Come, Lord Jesus Mary Francis,2010-09-13 These Advent reflections by the abbess of a Poor Clare monastery an accomplished spiritual writer focus our attention on the coming of Jesus into our lives There is a double movement to this coming both our active preparation to be ready for him and our patient waiting for the Lord to arrive in his own good time There is also an art to this simultaneous preparation and waiting and no one knows better than the beloved Mother Mary Francis how to encourage us in our attempts to master this art Meditating on passages from Scripture about the coming of the Messiah into the world and our hearts Mother challenges us to persevere in overcoming our faults and keeping our eyes on the Lord who has called us to himself for it is he through the gifts of his grace who will complete in us the work of sanctification which he has begun Though written for Advent the wisdom of Mother Mary Francis collected by her sisters is profitable at any time because a Christian life is one of constant growth into the very likeness of God But it is a wonderful thing that we are not happy with ourselves because the most terrible thing would be that we are at peace with our faults absorbed in ourselves blaming our faults on other people the tenderness the sweetness of Advent is wedded to that great mystery which begins with the call Now is the time Now is the hour Wake up and be made perfect in holiness Mother Mary Francis P C C
