was unshaded by a single cloud Tresler was tired stiff and consumed by a sponge like thirst for he was unused to long hours in the saddle And he had found a dreary monotony in riding over the endless prairie lands of the West Now he found himself surrounded by an uncertain circle of wooden houses None of them suggested luxury but after the heaving rollers of grass land they suggested companionship and life And just now that was all the horseman cared about He surveyed each house in turn searching for a single human face And at last he beheld a window full of faces staring curiously at him from the far side of the circle It was enough Touching his jaded horse s flanks he rode over toward it Further life appeared now in the form of a small man who edged shyly round the angle of the building and stood gazing at him The stranger was a queer figure His face was as brown as the surface of a prairie trail and just as scored with ruts His long hair and flowing beard were the color of matured hay His dress was simple and in keeping with his face moleskin trousers worn and soiled a blue serge shirt a shabby black jacket and a fiery handkerchief about his neck while a battered prairie hat adorned the back of his head *Art of the Boot* Tyler Beard,2006 An incredible look at the artistry happening in boot manufacturing over the last twenty years With more than 25 000 copies sold in hardcover *Art of the Boot* is a must have guide to the artisans and manufacturers of America s classic footwear Its features excellent detail shots a guide to some of today s finest bootmakers a comprehensive resource guide and an excellent reference for designing your own pair of custom boots It is A glossy coffee table book for the true bootist **American Cowboy** ,2001-07 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West **Saddle and Western Gear Catalog, 1938** Victor M. Linoff,Visalia Stock Saddle Co,1999-01-01 Excellent reprint of rare 1938 catalog contains hundreds of illustrated items advertising everything from Bickmore s Gall Cure wool blankets and rawhide hackamores to Ding skirts saddle bags and angora chaps *The Search for Pedro's Story* Marian L.
