Arrow And Two Other Stories:

The Clever Adulteress and Other Stories Phyllis Granoff, 1993 The stories in this collection span almost one thousand years of story telling in India Most originate in North India and all were written by Jain monks for the edification and amusement of the faithful The treasures of India s heritage of story telling are known to us today mainly from these Jain stories which have been carefully preserved through the years The Stories in The Clever Adulteress have been translated by a renowned group of scholars from India North America and Europe Each translator has chosen his or her favorites from the vast treasures of Jain literature The Blind Spot and Other Stories of the Supernatural Saki - H H Monroe, 2016-10-17 Saki The Blind Spot and Other Stories of the Supernatural Hector Hugh Munro is perhaps the most graceful spokesman for England s golden afternoon those slow and peaceful years prior to the outbreak of World War I The good wit of bad manners elegantly spiced with irony and deftly controlled malice has made Saki stories small perfect gems of the English language The Blind Spot and Other Stories of the Supernatural contain all his short stories about the supernatural Little Saint Elizabeth and Other Stories Frances Hodgson Burnett, 1890 **Beyond Subsistence** Philip Duke, Michael C. Wilson, 1995-04-30 A series of essays written by Plains scholars of diverse research interests and backgrounds that apply postprocessual approaches to the solution of current problems in Plains archaeology Postprocessual archaeology is seen as a potential vehicle for integrating culture historical processual and postmodernist approaches to solve specific archaeological problems The contributors address specific interpretive problems in all the major regions of the North American Plains investigate different Plains societies including hunter gatherers and farmers and their associated archaeological records and examine the political content of archaeology in such fields as gender studies and cultural resource management They avoid a programmatic adherence to a single paradigm arguing instead that a mature archaeology will use different theories methods and techniques to solve specific empirical problems By avoiding excessive infatuation with the correct scientific method this volume addresses questions that have often been categorized as beyond archaeological investigations **Pitch Woman and Other Stories** Coquille Thompson, Elizabeth Derr Jacobs, 2007-01-01 Despite the political instability characterizing twentieth century Taiwan the value of baseball in the lives of Taiwanese has been a constant since the game was introduced in 1895 The game first gained popularity on the island under the Japanese occupation and that popularity continued after World War II despite the withdrawal of the Japanese and an official lack of support from the new state power the Chinese Nationalist Party *The Arrow of Justice and Other Bible Stories* Aryeh Leib Broder, 2012-02-09 The stories in *The Arrow of Justice* portray all facets of human behaviour their strengths and their weaknesses The noble integrity of Joshua to honouring his treaty with the Gibeonites the anguish and frustration of the childless woman Hannah the immense courage of Jonathan when facing the better equipped Philistines the incredible bravery of David s general Joab in the conquest of Jerusalem the sheer malice of Doeg in annihilating an entire community the diplomatic skills of Chushai in thwarting the efforts of Absalom

to overthrow his father David the treachery of Gehazi to his master Elisha and the tragic naivety of the last king of Israel Zedekiah They also demonstrate that the Bible is not just a history of the ancient people of Israel It is a guide to the relationship between man and his Creator Who is concerned with universal justice and morality Accordingly in *The Arrow of Justice* the author briefly addresses the question Why does God allow cruelty in His world Science Fiction and Fantasy Literature, Vol 1 R.
