Vivarium in Context Lellia Cracco Ruggini, *Armenian and Jewish Experience between Expulsion and Destruction* Sarah M. Ross, Regina Randhofer, 2021-11-22 Jews and Armenians are often perceived as peoples with similar tragic historical experiences Not only were both groups forced into statelessness and a life outside their homelands for centuries in the 20th century in the shadow of war they were threatened with collective annihilation Thus far academic approaches to these two classical diasporas have been quite different Moreover Armenian and Jewish questions posed during the 19th and 20th centuries have usually been treated separately The conference We Will Live After Babylon that took place in Hanover in February 2019 addressed this gap in research and was one of the first initiatives to deal directly with Jewish and Armenian historical experiences between expulsion exile and annihilation in a comparative framework The contributions in this volume take on multidisciplinary approaches relating to the conference s central themes diaspora minority issues and genocide

Poets, Heroes, and their Dragons (2 vols) James R. Russell, 2021-02-08 The present volume is a collection of articles published by Professor James R Russell of Harvard University in various journals over the past decades James Russell has been one of the pioneers in the field of Armenian and Iranian Studies where he has demonstrated the importance of Iranian civilization for pre Christian Armenia The connection between the two civilizations has been part of the tireless work of

Professor Russell and I hope this publication shows the immense importance of his work for both Armenian and Iranian Studies I would like to thank Professor Houri Berberian Director of the UC Irvine Armenian Studies Program as well as Mr Mamigonian and the National Association for Armenian Studies and Research NAASR for supporting the publication of this book This volume was previously published by the Jordan Center for Persian Studies University of California Irvine

The Cambridge History of Christianity: Volume 5, Eastern Christianity Michael Angold, 2006-08-17 This volume encompasses the whole Christian Orthodox tradition from 1200 to the present Its central theme is the survival of Orthodoxy against the odds into the modern era It celebrates the resilience shown in the face of hostile regimes and social pressures in this often neglected period of Orthodox history

The cultural & heritage guide for Armenia, 2025-09-25

Pathways to Agonism, 2025-07-28 This book focuses on managing competing memories of disputed territories in Eastern and Central Europe the Caucasus and South Asia Through an empirical practice oriented approach it explores memory work undertaken by institutions and social actors in different cultural and national settings The book identifies examples of agonistic engagement with the memory of disputed territories that have the potential to build trust based relationships between divided communities and overcome antagonistic separation through mutually beneficial joint enterprises The volume also highlights blind spots and shortcomings of the agonistic approach by focusing on socio political conditions that might hinder or prevent the broader dissemination of this memory mode

Imperial Matter Lori Khatchadourian, 2016-03-18 A free ebook version of this title is available through Luminos University of California Press s new open access publishing program Visit www.luminosoa.org to learn more What is the role of the material world in shaping the tensions and paradoxes of imperial sovereignty Scholars have long shed light on the complex processes of conquest extraction and colonialism under imperial rule But imperialism has usually been cast as an exclusively human drama one in which the world of matter does not play an active role Lori Khatchadourian argues instead that things from everyday objects to monumental buildings profoundly shape social and political life under empire Out of the archaeology of ancient Persia and the South Caucasus Imperial Matter advances powerful new analytical approaches to the study of imperialism writ large and should be read by scholars working on empire across the humanities and social sciences
