Arnold Bennett A Last Word By Swinnerton Frank:

Arnold Bennett Frank Swinnerton, 2014-08-14 I have tried to depict Arnold Bennett as a man of character and integrity a fundamentally innocent humorist a superlative friend and to others not myself a difficult personality but I have worked under considerable difficulties with many interruptions and the result may be unsatisfactory If it is I shall be sorry One of my problems has arisen from the fact that to live again as I have done in a period long past and full of painful memories has proved agitating and therefore exhausting Arnold Bennett 1867 1931 was a prolific English writer and journalist He was a friend and benefactor to many writers of his generation including H G Wells John Galsworthy Aldous Huxley and Siegfried Sassoon Frank Swinnerton became acquainted with Bennett after sending him a draft of his first novel and later they became close friends over the course of many years He wrote this detailed biography of Bennett some years after his death It was first published in 1978 Arnold Bennett Frank Swinnerton, 1950 Arnold Bennett James Hepburn, 2013-06-17 This set comprises forty volumes covering nineteenth and twentieth century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set complements the first sixty eight volume set of Critical Heritage published by Routledge in October 1995 **There was No Lightning** Harold

Scheub, 2010 **Writers, Readers, and Reputations** Philip Waller, 2008 Philip Waller explores the literary world in which the modern best seller first emerged with writers promoted as stars and celebrities advertising both products and themselves

Modernism, Modernity, and Arnold Bennett Robert Squillace, 1997 This book delineates the unique role of Arnold Bennett in the transformation of the British novel from the aesthetic psychological and sociopolitical assumptions of modernity to those of modernism Early in his career Bennett believed that the rejection of inherited traditions and authorities that was promulgated by such champions of modernity as Darwin Marx and even Herbert Spencer would culminate in an assertion of personal autonomy Bennett eventually assimilated the modernist critique of modernity which discovered with the help of Freud and the First World War an intractable human irrationality that expressed itself in the most apparently reasonable schemes for human improvement Books and Bookmen, 1977 *The National Union Catalog, Pre-1956 Imprints* Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1969
