hints for reporting and writing with a community spin to design production photojournalism and staff management This third edition introduces new chapters on adjusting to changing demographics in the community and best practices for community papers Updated with fresh examples throughout and considering the newest technologies in editing and photography this edition of Community Journalism provides the very latest of what every person working at a small newspaper needs to know

Why Do Christian Churches Build Congregations Online? Stefan Gelfgren, 2025-10-21 Why Do Christian Churches Build Congregations Online examines the different ways that Christian churches and denominations perceive and use digital media in their external work This is explored through three different case studies with dissimilar approaches to digital media to understand the prerequisites and conditions for media usage from a religious institutional perspective The case studies included are as follows The Charismatic movement with Pentecostal origin The Church of Sweden The Laestadian movement These cases range from a positive and outgoing attitude toward digital media to a hesitant and reluctant approach The highly secularized and digitally permeated Swedish society gives the context in which the religious institutions must relate and understand themselves in relation to From a mediatization approach the national context limits and sets presumptions for the negotiating process This volume provides an understanding of the relationship between external societal and internal factors such as theology and historical origin This book will also broaden the understanding of the field of digital religion and emphasize the need to discuss contemporary religion in terms of religion in a digital age

Churches That Make a Difference Ronald J. Sider, Philip N. Olson, Heidi Rolland Unruh, 2002-04-01 Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities Many have adopted a narrow vision focusing on only one aspect of ministry But in today's environment of faith based opportunities many Christians are eager to start reaching out to their world with both Good News and good works and therefore they are searching for appropriate ways to integrate both into their ministry In Churches That Make a Difference best selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry a balance of evangelism and social outreach Illustrations and helpful organizational tips detail the how to's of an effective holistic ministry Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications User friendly tools are included as well for congregational studies surveys evaluations and community assessments The authors draw on extensive experience with church ministries and faith based organizations as they share the life changing vision and biblical mandate for living the whole gospel Church leaders will be encouraged in their process of developing and maintaining a holistic ministry and local churches will rediscover a passion for loving the whole person the way Jesus did
