Arizona Ambush:

Arizona's Deadliest Gunfight Heidi J. Osselaer, 2018-05-03 On a cold winter morning Jeff Power was lighting a fire in his remote Arizona cabin when he heard a noise grabbed his rifle and walked out the front door Someone in the dark shouted Throw up your hands Shots rang out from inside and outside the cabin and when it was all over Jeff's sons Tom and John emerged to find the sheriff and his two deputies dead and their father mortally wounded Arizona's deadliest shoot out happened not in 1881 but in 1918 as the United States plunged into World War I and not in Tombstone but in a remote canyon in the Galiuro Mountains northeast of Tucson Whereas previous accounts have portrayed the gun battle as a quintessential western feud historian Heidi J Osselaer explodes that myth and demonstrates how the national debate over U S entry into the First World War divided society at its farthest edges creating the political and social climate that led to this tragedy A vivid thoroughly researched account Arizona's Deadliest Gunfight describes an impoverished family that wanted nothing to do with modern civilization Jeff Power had built his cabin miles from the nearest settlement yet he could not escape the federal government's expanding reach The Power men were far from violent criminals but Jeff had openly criticized the Great War and his sons had failed to register for the draft To separate fact from dozens of false leads and conspiracy theories Osselaer traced the Power family's roots back several generations interviewed descendants of the shoot out's participants and uncovered previously unknown records What happened to Tom and John Power afterward is as stirring and tragic a story as the gunfight itself Weaving together a family based local history with national themes of wartime social discord rural poverty and dissent Arizona's Deadliest Gunfight will be the authoritative account of the 1918 incident and the memorable events that unfolded in its wake

Nunnally, 2015-06-08 On June 3 1513 ships commanded by Juan Ponce de Leon were attacked by a group of Calusa Indians in one of the first hostile encounters recorded between Europeans and American Indians Over the next four centuries fundamental differences would cause these two disparate cultures to clash numerous times with untold loss of life and property From the 1500s through 1901 this comprehensive reference book details individual armed conflicts

between Native Americans and Europeans Chronologically arranged entries include information such as origin of the European party Indian tribe involved if known location of the skirmish and number of casualties The establishments of various forts are also given within the chronology An appendix provides a brief summary of related events after 1901

When Law Was in the Holster John Boessenecker, 2012-09-28 One of the great lawmen of the Old West Bob Paul 1830-1901 cast a giant shadow across the frontiers of California and Arizona Territory for nearly fifty years Today he is remembered mainly for his friendship with Wyatt Earp and his involvement in the stirring events surrounding the famous 1881 gunfight near the OK Corral in Tombstone Arizona This long overdue biography fills crucial gaps in Paul's story and recounts a life of almost constant adventure As told by veteran western historian John Boessenecker this story is more than just a western shoot em up and it reveals Paul to be far more than a blood and thunder gunfighter Beginning with Paul's boyhood adventures as a whaler in the South Pacific the author traces his journey to Gold Rush California where he served respectively as constable deputy sheriff and sheriff in Calaveras County and as Wells Fargo shotgun messenger and detective Then in the turbulent 1880s Paul became sheriff of Pima County Arizona and a railroad detective for the Southern Pacific In 1890 President Benjamin Harrison appointed him U.S. marshal of Arizona Territory Transcending local history Paul's story provides an inside look into the rough and tumble world of frontier politics electoral corruption Mexican U.S. relations border security vigilantism and western justice Moreover issues that were important in Paul's career illegal immigration smuggling on the Mexican border youth gangs racial discrimination ethnic violence and police minority relations are as relevant today as they were during his lifetime

Spurgeon,2005-03-01 The frontier and Western expansionism are so quintessentially a part of American history that the literature of the West and Southwest is in some senses the least regional and the most national literature of all The frontier the place where cultures meet and rewrite themselves upon each other's texts continues to energize writers whose fiction evokes destroys and rebuilds the myth in ways that attract popular audiences and critics alike Sara L Spurgeon focuses on three writers whose works not only exemplify the kind of engagement with the theme of the frontier that modern authors make but also show the range of cultural voices that are present in Southwestern literature Cormac McCarthy Leslie Marmon Silko and Ana Castillo Her central purposes are to consider how the differing versions of the Western mythic tales are being recast in a globalized world and to examine the ways in which they challenge and accommodate increasingly fluid and even dangerous racial cultural and international borders In Spurgeon's analysis the spaces in which the works of these three writers collide offer some sharply differentiated visions but also create new and unsuspected forms providing the most startling insights Sometimes beautiful sometimes tragic the new myths are the expressions of the larger culture from which they spring both a projection onto a troubled and troubling past and an insistent prophetic vision of a shared future **Vietnam War Slang** Tom Dalzell,2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson
