Anita Steckel Richard Meyer, Rachel Middleman, 2022 *Art and Sexual Politics* Susan Ogilvy, 1973 **Anne Rice and Sexual Politics** James R. Keller, 2015-11-16 From the vampires Lestat and Louis to a sexually liberated Sleeping Beauty novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional Exit to Eden for example ends with the sado masochistic protagonists embarking on a traditional monogamous heterosexual relationship while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves This scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice s early work covers her career from the landmark Interview with the Vampire 1976 to Lasher 1993 Each chapter tackles a different aspect of Rice s conflicting portrayals of sexual issues including homophobia pedophilia castration anxiety and the vast array of gender stereotypes and roles that her novels so often interpret and exploit This study is appropriate both for readers of Rice s writing and those intrigued by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality An index and bibliography are included to aid research

As Long as It's Pink Penny Sparke,1995 Why do car manufacturers use paisley interiors to sell their products to women and does it work Is women s taste really different to men s Who says so And does it matter In this highly original book Penny Sparke uses familiar objects of our everyday environments furniture cars and domestic appliances and interiors to look at how taste has become a gendered issue in our culture Ever since the industrial revolution the cluttered interior has been associated with femininity while the minimal forms of modernist architecture have acted as markers of a masculine aesthetic As Long as It s Pink argues that taste has been a quality assigned to women while design is a man made construction which has taken aesthetic authority away from women This in turn has succeeded in trivializing and marginalizing women s material culture Ranging across histories of domesticity feminine consumption and home making as well as modern design and broader cultural theories Penny Sparke offers a completely new version of the history of our modern material culture

Gender, Politics, and Allegory in the Art of Rubens Lisa Rosenthal,2005-09-05 Gender Politics and Allegory in the Art of Peter Paul Rubens examines the intertwined relationship between paintings of family and marriage and of war peace and statehood by the Flemish master Drawing extensively upon recent critical and gender theory Lisa Rosenthal reshapes our view of Rubens works and of the interpretive practices through which we engage them Close readings offer new interpretations of canonical images while bringing into view other powerful works which are less familiar The focus on gender serves as a catalyst that enables an original way of reading visual allegory giving it a dynamic multivalence undiscovered by traditional iconographic methods

The Sexual Politics of Jean-Jacques Rousseau Joel Schwartz, 1985-10-15 Joel Schwartz presents the first systematic treatment of Rousseau's understanding of the political importance of women sexuality and the family Using both Rousseau's lesser known literary works and such major writings as Emile Julie and The Second Discourse he offers an original and provocative presentation of Rousseau's argument To read Rousseau Schwartz believes is to enter into a profound discourse about the meaning of sexual equality and the opportunities pitfalls costs and benefits that sexual relationships bestow and impose on us all His own thoughtful reading of Rousseau opens up fresh perspectives on political philosophy and the history of sexual masculine and feminine psychology

Sexual Politics in the Biblical Narrative Esther Fuchs, 2003-04-01 This book is for anyone interested in religious studies and women's studies as well as for biblical scholars It offers a feminist oppositional reading of the biblical text The main argument is that the Bible constructs a fictional universe in which women are shown to be intent on promoting male interests and for the most part appear as secondary characters whose voice and point of view are often suppressed In their limited roles as mothers wives daughters and sisters women are constructed as male dependent pawns intent on securing the status of their male counterparts The Biblical narrative highlights the contribution of women as reproductive agents and protectors of sons In this challenging collection of essays Fuchs focuses on type scenes as a way of

demonstrating the mechanisms by which the texts validates male power and superiority She also deconstructs the Biblical sexual politics by asking whose interest is being served by the good women of the Bible Journal for the Study of the Old Testament Supplement series Volume 310 **Politics, Gender, and the Arts** Ronald L. Dotterer, Susan Bowers, 1992

Defiant Daughters Kara Davis, Wendy Lee, 2013 When *The Sexual Politics of Meat: A Feminist Vegetarian Critical Theory* by Carol J Adams was published more than twenty years ago it caused a immediate stir among writers and thinkers feminists and animal rights activists alike Never before had the relationship between patriarchy and meat eating been drawn so clearly the idea that there lies a strong connection between the consumption of women and animals so plainly asserted But as the 21 personal stories in this anthology show the impact of this provocative text on women s lives continues to this day and it is as diverse as it is revelatory One writer attempts to reconcile her feminist vegan beliefs with her Muslim upbringing a second makes the connection between animal abuse and her own self destructive tendencies A new mother discusses the sexual politics of breastfeeding while another pens a letter to her young son about all she wishes for him in the future Many others recall how the book inspired them to start careers in the music business animal advocacy and food No matter whether they first read it in college or later in life whether they are in their late teens or early forties these writers all credit *The Sexual Politics of Meat* in some way with the awakening of their identities as feminists activists and women Even if you haven t read the original work you re sure to be moved and inspired by these tales of growing up and perhaps more important waking up to the truths around us Festivals as Reparative Gender Politics Zorica Siročić, 2023-08-18 What explains the popularity and widespread appeal of numerous post Yugoslav feminist and LGBTQ festivals in the last decade This book argues that the millennial generation expresses reparative politics as a distinct type of activism through festivals Reparative political acting as identified here characteristically relies on playfulness and creativity interpretative gender dissent acceptance of organizational and programmatic messiness and hybridity belonging and positive affect The reparative politics is vital in a context that is marked by an individual and collective trauma of heteropatriarchy violent breakdown of the common state and post transitional economic precarity The book uses excerpts from programs interviews and observations collected through the multi sited ethnographic research Siro i s focus on contemporary activism in Southeastern Europe challenges the narrow geopolitical understanding of the recent feminist politics and refutes the common assumptions of a passive millennial generation Yet the book s relevance surpasses its area of study as it argues against the popular deriding of activist expressions as the merely cultural or merely aesthetic engagement In contrast the book claims that such activities urge a redefined understanding of political agency *Festivals as Reparative Politics* demonstrates that contemporary feminist festivals represent a distinct reformulation of contentious politics of gender whose constitutive principles can be exemplary for other types of political engagements
