The Agrarian History of England and Wales Edward John T. Collins, Joan Thirsk, 2000. The unifying theme of this volume is the changing role of the countryside in national life and the impact upon it of the social and economic forces unleashed by industrialisation and the growth of towns.

Kingdom of the Silver Sea (Mars Sword and Planet Alternate History) Sawyer Grey, 2012-07-19. Book 2 of *The Age of Aether*. After years in exile on Earth, Jack Branham finally returned to Mars. Now agents of the Tharsis Company have abandoned him to die in the ruins of the ancient Martian city Odusar, while anarchists have kidnapped the beautiful Charlotte, the woman he loves. Jack must survive duels between mighty airships, attacks by Martian assassins, and the terrible dust storms that sweep across the face of the entire planet to follow their trail into the uncharted wilds of southern Mars. There, hidden inside a ring of lofty mountains, he discovers a lost civilization on the shores of the mysterious Silver Sea. In the magnificent city of Kor Vosheth, he must defeat a cabal of priests and princes to save the throne of the young queen who holds his only hope of resuming his quest or of dooming it forever.

The Age of Aether takes place in a universe where the social revolutions of the 18th Century never happened. Mighty airships fill the skies, while Cavorite-hulled aetherships ply the airless voids between the planets. From the torrid jungles of Venus to the frigid deserts of Mars, the British Empire has truly become the Empire on which the sun never sets. The crowned heads of Europe share power with the immensely wealthy chartered companies created to exploit the wealth of the Solar System, while anarchist and republican terrorists try to stir up revolution in the colonial territories. Political activists and dissidents are shipped offworld to work alongside criminal transportees in the company towns of Mars and Venus. The Empires of Mexico and Brazil dominate the Americas, while Japan is a rising force in the East, and from the deep fastness of Nix Olympica, the Martian High Emperor reigns over the remnants of his slowly dying planet.

A History of English Place Names and Where They Came From John Moss, 2020-05-30. The origin of the names of many English towns, hamlets, and villages date as far back as Saxon times, when kings like Alfred the Great established fortified borough towns to defend against the Danes. A number of settlements were established and named by French Normans following the Conquest. Many are even older and are derived from Roman placenames. Some hark back to

the Vikings who invaded our shores and established settlements in the eighth and ninth centuries Most began as simple descriptions of the location some identified its founder marked territorial limits or gave tribal people a sense of their place in the grand scheme of things Whatever their derivation placenames are inextricably bound up in our history and they tell us a great deal about the place where we live Churchill: Historical Books, Memoirs, Essays, Speeches & Letters Winston Churchill,2023-12-25 In Churchill Historical Books Memoirs Essays Speeches Letters Winston Churchill offers an immersive exploration into the heart of 20th century history revealing insights from his multifaceted career as a statesman military leader and orator The collection deftly intertwines personal memoirs with grand historical narratives delivering a narrative marked by Churchill s characteristic eloquence and wit Through his essays and speeches the reader gains not only a portrait of a resolute leader but also a vivid account of pivotal moments that shaped modern history reflecting the turbulent times of both World Wars and the interwar period Winston Churchill a descendant of the aristocratic Spencer Churchill family was shaped by a legacy of political and military service His experiences as a war correspondent and his intimate involvement in global politics furnish him with a unique perspective that breathes life into his writing His profound understanding of strategy and human resilience resonates throughout the collection elucidating why he became one of history s most renowned leaders This compendium is recommended for scholars and casual readers alike as it encapsulates the depth of Churchill s thoughts and his indomitable spirit Delving into this extensive body of work provides invaluable insight into the man who stood resolute in the face of adversity and remains a towering figure in history Hidden History of Grand Rapids Matthew A. Ellis,2023-01-02 Recovering the past of Furniture City More than two centuries of overlooked history flow through Grand Rapids like the river for which it is named The first city surveyor dabbled in seances while platting out neighborhoods and streets When a river dredging project left a mountain of stone tormenting residents the ordeal pitted them against city leaders Humane society agents uncovered horrendous conditions at the city pound and successfully brought about reform and much better conditions for the animals Grand Rapids native and city archivist Matthew A Ellis delves into the layout of streets the manufacture of materials used to build the city local food trends and more *Hidden History of Northeast Ohio* Mark Strecker,2021 Northeast Ohio is awash with nearly forgotten historical events In 1780 American scout Captain Samuel Brady leaped across the Cuyahoga River where Kent now stands to evade a party of Native Americans aiming to take his scalp During the Civil War Confederates tried to free their compatriots from the Johnson s Island prisoner of war camp by capturing two ferries and attempting to poison the crew of the Union s only gunboat in Lake Erie The town of Kirtland was briefly the national headquarters of the Mormons and the location of one of the Church of Latter day Saints most revered temples Mark Strecker has unearthed a hidden gem of local history for each of Northeast Ohio s twenty two counties A Legacy of Art Carol Lowrey,2007 For more than a century a Gilded Age mansion on the south side of New York City s Gramercy Park has been home to the National Arts Club NAC its magnificent interior a refuge

from hectic city life In this special catalog Lowrey curator of the club s permanent collection documents selected works by Artist Life Members artists who were given lifetime memberships in the club in exchange for one of their works the program ended in 1950 with the advent of the abstract expressionists The father of well known American sculptor Alexander Calder Alexander Stirling Calder was an Artist Life Member and his sculpture of the painter George Bellows is among the many artworks included here Also featured are an A to Z listing of Artist Life Members and a brief history of the NAC The catalog section includes full color reproductions and descriptions of the artworks as well as brief biographies of the artist Many members works show European influences particularly impressionism and the Barbizon school while others are distinctly American as in the Ash Can school A fine and fitting tribute to the NAC legacy that will be of interest to club academic and large public libraries 75 colour 175 b w illustrations
