

A sepia-toned photograph of Arnold Schoenberg, an older man with a receding hairline, wearing a light-colored suit jacket and a dark tie. He is pointing his right index finger towards a musical score on a stand. The score is written on staves and includes some handwritten notes, including "A-a-III". The background is dark and out of focus.

MODERN MASTERS/EDITED BY FRANK KERMODE

Arnold Schoenberg Modern Masters

Frank N. Magill

Arnold Schoenberg Modern Masters:

Fin-De-Siecle Vienna Carl E. Schorske, 2012-02-01 A Pulitzer Prize Winner and landmark book from one of the truly original scholars of our time a magnificent revelation of turn of the century Vienna where out of a crisis of political and social disintegration so much of modern art and thought was born Not only is it a splendid exploration of several aspects of early modernism in their political context it is an indicator of how the discipline of intellectual history is currently practiced by its most able and ambitious craftsmen It is also a moving vindication of historical study itself in the face of modernism's defiant suggestion that history is obsolete David A Hollinger History Book Club Review Each of the seven separate studies can be read separately Yet they are so artfully designed and integrated that one who reads them in order is impressed by the book's wholeness and the momentum of its argument Gordon A Craig The New Republic A profound work on one of the most important chapters of modern intellectual history H R Trevor Roper front page The New York Times Book Review Invaluable to the social and political historian as well as to those more concerned with the arts John Willett The New York Review of Books A work of original synthesis and scholarship Engrossing Newsweek **Igor Stravinsky**, Conditions of Music Alan Durant, 1985-06-30 Music is performed reproduced and heard differently today as a result of twentieth century technology A new consideration of these changes is a practical and cultural necessity In Conditions of Music Alan Durant extends Deryck Cooke's Language of Music placing the insights of Cooke into a much wider sociological and historical framework Conditions of Music provides a basis for detailed commentary and criticism of music Unlike literature and painting around which illuminating critical techniques and theories have developed little common ground exists for music criticism The appraisal argument adopted here implies a major revision of accepted ways of thinking about contemporary directions of music *Music, Theatre and Politics in Germany* Nikolaus Bacht, 2006 Music theatre and politics have maintained a long standing relationship that continues to be strong The contributions in this volume bridge the conventional chronological division between late Romantic and modern music to thematize a wide array of i **The Library and the Contemporary Arts** Betty Louise Maurstad, 1977 *The 20th Century O-Z* Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography A Schoenberg Reader Joseph Auner, 2008-10-01 Arnold Schoenberg's close involvement with many of the principal developments of twentieth century music most importantly the break with tonality and the creation of twelve tone composition generated controversy from the time of his earliest works to the present day This authoritative new

collection of Schoenberg's essays, letters, literary writings, musical sketches, paintings, and drawings offers fresh insights into the composer's life, work, and thought. The documents, many previously unpublished or untranslated, reveal the relationships between various aspects of Schoenberg's activities in composition, music theory, criticism, painting, performance, and teaching. They also show the significance of events in his personal and family life, his evolving Jewish identity, his political concerns, and his close interactions with such figures as Gustav and Alma Mahler, Alban Berg, Wassily Kandinsky, and Thomas Mann. Extensive commentary by Joseph Auner places the documents and materials in context and traces important themes throughout Schoenberg's career from turn of century Vienna to Weimar, Berlin to the 1950s, Los Angeles. **The**

Arnold Schoenberg Companion Walter B. Bailey, 1998-06-30. With language unencumbered by technical jargon, these scholarly writings bring to life the various facets of Schoenberg's creative process and its influence. Topics include biographical essays, surveys of the music from different periods in Schoenberg's career, and essays on the development of Schoenberg's style, on Schoenberg's attitudes toward music composition and analysis, and the effect of and interpretation of Schoenberg's music. The contributors provide different points of view based on their unique specialties. The resulting breadth of information illuminates distinct aspects of Schoenberg's musical career. The *Arnold Schoenberg Companion* aims to introduce Schoenberg and his music to a nonspecialist audience. The chronological essays place Schoenberg and his achievements in the context of the past and present. The contributing authors include scholars and composers of different generations, including two of his American students. The companion also contains an annotated bibliography and discography and is an invaluable resource to scholars and researchers. **Arnold Schoenberg** Charles Rosen, 1975. Preface. 1996. Preface. Biographical Note. i Expressionism. ii Atonality. iii The Society for the Private Performance of Music. iv Serialism and Neoclassicism. Short Bibliography. Index. *Journal of the Arnold Schoenberg Institute* Arnold Schoenberg Institute, 1980.

