Arrogance On The Battlefield A Primary Cause Of Defeat 1775-1991:

Air University Library Index to Military Periodicals, 1997 **The Battle Of New Orleans Reconsidered** Curtis Manning, 2014-12-12 The Battle of New Orleans Reconsidered arose organically from the rich heritage of St Bernard Parish Louisiana The same land that was witness to the Battle of New Orleans would also spawn a unique and vibrant culture known for close knit families good food refineries and the activities centered around the bountiful wetlands Academic cultural offerings were rare when the Nunez History Lecture Series began in 2001 Some folks at Nunez Community College the only institution of higher education in the Parish decided to tell the stories of the people of St Bernard and Louisiana hoping that a handful of others might also be interested After 14 seasons of over 100 lectures and an average attendance of over 100 people the Lecture Series is still finding new stories to tell A natural outgrowth of the Lecture Series was to feature a more detailed treatment of the second most important historical event in St Bernard Parish history the Battle of New Orleans And the College was the natural place since the battlefield was in sight of the campus on a clear day However the plans for the first Symposium were delayed by a few years when the most important historical event in St Bernard Parish history Hurricane Katrina left six feet of water across the Nunez campus and up to seventeen feet of water across the rest of the Parish By January of 2013 the first Battle of New Orleans Historical Symposium was held at the College with the audience likely sitting in the exact spot that soldiers mustered for the Battle Once the Symposium became established and successful the only nagging problem was the ephemeral nature of the knowledge being created With some of the most passionate and knowledgeable speakers in the nation it just seemed natural to expand and preserve the great information being presented So in a labor of love many of the top lecturers agreed to put pen to paper and tell the story of the Battle of New Orleans in greater detail The result is *The Battle of New Orleans Reconsidered* Custer, the Seventh Cavalry, and the Little Big Horn Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer's experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Perces in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable

resource for a broad audience of historians librarians collectors and Custer enthusiasts *The Army Quarterly and Defence Journal* ,1997 **Forthcoming Books** Rose Army,1997 *Cumulative Bibliography of Victorian Studies* ,1970 *Books in Print* ,1991 *Subject Guide to Books in Print* ,2001 *Whitaker's Books in Print* ,1998 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Books in Print 1997-98** R R Bowker Publishing,1997 **Arrogance on the Battlefield** J. Lee Ready,1996 Time after time arrogance not artillery has proven to be the downfall of some of the military s greatest generals As case studies reveal in repeated instances throughout history what has hindered so many commanders is an over inflated sense of superiority Delusions of invincibility do not discriminate by age nationality military experience the era in which men live or the skill of their opponents The only thing these leaders Burgoyne Chelmsford Percival Braddock Custer Eisenhower MacArthur Mussolini and others had in common was that they were all human
