Another E E Cummings:

AnOther E.E. Cummings E. E. Cummings, Richard Kostelanetz, 2013-09-30 An eye opening selection of Cummings's more avant garde poetry and prose As a poet Cummings was a pioneer not only in linguistic and typographic inventions but also in sound and concrete poetry But his prose is no less experimental he wrote memoirs essays and fiction that are constantly provocative and often radically experimental To read the avant garde Cummings is to read a writer who consistently broke with established norms never to rest and never to have only to grow To not read the avant garde Cummings is to not read Cummings **AnOther E.E. Cummings** E. E. Cummings, 1999-12-17 As a poet Cummings was a pioneer His prose is no less experimental he wrote memoirs essays and fiction that are provocative and often radically experimental E. E. Cummings

Harold Bloom, 2009 A comprehensive research and study guide to five of the poems of E E Cummings **E.E. Cummings** Catherine Reef, 2006 A look into the life and poetry of E E Cummings From source other than the Library of Congress

Hist Whist: And Other Poems for Children E. E. Cummings, 1983-11-17 Now children can claim for their very own the puddle wonderful mudluscious world where buds know better than books don't grow where little itchy mousies with scuttling eyes rustle and run and hidehidehide and the ree ray rye roh rowster shouts rawrOO Cummings's poetry more than that of any other major American poet keeps faith with childhood These twenty poems were selected by him and published privately in 1962 *Hist Whist* combines the original twenty *poemes enfantins* with the first appearance of the beautiful and evocative line drawings of the young California artist David Calsada His sensitive pen has captured the spirit of Cummings's poems in its detailed rendering of a world that only poets and children can see **A Dictionary of the Avant-Gardes**, 2013-05-13 A

The Cambridge Companion to American Literature of the 1930s William Solomon, 2018-09-20 Offers a timely introduction to the intersection of radical politics and American literature in the period of the Great Depression **Cannibal Translation** Isabel C. Gómez, 2023-05-15 Winner of the 2024 ACLA Harry Levin Prize A bold comparative study illustrating the creative potential of translations that embrace mutuality and resist assimilation Cannibal translators digest recombine transform and trouble their source materials Isabel C G mez makes the case for this model of literary production by excavating a network of translation projects in Latin America that includes canonical writers of the twentieth century such as Haroldo and Augusto de Campos Rosario Castellanos Clarice Lispector Jos Emilio Pacheco Octavio Paz and ngel Rama

Building on the avant garde reclaiming of cannibalism as an Indigenous practice meant to honorably incorporate the other into the self these authors took up Brazilian theories of translation in Spanish to fashion a distinctly Latin American literary exchange one that rejected normative and Anglocentric approaches to translation and developed collaborative techniques to bring about a new understanding of world literature By shedding new light on the political and aesthetic pathways of translation movements beyond the Global North G mez offers an alternative conception of the theoretical and ethical challenges posed by this artistic practice Cannibal Translation Literary Reciprocity in Contemporary Latin America mobilizes a capacious archive of personal letters publishers records newspapers and new media to illuminate inventive strategies of collectivity and process such as untranslation transcreation intersectional autobiographical translation and transpeaking The book invites readers to find fresh meaning in other translational histories and question the practices that mediate literary circulation

Transpoetic Exchange Marília Librandi,Marília Librandi Rocha,Jamille Pinheiro Dias,Tom Winterbottom,2020-06-12 Transpoetic Exchange illuminates the poetic interactions between Octavio Paz 1914 1998 and Haroldo de Campos 1929 2003 from three perspectives comparative theoretical and performative The poem Blanco by Octavio Paz written when he was Ambassador to India in 1966 and Haroldo de Campos translation or what he calls a transcreation of that poem published as Transblanco in 1986 as well as Campos Gal xias written from 1963 to 1976 are the main axes around which the book is organized Paz and Campos one from Mexico and the other from Brazil were central figures in the literary history of the second half of the 20th century in Latin America and beyond Both poets signal the direction of poetry as that of translation understood as the embodiment of otherness and of a poetic tradition that every new poem brings back as a Babel re enacted This volume is a print corollary to and expansion of an international colloquium and poetic performance held at Stanford University in January 2010 and it offers a discussion of the role of poetry and translation from a global perspective The collection holds great value for those interested in all aspects of literary translation and it enriches the ongoing debates on language modernity translation and the nature of the poetic object
