Arms And The Men:

Arms and the Man Bernard Shaw, 1901 Arms and the Man is a comedy by George Bernard Shaw whose title comes from the opening words of Virgil's Aeneid in Latin *Arma virumque cano* **Arms and the Man** George Bernard Shaw, 2008-01-12 Arms and the Man by Shaw George Bernard Akasha Classics AkashaPublishing Com Enjoy Shaw George Bernard at his wittiest in this comedy filled with deflating commentary about romantic misconceptions of love and warfare Raina is a young girl who looks on war and love with rose colored glasses her officer fiance does little to deter these views When an escaping soldier breaks into her bedroom her world is disturbed as she is confronted by the grim and absurd realities of war Will her views on love be equally shaken when the soldier returns to compete for her affections Shaw skewers the pretensions of his characters in a deftly comic style Questioning the conventional wisdom of its time Arms and the Man continues to be relevant today It is one of the most acted and studied of Shaw's plays **Arms and the Man** Bernard Shaw, 1990 Presents the romantic falsifications of love and warfare in a comedy that reveals the author's skills as an acute social observer and witty provocateur *Arms and the Man* Bernard Shaw, 1955 Arms and the Man Bernard Shaw, 2017-04-12 Arms and the Man *Arms and the Man* G. Bernard Shaw, 2024-11-24 It will repay those who seek analogies in literature to compare Shaw with Cervantes After a life of heroic endeavor disappointment slavery and poverty the author of Don Quixote gave the world a serious work which caused to be laughed off the world's stage forever the final vestiges of decadent chivalry The institution had long been outgrown but its vernacular continued to be the speech and to express the thought of the world and among the vulgar as the quaint old novelist puts it just as to day the novel intended for the consumption of the unenlightened must deal with peers and millionaires and be dressed in stilted language Marvellously he succeeded but in a way he least intended We have not yet after so many years determined whether it is a work to laugh or cry over It is our joyfulest modern book says Carlyle while Landor thinks that readers who see nothing more than a burlesque in Don Quixote have but shallow appreciation of the work Shaw in like manner comes upon the scene when many of our social usages are outworn He sees the fact announces it and we burst into guffaws The continuous laughter which greets Shaw's plays arises from a real contrast in the point of view of the dramatist and his audiences When Pinero or Jones describes a whimsical situation we never doubt for a moment that the author's point of view is our own and that the abnormal predicament of his characters appeals to him in the same light as to his audience With Shaw this sense of community of feeling is wholly lacking He describes things as he sees them and the house is in a roar Who is right If we were really using our own senses and not gazing through the glasses of convention and romance and make believe should we see things as Shaw does Must it not cause Shaw to doubt his own or the public's sanity to hear audiences laughing boisterously over tragic situations And yet if they did not come to laugh they would not come at all Mockery is the price he must pay for a hearing Or has he calculated to a nicety the power of reaction Does he seek to drive us to aspiration by the portrayal of

sordidness to disinterestedness by the picture of selfishness to illusion by disillusionment It is impossible to believe that he is unconscious of the humor of his dramatic situations yet he stoically gives no sign He even dares the charge terrible in proportion to its truth which the most serious of us shrinks from the lack of a sense of humor Men would rather have their integrity impugned In *Arms and the Man* the subject which occupies the dramatist's attention is that survival of barbarity militarism which raises its horrid head from time to time to cast a doubt on the reality of our civilization No more hoary superstition survives than that the donning of a uniform changes the nature of the wearer This notion pervades society to such an extent that when we find some soldiers placed upon the stage acting rationally our conventionalized senses are shocked The only men who have no illusions about war are those who have recently been there and of course Mr Shaw who has no illusions about anything

Of Arms and Men Robert L. O'Connell, 1990-04-19 The appearance of the crossbow on the European battle field in A D 1100 as the weapon of choice for shooting down knights threatened the status quo of medieval chivalric fighting techniques By 1139 the Church had intervened outlawing the use of the crossbow among Christians With this edict arms control was born As Robert L O Connell reveals in this vividly written history of weapons in Western culture that first attempt at an arms control measure characterizes the complex and often paradoxical relationship between men and arms throughout the centuries In a sweeping narrative that ranges from prehistoric times to the nuclear age O Connell demonstrates how social and economic conditions determine the types of weapons and the tactics used in warfare and how in turn innovations in weapons technology often undercut social values He describes for instance how the invention of the gun required a redefinition of courage from aggressive ferocity to calmness under fire and how the machine gun in World War I so overthrew traditional notions of combat that Lord Kitchener exclaimed This isn't war The technology unleashed during the Great War radically altered our perceptions of ourselves as these new weapons made human qualities almost irrelevant in combat With the invention of the atomic bomb humanity itself became subservient to the weapons it had produced *Of Arms and Men* brilliantly integrates the evolution of politics weapons strategy and tactics into a coherent narrative one spiced with striking portraits of men in combat and penetrating insights into why men go to war

hides him so that he won't be killed. In a conversation after the soldiers have left, Bluntschli's attitude towards war and soldiering is pragmatic and practical, as opposed to Raina's idealistic views, which shock her especially after he admits that he uses his ammunition pouches to carry chocolates rather than cartridges for his pistol. When the search dies down, Raina and her mother Catherine sneak Bluntschli out of the house disguised in an old housecoat. The war ends with the Bulgarians and Serbians signing a peace treaty, and Sergius returns to Raina but also flirts with her insolent servant girl Louka, a soubrette role who is engaged to Nicola, the Petkoffs' manservant. Raina begins to find Sergius both foolhardy and tiresome, but she hides it. Bluntschli unexpectedly returns so that he can give back the old housecoat but also so that he can see her. Raina and her mother are shocked, especially when her father and Sergius reveal that they have met Bluntschli before and invite him to stay for lunch and to help them with troop movements.