An Index to Articles Published in The Etude Magazine, 1883-1957, Part 2 Pamela Richardson Dennis, 2011-01-01. Annotation. The Index is published in two physical volumes and sold as a set for 250.00. As America's geography and societal demands expanded, the topics in *The Etude* magazine, first published in 1883, took on such important issues as women in music, immigration, transportation, Native American and African American composers and their music, World War I and II, public schools, new technologies, sound recordings, radio, and television, and modern music, jazz, gospel, blues, early 20th century composers, in addition to regular book reviews, teaching advice, interviews, biographies, and advertisements. Though a valued source, particularly for private music teachers, with the de-emphasis on the professional elite and the decline in salon music, the magazine ceased publication in 1957. This Index to the articles in *The Etude* serves as a companion to E. Douglas Bomberger's 2004 publication on the music in *The Etude*. Published a little over fifty years after the final issue reached the public, this Index chronicles vocal and instrumental technique, composer biographies, position openings, department store orchestras, the design of a successful music studio, how to play an accordion, recital programs in music schools, and much

more The Index is a valuable tool for research particularly in the music culture of American in the late nineteenth and early twentieth centuries With titles of these articles available the doors are now open for further research in the years to come

Musical Semiotics Revisited Eero Tarasti, Paul Forsell, Richard Littlefield, 2003 **Music Criticism in Vienna, 1896-1897** Sandra McColl, 1996 Music Criticism in Vienna records a culture in which musical criticism had achieved the status of a minor art form The period covered October 1896 to December 1897 was an eventful time in Vienna Bruckner died then Brahms Mahler arrived premieres of works by Czech composers coincided with increasing tension in the Empire between Czechs and Germans Puccini's *La Bohème* reached Vienna on its sensational progress around the world and the great programme music debate continued These events and issues were recorded and debated by some two dozen critics ranging from Eduard Hanslick widely credited with and blamed for raising music criticism to an art to Heinrich Schenker The focus of Sandra McColl's monograph is unashamedly on the critics themselves and her reconstruction of the climate of debate about whatever music or musicians came to their notice She illuminates the intellectual climate in which the music was created performed and received and provides a foundation for the study of musical criticism in the post Hanslick generation *The Resource Book of Jewish Music* Irene Heskies, 1985-04-18 Product information not available *The British Catalogue of Music*, 1976 *Performing Arts*, 1976 *Acrobatic Modernism from the Avant-garde to Prehistory* Jed Rasula, 2020 Moving through a vast geographical cultural and artistic terrain and juxtaposing numerous modernist works this volume explores the multiplicity of modernism and provides in depth case studies including of James Joyce's *Finnegans Wake* the reception of jazz music in Europe and the Cubist movement in the visual arts *Cantor William Sharlin* Jonathan L. Friedmann, 2019-02-28 William Sharlin 1920-2012 was a cantor synagogue composer teacher and musicologist Raised in an Orthodox household he turned toward Universalism and the liberal Reform movement A member of the first graduating class of the first cantorial school in America he was a founding member of the American Conference of Cantors and is recognized as the first to play a guitar in the synagogue Sharlin developed the Department of Sacred Music at HUC in Los Angeles where he taught for 40 years trained women to be cantors before they were allowed in the seminary and spent nearly four decades at Leo Baeck Temple Drawing on interviews conducted with Sharlin late in life the author chronicles the career of one of the most inventive and creative figures in the history of the cantorate **Oxford History of Western Music** Richard Taruskin, 2009-07-27 The universally acclaimed and award winning Oxford History of Western Music by one of the most prominent and provocative musicologists of our time Richard Taruskin Now in paperback the set has been reconstructed to be available for the first time as individual books each one taking on a critical time period in the history of western music **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles
