Arrow Of God:

Arrow of God Chinua Achebe, 1986 Set in the Ibo heartland of eastern Nigeria one of Africa's best known writers describes the conflict between old and new in its most poignant aspect the personal struggle between father and son

Arrow of God Chinua Achebe, 2013-04-25 Ezeulu headstrong chief priest of the god Ulu is worshipped by the six villages of Umuaro But he is beginning to find his authority increasingly under threat from his rivals in the tribe from those in the white government and even from his own family Yet he still feels he must be untouchable surely he is an arrow in the bow of his God Armed with this belief he is prepared to lead his people even if it means destruction and annihilation Yet the people will not be so easily dominated Spare and powerful Arrow of God is an unforgettable portrayal of the loss of faith and the struggle between tradition and change Continuing the epic saga of the community in *Things Fall Apart* it is the second volume of Achebe's African trilogy and is followed by *No Longer at Ease* Approaches to the African Novel Charles E. Nnolim, 2010 This Third Edition of *Approaches to the African Novel* is a child of necessity Because of the unfortunate death of the publisher of Saros International who issued the First Edition and high demand this third enlarged edition has become imperative Three new essays all previously published are added two expectedly on Achebe the father of the African novel and one on Mongp Beti's Mission to Kala which was partially anthologised in *Contemporary Literary Criticism* Volume 27 1984 Achebe's *Things Fall Apart* as an Igbo national epic has evoked a spate of reactions from critics of African literature especially the troika Chinweizu et al in *Toward the Decolonization of African Literature* It was also anthologised in *Modern Black Literature* edited by S Okechukwu Menu 1971 The essay on Arrow of God whose structure and meaning has been largely avoided by other critics is included here for further airing For gender balance as the previous volume contained no essays on women writers an essay on Flora Nwapa has been added Since the novels discussed in this volume exclusively are on the African literature south of the Sahara the last essay on Peter Abrahams comes in to round out this collection of essays with a study of a south African writer for geographical balance **Arrow of God** Chinua Achebe, 1969 *The Arrow of a Second Chance* Maritza Oliveras, 2023-05-03 Maritza is a single mother of one beautiful girl She struggled most of her life with mental health issues caused by physical emotional and sexual abuse Throughout her journey she faced betrayals abandonments bullying homelessness grief through failed relationships loss of jobs and family members She was led by all her emotional pain causing her to lose her identity As she came into her darkest valley she discovered an arrow that led her to repentance and surrendered her heart to Jesus Facing her truth was painful but long overdue It was a liberating experience for the truth has set her free and now walking in a healing journey shining her light of hope to the world What once was dressed in darkness now is light What once was dressed in pain and loss of hope it's now her strength of redemption For all those who come from the same place of darkness she hopes to be the compass that leads them to God so they can find the salvation love grace mercy liberation healing and redemption they have longed to find *Emerging*

Perspectives on Chinua Achebe Ernest Emenyonu, Iniobong I. Uko, 2004 Chinua Achebe's influence on contemporary African literature is as much in evidence in his art of the novel as his theory of African literature and literary criticism ISINKA Igbo term for artistic purpose establishes Achebe's legacy as a literary theorist and critic In these essays scholars from around the globe assess and establish how much Achebe's extra-fictional ideas about African literature and literature in general are justified in his own creative works

Arrows of the Lord Bill Vincent, 2024-09-05 Enter a realm where words become arrows piercing through spiritual darkness and unleashing divine power In *Arrows of the Lord* experience a journey of revelation and empowerment as you learn to wield prophetic decrees like never before Drawing from biblical insights and personal encounters this book navigates through the potency of spoken words guiding you to speak life healing and deliverance into every situation Discover how to align your prayers with God's promises engaging in spiritual warfare with faith and authority Whether battling personal struggles or contending for broader spiritual victories *Arrows of the Lord* equips you to rise above challenges and see supernatural breakthroughs unfold Chinua Achebe Catherine Lynette Innes, 1992-03-26 *Things Fall Apart* is compared with Joyce Cary's *Mister Johnson* Achebe's novel is seen as a more realistic portrayal of the society and culture of indigenous people of Nigeria **The Wisdom of Many** Wolfgang Mieder, Alan Dundes, 1994 *The Wisdom of Many* explores research on proverbs of many cultures More than twenty essays written by scholars of such diverse disciplines as folklore literature psychology linguistics and anthropology illustrate the significance of traditional proverbs and trace variations of proverbs over time drawing on African Chinese Spanish Finnish Irish and Yiddish examples **Chinua Achebe's Arrow of God** Yolande Cantu, 1985 Arrow of God Chinua Achebe, 1964 In the Igbo

villages of Umuaro in Eastern Nigeria in 1921 Ezeulu old and dignified Chief Priest of the god Ulu finds that his authority as spiritual leader is strengthened when a war which he has tried to prevent between Umuaro and a neighboring community is stopped by the British District Officer Feeling compelled to respect the knowledge and power of the white man Ezeulu sends one of his young sons to learn Christianity so that he will know the secret of such strength But this brings the conflict between old ways and new to a head as the boy in an excess of freshly inspired Christian enthusiasm tries to kill a royal python a creature most sacred in the religious traditions of Umuaro After this Ezeulu's opposition to the authority of the white man becomes more pronounced but his noble obstinacy although it achieves a temporary victory over Captain Winterbottom brings tragedy in the end This moving story captures the atmosphere of African village life the beautiful proverb-laden language of the Igbo and their strangely formal customs of worship and hospitality From publisher description

Reading Chinua Achebe Simon Gikandi, 1991 Analysis of the writings of Chinua Achebe aimed at students of literature Simon Gikandi has set out to reveal the very nature of Achebe's creativity its prodigious complexity and richness its paradoxes and ambiguities This is scholarship of real stature and supersedes all other studies of Achebe's writing It comes at a good time Achebe's literary reputation is equal to that of any living author and a substantial critical canon has been established G D Killam Professor of English University of Guelph Kenya EAEP **An Introduction to the African Prose Narrative** Lokangaka Losambe, 2004 This collection of essays introduces students of African literature to the heritage of the African prose narrative starting from its oral base and covering its linguistic and cultural diversity The book brings together
