*Arms Across the Pacific* Malcolm McIntosh,1987      **Reimagining the American Pacific** Rob Wilson,2000 Discusses the makings of the American Pacific locality location identity as space and ground of cultural production and the way this region can be linked to Asia and Pacific as well as to American mainland      *Security & Arms Control in the North Pacific* A. Mack,P. Keal,2023-05-26 First published in 1988 Security others focus on particular issues the nuclear infrastructure controlling the arms trade confidence building and naval arms control A unifying theme of this collection is the tension between military and non military approaches to security between threat and reassurance and between deterrence and confidence building This comprehensive book is a must read for scholars and researchers of security studies defence studies international politics and diplomacy      **Australia and the Pacific Islands** ,1989      *Daughters of the Pacific* Zohrl Dé Ishtar,1994 This book gives a voice to the Pacific women and shows what strength there is in these underknown cultures our nearest neighbours The nuclear industry tourism dumping of waste pollution of the oceans all carry a huge price for these islands on the rim of the world and on the rim of our imaginations      *Security, Arms Control, and Conflict Reduction in East Asia and the Pacific* ,1993-07-30 This is the most comprehensive bibliography to date on the vast English language literature covering the myriad aspects of peace and security issues in the East Asia Pacific region McClean contacted 150 key research institutions and publishers around the world for information about the most significant books articles dissertations and official documents on international and intra state security arms control conflict avoiding diplomacy and militarization in the area He has selectively annotated 12 645 cross referenced entries and organized them into 27 sub regional and country chapters including two particularly extensive chapters on Japan and China and two further chapters on relations between Australia New Zealand and the United States and on U S and Soviet policy      **Ibss: Political Science: 1987** British Library of Political and Economic Science,1991 IBSS is the essential tool for librarians university departments research institutions and any public or private institutions whose work requires access to up to date and comprehensive knowledge of the social sciences      *The Sun Never Sets--* Joseph Gerson,Bruce Birchard,1991 This landmark book tells a powerful story continent by continent of the development of U S security strategy over the past century into a global system of military bases and facilities for military intervention that has corrupted democratic values economic and social well being and environmental sustainability in every country that the system touches including the United States itself Elise Boulding      **The Koreans** ,1990      **Post-Cold War Security Issues in the Asia-Pacific Region** Colin McInnes,Mark Rolls,2013-07-23 The Asia Pacific region presents a challenge to international security in the post Cold War era Doubts as to the US military commitment concern with Japan s security aspirations build up of military capabilities and the nuclear ambitions of North Korea have further heightened tension      **Pacific Affairs** ,1989      *Japan's Foreign Aid* David Arase,2012-10-12 Filling a gap in the existing literature this book analyzes the distinctive features of Japan s development aid especially technical co

operation in comparison with other donors aid Incorporating a wealth of research it discusses whether Japan is behind other leading donor countries in rethinking its aid policy and whether it lacks transparency sensitivity to recipient needs and a coherent and coordinated policy that targets poverty The volume assesses the nature and effectiveness of the administration of Japan s aid and explores the degree of involvement of private sector and non governmental organizations NGOs Including contributions from experts with direct experience with Japanese ODA the book provides a wide range of recipient and donor viewpoints and presents important policy recommendations The Transformation of Security in the Asia/Pacific Region

Desmond Ball,2013-10-14 The security architecture of the Asia Pacific region is in a profound transformation Such changes are not without problems which are discussed here **The Security Environment in the Asia-Pacific** Hung-Mao

Tien,Ten-jen Cheng,2016-09-16 Multilateral security forums in the Asia Pacific region have evolved but bilateral defence alliances continue to form the principle pillars of national security for most nations in the region This text presents a survey of issues confronting the Asia Pacific region as it enters year 2000 **Cooperative Security in the Asia-Pacific** Jürgen

Haacke,Noel Morada,2010-01-21 This book provides an in depth and comprehensive study of the ASEAN Regional Forum and its activities in promoting regional security after 9 11 **Congressional Record** United States. Congress,1993

Indo-Pacific Smart Megacity System T. M. Vinod Kumar,2023-12-18 This book is an in depth study of the Indo Pacific region for effective interventions in the megacities system First based on several criteria the region is identified as homogeneous country groupings of diversity a multi polar spatial system and as program regions of QUAD and I2U2 for action programs and investment transcending many nations but mostly the ocean space of the Indo Pacific connecting all megacities sub regions spatially and functionally Then the megacities with problems and prospects for economic integration are studied from the point of view of regional economics and international trade and finally the rural urban interface with case studies of selected countries is presented Prospects of systems of megacities and individual megacities for regional economies are designed Existing interconnections through rail air and ocean of megacity systems their capacity performance and potential are analyzed for emerging issues International trade among the megacity systems countries with emerging issues and barriers are presented The mobility of money goods and services among the systems of megacities is analyzed Rule based diplomacy and other emerging options are discussed to sustain the above calls for a study of the Security of the Indo Pacific region Finally the emerging architecture for megacity system governance is also presented Out of 21 megacities in the Indo Pacific an in depth study of a few in India and Japan in the Indo Pacific region for effective economic interventions in the megacities system at the city level was studied COVID 19 has affected most of the countries in the Indo Pacific With a contraction of GDP and a GDP growth rate negative the number below the poverty level increased Foreign Direct Investment is not forthcoming in any of these countries Job creation becomes a priority in addition to public health concerns connected with COVID 19 Security Cooperation in the Pacific Islands Joanne Wallis,Henrietta McNeill,James Batley,Anna

Powles, 2025-03-20 Wallis McNeill Batley Powles and the contributors examine the dynamics of Pacific Islands security cooperation analysing how it helps address regional security challenges amid the broader strategic competition between China and the United States that is increasingly playing out in the region Pacific Island countries do not want to become pawns in this competition but its impacts are inescapable and are creating additional security challenges Compounding these effects are climate change and COVID 19 both of which have intersected with existing traditional and non traditional security challenges facing the region In response Pacific Island leaders have vowed to pursue greater security cooperation amongst themselves and with partner states This book addresses partner states interests in the region how these interests and Pacific priorities align and if not what the possible consequences may be It also analyses successful areas of security cooperation and tackles how challenges may be improved Incorporating a range of perspectives from key leaders practitioners and scholars this is an empirically grounded analysis of security cooperation within the Pacific Islands region and by the region s major partners A vital resource for researchers and practitioners seeking to better understand Pacific Islands security collaboration and the inherent challenges it faces The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**The Architecture of Security in the Asia-Pacific** Ronald Huisken, 2009-10-01 We cannot expect in East Asia over the foreseeable future to see the sort of conflation of sovereign states that has occurred in Europe We must anticipate that for the foreseeable future the requirement will be for the sensible management and containment of competitive instincts The establishment of a multilateral security body in East Asia that includes all the key players and which the major powers invest with the authority to tackle the shaping of the regional security order remains a critical piece of unfinished business
