Art And History Images Their Meaning:

Understanding the History of Ancient Israel H. G. M. Williamson, 2007-10-25 In popular presentation some treat the Bible as a reliable source for the history of Israel while others suggest that archaeology has shown that it cannot be trusted at all This volume debates the issue of how such widely divergent views have arisen and will become an essential source of reference for the future

Heroines, Harpies, and Housewives Martha Moffitt Peacock, 2020-11-16 Co Honorable Mention for the 2021 Book Award by the Society for the Study of Early Modern Women and Gender SSEMWG In *Heroines Harpies and Housewives* Martha Moffitt Peacock provides a novel interpretive approach to the artistic practice of Imaging Women of Consequence in the Dutch Golden Age From the beginnings of the new Republic visual celebrations of famous heroines who crossed gender boundaries by fighting in the Revolt against Spain or by distinguishing themselves in arts and letters became an essential and significant cultural tradition that reverberated throughout the long seventeenth century This collective memory of consequential heroines who equaled or outshone men is frequently reflected in empowering representations of other female archetypes authoritative harpies and noble housewives Such enabling imagery helped in the structuring of gender norms that positively advanced a powerful female identity in Dutch society

Research Methods for History Simon Gunn, 2011-11-30 Providing a lively critical survey of methods for historical research at all levels this textbook covers well established sources and methods together with those that are less widely known It reflects current theoretical and technical approaches to history

The Sacred Gaze David Morgan, 2023-09-01 Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in a variety of religious traditions His lively innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social intellectual and perceptual construction of reality Ranging widely from thirteenth century Japan and eighteenth century Tibet to contemporary America Thailand and Africa *The Sacred Gaze* discusses the religious functions of images and the tools viewers use to interpret them Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture An intriguing strand of the narrative details how images have helped to shape popular conceptions of gender and masculinity The opening chapter considers definitions of visual culture and how these relate to the traditional practice of art history Amply illustrated with more than seventy images from diverse religious traditions this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time communicate with the transcendent and embody forms of communion with the divine *The Sacred Gaze* is a vital introduction to the study of the visual culture of religions Sacred gaze denotes any way of seeing that invests its object an image a person a time a place with spiritual significance Drawing from many different fields David Morgan investigates key aspects of vision and imagery in

a variety of religious trad *Iconography of Power* Victoria E. Bonnell,1997 This study of the Soviet political posters issued between 1918 and 1953 describes the archetypal images they featured such as the worker the peasant woman the enemy and the leader It analyzes these Bolshevik icons and explains how they defined the popular outlook in Soviet Russia Sol: Image and Meaning of the Sun in Roman Art and Religion, Volume I Steven E. Hijmans,2024-04-02 With this analysis of Sol images Steven E Hijmans paints a new picture of the solar cult in ancient Rome The paucity of literary evidence led Hijmans to prioritize visual sources and he opens this study with a thorough discussion of the theoretical and methodological issues involved Emphasizing the danger of facile equivalencies between visual and verbal meanings his primary focus is Roman praxis manifest in for instance the strict patterning of Sol imagery These patterns encode core concepts that Sol imagery evoked when deployed and in those concepts we recognize the bedrock of Rome s understandings of the sun and his cult Case studies illustrate these concepts in action and the final chapter analyzes the historical context in which previous now discredited views on Sol could arise This is part I of a two part set The Social Life of Art Peter Stupples,Jane Venis,2014-11-10 This study examines not only the objects and processes that make up the artworlds of human history but also the social and cultural circumstances the historicised contexts that bring about their making frame their functioning inform their properties and influence their effects both at the time of their creation and throughout their subsequent biographies In the short span that art has played a part in human life one may conceive of time as a social river with a strong current towards the capricious mainstream and eddies and quiet pools near the banks The current will flow faster in spate and slower in drought But it will be forever in motion It will be unpredictable Nothing will stop its inexorable force Art runs in that social river subject to the flow and chance of time **Seeing Comics through Art History** Maggie Gray,Ian Horton,2022-06-17 This book explores what the methodologies of Art History might offer Comics Studies in terms of addressing overlooked aspects of aesthetics form materiality perception and visual style As well as considering what Art History proposes of comic scholarship including the questioning of some of its deep rooted categories and procedures it also appraises what comics and Comics Studies afford and ask of Art History This book draws together the work of international scholars applying art historical methodologies to the study of a range of comic strips books cartoons graphic novels and manga who as well as being researchers are also educators artists designers curators producers librarians editors and writers with some undertaking practice based research Many are trained art historians but others come from have migrated into or straddle other disciplines such as Comparative Literature American Literature Cultural Studies Visual Studies and a range of subjects within Art Design practice Arts of Power Randolph Starn,Loren Partridge,2023-12-22 Jacob Burckhardt claimed that the state in Renaissance Italy became a work of art In this book the authors illuminate the corollary that art in Italy became a work of state They study centres of power under three distinctive governments a civic republic of the 14th century a princely court of the 15th and an absolutist state of the 16th The authors argue that no less than armies laws and

