Around Bradford Pa Volume Ii:

Biblical Preaching and Teaching Volume 2 Dallas R. Burdette, 2010-02 One objective of this book is to set forth the heart of God's Gospel. This volume is composed of a compilation of sermons and in depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Since the Cross of Christ is pivotal to a proper understanding of Christianity, numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God's people. Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry, it also calls attention to Christian apologetics, that is, a defense of Christianity. Three chapters are devoted to this kind of study: 1. Christianity versus Skepticism, 2. Credibility and Candor of the New Testament Writers, and 3. Paul's Conversion. Apologetic for Christianity. Also, this book allocates three chapters to the subject of baptism and its meaning to God's children. And finally, four chapters are dedicated to a detailed study of worship within the Christian community. Dallas Burdette has been a serious student, teacher, and preacher of the Bible for fifty-eight years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals as well as many essays and sermons which are available on his website www.freedominchrist.net. He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University, formerly Southern Christian

University, where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree, 1999, from Erskine Theological Seminary. **Working Papers Volume II** Peterson Institute for International Economics, 2007.
