuve examines the ancient Jewish concept of the covenant between God and Israel portrayed as a marriage dynamically moving through salvation history This nuptial covenant was established in Eden but damaged by sin it was restored at the Sinai theophany perpetuated in the Temple liturgy and expected to reach its final consummation at the end of days The authors of the New Testament adopted the same key moments of salvation history to describe the spousal relationship between Christ and the Church In their typological treatment of these motifs they established an exegetical framework that would anticipate the four senses of Scripture later adopted by patristic and medieval commentators      The Organic Union in God's Relationship with Man
