## **Armenian Papers:**

**Armenians of Iraq** Hamied Al Hashimi, 2023-07-21 Armenians are one of the ethnic components of the Iraqi social spectrum Nothing was known about Armenians of Iraq except as Christians or as migrants from Armenia originally It is well known that the Armenians of Iraq are generally keen to preserve their Armenian ethnic and cultural entity and are usually peaceful and far from being involved in political conflicts and polarization However some people might imagine them living in the shadows or margins of Iraqi life especially since there is a near total absence of studies on Iraqi Armenians in the different fields of humanities and social sciences This gives us an impression of their conservatism and closeness but this dissipates as soon as the researcher goes to investigate them This leaves us with a number of questions about the existence of Armenian people in Iraq What is their relationship with the mother country Armenia What are the demographic characteristics of their population in Arabic countries What are the social and cultural characteristics of their lifestyle in Iraq including marriage customs What were their roles in the development of Iraqi public life if they existed in Iraq Do they have a conflict of social identity All these queries are our current research concerns through which to introduce Iraqi Armenians to the reader and interested parties

**Outcasting Armenians** Talin Suciyan, 2023-10-25 The history of Tanzimat in the Ottoman Empire has largely been narrated as a unique period of equality reform and progress often framing it as the backdrop to modern Turkey Inspired by Walter Benjamin's exhortation to study the oppressed to understand the rule and the ruler Talin Suciyan reexamines this era from the perspective of the Armenians In exploring the temporal and territorial differences between the Ottoman capital and the provinces Suciyan brings the unheard voices of Armenians into the present Drawing upon the rich archival materials in both the Archives of the Armenian Patriarchate of Constantinople and the Ottoman Archives Suciyan uses these to show the integral role Armenians played in all aspects of Ottoman life and argues that accounts of their lives are vital to accurate representation of the Tanzimat era In shedding much needed light on the lives of those who were vulnerable disadvantaged and otherwise oppressed Suciyan takes a significant step toward a more inclusive Ottoman history

**Armenian Folklore Bibliography** Anne M. Avakian, 1994-01-01 00 This bibliography with annotations consists of almost 1380 citations derived from libraries in Berkeley California notably at the University of California Most of the articles and books listed are in Armenian but items in English French German and Russian are also included This book covers an area of study not heretofore presented in substantial length and will be of interest to folklorists throughout the world This bibliography with annotations consists of almost 1380 citations derived from libraries in Berkeley California notably at the University of California Most of the articles and books listed are in Armenian but items in English French German and Russian are also included This book covers an area of study not heretofore presented in substantial length and will be of interest to folklorists throughout the world *The Eastern Question Association. **Parliamentary Papers** Great Britain. Parliament. House of Commons, 1879

**Britain and the Armenian Question** Akaby Nassibian,2023-11-06 First published in 1984 Britain and the Armenian Question examines the direction changes and ramifications of British policy towards Armenia during 1915 to 1923 The author has made extensive use of parliamentary papers and those of the Cabinet Foreign Office War Office and India office as well as documents produced by pro Armenian groups during the period This material is used to build up a detailed and incontrovertible study of British policy which shows the extent to which it was governed by self interest even when support for Armenia was its most altruistic Once Britain secured predominance in the Persian Gulf she lost all her interest in Armenian territory and the dilemma was posed when the war ended not only did she no longer need Armenia but also had to decide who to support in Russia Armenia lost out on all sides and was compelled eventually to adapt herself to the policies of the surrounding countries This is an interesting read for scholars and researchers of international relations and international political history

**The Armenians and the Fall of the Ottoman Empire** Ari Şekeryan,2023-01-19 The Armistice of Mudros was signed on 30 October 1918 and on the morning of 13 November 1918 a mighty fleet of battleships from Britain France Italy and Greece sailed to Istanbul and dropped anchor without encountering resistance This day marked the beginning of the end of the Ottoman Empire a dissolution that would bring great suffering and chaos but also new opportunities for all Ottomans Muslim and non Muslim alike Drawing upon a previously untouched collection of Armenian and Ottoman Turkish primary sources Ari ekeryan considers these understudied post war years Examining the Armenian community as they emerged from the aftermath of war and genocide ekeryan outlines their shifting political position and the strategies they used to survive this turbulent period By focusing on the Ottoman Armistice 1918 1923 ekeryan illuminates an oft neglected period in history and develops a new case study for understanding the political reactions of ethnic groups to the fall of empires and nation states

**Justifying Genocide** Stefan Ihrig,2016-01-04 As Stefan Ihrig shows in this first comprehensive study many Germans sympathized with the Ottomans longstanding repression of the Armenians and with the Turks program of extermination during World War I In the Nazis version of history the Armenian Genocide was justifiable because it had made possible the astonishing rise of the New Turkey The Republic of Armenia: The first year, 1918-1919 Richard G. Hovannisian,1971

**(Re)constructing Armenia in Lebanon and Syria** Nicola Migliorino,2008-06-01 For almost nine decades since their mass resettlement to the Levant in the wake of the Genocide and First World War the Armenian communities of Lebanon and Syria appear to have successfully maintained a distinct identity as an ethno culturally diverse group in spite of representing a small non Arab and Christian minority within a very different mostly Arab and Muslim environment The author shows that while in Lebanon the state has facilitated the development of an extensive and effective system of Armenian ethno cultural preservation in Syria the emergence of centralizing authoritarian regimes in the 1950s and 1960s has severely damaged the autonomy and cultural diversity of the Armenian community Since 1970 the coming to power of the Asad family has contributed to a partial recovery of Armenian ethno cultural diversity as the community seems to have developed some form of tacit arrangement with the regime In Lebanon on the other hand the Armenian community suffered the consequences of the recurrent breakdown of the consociational arrangement that regulates public life In both cases the survival of Armenian cultural distinctiveness seems to be connected rather incidentally with the continuing search for legitimacy of the state
