Lewis,2020-08-10 World Beyond Reason The Orwellian Factor By James C Lewis World Beyond Reason The Orwellian Factor is the product of several years of focused research and investigation prompted by national and world occurrences There is a movement in this country to change the United States from a merit based market economy typically referred to as capitalism to a Marxist nation by a group called Progressives These Progressives claim they believe collectivist thought under a Democratic Socialism ideology would best serve the nation and world James C Lewis s research has revealed that these Marxists fail to grasp they are being manipulated by a force whose ultimate goal is not socialism at all but a totalitarian ideology under the misleading title of New World Order But this goal is not merely for the United States but will cover the entire world Lewis s research reveals that many events that are occurring today such as the COVID 19 virus the coming activation of the 5G network Islamic terrorism the Deep State or shadow government failing countries millions of displaced refugees even the Progressive movement are all calculated to destabilize the Western world enough that the remedial outcome will allow those NWO forces to take over and usher in a one government world My goal is to expose all of this so the American people get a full understanding that this is all very serious and dangerous to our very existence as a country and as a free people Lewis as a retired paralegal spent his career in a field requiring careful legal and factual research an understanding about human nature criminal and constitutional law He brings those skills to the research of this book *The World Beyond* John Doughty,1883 Evolving Life and Transition to the World Beyond Ronald Radhoff,2011-05-13 The world is on the brink of major changes The vibrations are increasing on the planet and act as a catalyst that is empowering the light and suppressing the dark energies During this process great opportunities to be a part of a magnificent spiritual evolution are opening for those who choose the way of the loving light of God There is enormous confusion for many who have been subjected to false perceptions and are controlled through fear the great tool of the dark side of governments and yes even some religions This book is a result of the authors 33 year search for greater truths enhanced by communications from several spirit sources of the Deity plus answers about other life in the Cosmos including mind expanding descriptions from highly evolved beings about life on other planetary systems The author included several communications from friends and family when they described their transition experiences after crossing over to the World Beyond These messages go beyond fundamental religious myths and describe various dimensions in the spiritual realm This book is for you if youve ever wondered what your purpose in life is if you want to unleash greater powers of your mind if youve wondered whether there is intelligent life out there if youve wondered what the Afterlife is really like if you have any fear of dying death or crossing over if you really want to evolve spiritually Ron has given many lectures and presentations over several years to a variety of organizations Expressing his creativity Ron also paints in oil and is the cover artist From a reader Once I started reading

The World Beyond the Windshield Christof Mauch, Thomas Zeller, 2008 For better or worse the view through a car's windshield has redefined how we see the world around us In some cases such as the American parkway the view from the road was the be all and end all of the highway in others such as the Italian autostrada the view of a fast efficient transportation machine celebrating either Fascism or its absence was the goal These varied environments are neither necessary nor accidental but the outcomes of historical negotiations and whether we abhor them or take delight in them they have become part of the fabric of human existence *The World beyond the Windshield Roads and Landscapes in the United States and Europe* is the first systematic comparative look at these landscapes By looking at examples from the United States and Europe the chapters in this volume explore the relationship between the road and the landscape that it traverses cuts through defines despoils and enhances The authors analyze the Washington Beltway and the Blue Ridge Parkway as well as iconic roads in Italy Nazi Germany East Germany and Great Britain This is a story of the transatlantic exchange of ideas about environment and technology and of the national and nationalistic appropriations of such landscaping

Knowledge from the World Beyond Sondra Perlin Zecher, Charles E. Zecher, 2020-06-30 Together Charles E Zecher and Sondra Perlin Zecher have nearly 100 years of experience studying the metaphysical and the paranormal Over the years they would meet with their colleagues in the Coral Spring FL Metaphysical Group where esteemed clairvoyant Sondra would enter a deep trance and channel her spirit guide Members of the group would communicate directly with the spirit guide asking questions on some of the universe's greatest mysteries The

information received from the guide's answers to more than 2500 questions provided the basis for this book. These sessions covered a variety of topics that will intrigue readers including reincarnation, karma, human evolution, life after death, ghosts, angels, the future, religion, God, creation, unsolved mysteries, the prehistoric world, extraterrestrials, the unseen Atlantis, current world events, conspiracies, secret societies, etc. The responses do not necessarily echo the author's beliefs. Instead, they simply showcase the information that was channeled through Sondra. Many will be surprised by the answers they find in *Knowledge from the World Beyond*. Hopefully, many assumptions, concerns, and skepticisms will be laid to rest. Likewise, as the book is read, the reader will be left with many new unanswered questions. Sondra is probably best known as The Son of Sam Psychic. Years ago, she provided law enforcement with the information that enabled them to apprehend David Berkowitz.