taxes painted halls of state were strategic instruments tactical weapons and technical machines of government Jacob Burckhardt claimed that the state in Renaissance Italy became a work of art In this book the authors illuminate the corollary that art in Italy became a work of state They study centres of power under three distinctive governments a civic republic **The Art of Art History** Donald Preziosi, 2009 This anthology is a guide to understanding art history through critical reading of the field's most innovative and influential texts focusing on the past two centuries **The Routledge Companion to Digital Humanities and Art History** Kathryn Brown, 2020-04-15 The Routledge Companion to Digital Humanities and Art History offers a broad survey of cutting edge intersections between digital technologies and the study of art history museum practices and cultural heritage The volume focuses not only on new computational tools that have been developed for the study of artworks and their histories but also debates the disciplinary opportunities and challenges that have emerged in response to the use of digital resources and methodologies Chapters cover a wide range of technical and conceptual themes that define the current state of the field and outline strategies for future development This book offers a timely perspective on trans disciplinary developments that are reshaping art historical research conservation and teaching This book will be of interest to scholars in art history historical theory method and historiography and research methods in education **Art and history** Robert I. Rotberg, 1988 *Principles of Art History Writing* David Carrier, 1991 Principles of Art History Writing traces the changes in the way in which writers about art represent the same works These differ in such deep ways as to raise the question of whether those at the beginning of the process even saw the same things as those at the end did Carrier uses four case studies to identify and explain changing styles of restoration and the history of interpretation of selected works by Piero Caravaggio and van Eyck Back cover *Handbook of Medieval Studies* Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together *A New History of Western Art* Koenraad Jonckheere, 2022-10-15 A radical re examination of 2 500 years of European art deconstructing and demystifying its long history from ancient to present How has art evolved from the pursuit of the ideal human form to a black square on a white canvas Why is a banana duct taped to a wall worth more on the art market than a beautiful seventeenth century landscape By

taking art for what it actually is a piece of stone or wood a sheet of paper with some lines drawn on it a painted canvas this lively and accessible account shows how seemingly meaningless objects can be transformed into celebrated works of art Breaking with conventional notions of artistic genius Koenraad Jonckheere explores how stories and emotions give meaning to objects and why changing historical circumstances result in such shifting opinions over time Tracing its story from ancient times to present A New History of Western Art reframes the evolution of European art and radically reshapes our understanding of art history Published in association with Hannibal Books **Art History, After Sherrie Levine** Howard Singerman, Sherrie Levine, 2012 For this in depth examination of artist Sherrie Levine Howard Singerman surveys a broad range of sources to assess an artist whose work was understood from the outset to oppose the values of the art world in the 1980s but who by the end of the decade was exhibiting in some of the most successful commercial galleries in New York

History of Art Horst Woldemar Janson, Anthony F. Janson, 2004 For forty years this widely acclaimed classic has remained unsurpassed as an introduction to art in the Western world boasting the matchless credibility of the Janson name This newest update features a more contemporary more colorful design and vast array of extraordinarily produced illustrations that have become the Janson hallmark A narrative voice makes this book a truly enjoyable read and carefully reviewed and revised updates to this edition offer the utmost clarity in contributions based on recent scholarship Extensive captions for the book's incredible art program offer profound insight through the eyes of twentieth century art historians speaking about specific pieces of art featured throughout Significantly changed in this edition is the chapter on The Late Renaissance in which Janson offers a new perspective on the subject tracing in detail the religious art tied to the Catholic Reform movement whose early history is little known to many readers of art history Janson has also rearranged early Renaissance art according to genres instead of time sequence and he has followed the reinterpretation of Etruscan art begun in recent years by German and English art historians With a truly humanist approach this book gives written and visual meaning to the captivating story of what artists have tried to express and why for more than 30 000 years **African Art in Motion** Robert Farris Thompson, 1979-01-01 **History in Practice** Ludmilla Jordanova, 2019-08-22 Exploring the breadth and complexities of history as a field of study History in Practice demystifies what historians actually do and the tasks they take on This study written by one of the most acute practitioners in the field examines not only the academic discipline but also engages with the use of historical ideas in the wider world The new edition features A new chapter on history in the digital age covering the use of information technology in historical practice Extended coverage of the relationships between history and other disciplines Fresh material on current trends in the practice of history Over 35 new illustrations spread throughout the book drawn from around the world This book is essential reading for all students seeking an understanding of history as a discipline **The Poetics of Visuality** Justin J. White , 2024-11-14 Justin J White explores the nature of images in ancient Israel through a reconceptualization of the relationship between image and text He proposes that in ancient Israel

texts evoked images as a core part of their rhetoric Rather than conceptualizing texts and images as ontologically or functionally distinct media he argues that both media are mixed media even while neither medium is reducible to the other In order to make this argument he focuses on the visual aspects of textual rhetoric what he terms the poetics of visuality He builds his argument across three text specific axes of visual rhetoric ekphrasis the visual imagination and material agency He makes the claim that each of these three axes are endemic to Israelite literature and mutually contribute to the formation of a robust ontology of visual representation in ancient Israel
