Arrancame La Vida Mexican Tango:

Latin American Melodrama Darlene J. Sadlier, 2010-10-01 Like their Hollywood counterparts Latin American film and TV melodramas have always been popular and highly profitable The first of its kind this anthology engages in a serious study of the aesthetics and cultural implications of Latin American melodramas Written by some of the major figures in Latin American film scholarship the studies range across seventy years of movies and television within a transnational context focusing specifically on the period known as the Golden Age of melodrama the impact of classic melodrama on later forms and more contemporary forms of melodrama An introductory essay examines current critical and theoretical debates on melodrama and places the essays within the context of Latin American film and media scholarship Contributors are Luisela Alvaray Mariana Baltar Catherine L Benamou Marvin D Lugo Paula F lix Didier Andr s Levinson Gilberto Perez Darlene J Sadlier Cid Vasconcelos and Ismail Xavier

Queer Relajo David Tenorio, 2025-08-28 In 2015 Mexico City declared itself a gay friendly city and followed up with a gay tourist guide and new laws permitting changes to gender markers on legal documents sanctioning same sex marriage and allowing joint adoption of children At the same time patterns of violence and discrimination against women trans and queer people have continued throughout the country In *Queer Relajo* David Tenorio argues that while Mexico City aims to bring visibility to queer sociality the benefits of legitimizing queer space remain unclear Combining readings of film digital media and performance with drag autoethnography *Queer Relajo* quite literally plays with how *relajo* or playfulness structures the spaces of queer nightlife in urban contexts by revealing how nighttime intimacy can minimize the paralyzing effects of violence and precarity in a neoliberal Mexico Considering the political implications of when a queer trans person is present at night Tenorio argues that queer feelings of play are not only essential to sexual liberation but also resist neoliberal commodification and heteronormative extraction
