Another Frank Capra:

Another Frank Capra Leland Poague, 1994 Another Frank Capra offers a new interpretation of the great Hollywood director beyond the patriotic sentimentalist or the cynical opportunist that he has been taken for Often cast as a cinematic simpleton or primitive Capra's exploitation of the stylistic and narrative resources of cinema was in fact extremely self-conscious and adventurous in ways typical of artistic modernism His modernism is also evident in his repeated and strong identification with female characters Informed by recent work in genre theory and feminist psychology Another Frank Capra shows Capra to be a proto feminist director whose feminism has been entirely neglected by previous critics **In Capra's Shadow** Ian Scott, 2014-10-17 Because screenwriter Robert Riskin spent most of his career collaborating with legendary Hollywood director Frank Capra Riskin's own unique contributions to film have been largely overshadowed With five Academy Award nominations to his credit for the monumental films *Lady for a Day* *Mr Deeds Goes to Town* *You Can't Take It with You* *Here Comes the Groom* and *It Happened One Night* for which he won the Oscar Riskin is often imitated but rarely equaled In Capra's *Shadow* The Life and Career of Screenwriter Robert Riskin is the first detailed critical examination of the Hollywood pioneer's life and work In addition to being one of the great screenwriters of the classic Hollywood era Riskin was also a producer and director founding his own film company and playing a crucial role in the foundation of the Screen Writers Guild During World War II Riskin was one of the major forces behind propaganda filmmaking He worked in the Office of War Information and oversaw the distribution and later production of films and documentaries in foreign theaters He was interested in showing the rest of the world more than just an idealized version of America he looked for films that emphasized the spiritual and cultural vibrancy within the U.S. making charity, faith, and generosity of spirit his propaganda tools His efforts also laid the groundwork for a system of distribution channels that would result in the dominance of American cinema in Europe in the postwar years Riskin's postwar work included his production of the 1947 film *Magic Town* the tale of a marketing executive who discovers the perfect American small town and uses it for polling What Riskin created onscreen is not simply a community stuck in an antiquarian past rather the town of Grandview observes its own traditions while at the same time confronting the possibilities of the modern world and the challenges of postwar America Author Ian Scott provides a unique perspective on Riskin and the ways in which his brilliant pithy style was realized in Capra's enduring films Riskin's impact on cinema extended far beyond these films as he helped spread Hollywood cinema abroad and articulated his vision of a changing America [Fifty Hollywood Directors](#) Suzanne Leonard, Yvonne Tasker, 2014-11-20 *Fifty Hollywood Directors* introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster By exploring the historical, cultural, and technological contexts in which each director was working this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights Each entry discusses a director's practices and body of work and features a brief

biography and suggestions for further reading Entries include Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history Hollywood and the development of the role of the director *Hollywood Renaissance* Sam B. Girgus,1998-08-13 A study of how films from the late 1930s to the early 60s portrayed the American ideal *The Capra Touch* Matthew C. Gunter,2011-12-01 During World War II Academy Award winning director Frank Capra 1897 1991 made propaganda films for the U S Government such as Prelude to War The Nazis Strike The Battle of Britain War Comes to America and The Negro Soldier These entries in the Why We Fight documentary series have been largely neglected by Capra scholars This work analyzes the cinematic and thematic techniques Capra employed in these films linking them to the techniques and ideology of the director s popular mainstream narrative films including It Happened One Night Mr Deeds Goes to Town and Mr Smith Goes to Washington Also analyzed are the manners in which Frank Capra s war service affected his later films notably his 1946 masterpiece It s a Wonderful Life and how Capra s belief in individual liberty shaped both his films and his career under the oppressive Hollywood studio system **Hollywood's White House** Peter C. Rollins,John E. O'Connor,2005-02-01 From action flicks to biopics to SNL skits how presidents are portrayed on screen An interesting study of the real presidency and the reel presidency USA Today Magazine Winner of the Popular Culture Association s Ray and Pat Browne Book Award Whether serious or satirical biographical or fictional the ways that US presidents are depicted in popular culture reveal much about us as a nation The contributors to Hollywood s White House examine the historical accuracy of presidential depictions illuminate their influence and uncover how they reflect the concerns of their times and the social and political visions of the filmmakers With reflections on portrayals of Washington Adams Lincoln FDR Nixon and more this volume which includes a comprehensive filmography and a bibliography is ideal for both historians and film enthusiasts An engaging collection Robert Brent Toplin author of Reel History In Defense of Hollywood *An Archaeology of Sympathy* James Chandler,2024-05-31 In the middle of the eighteenth century something new made itself felt in European culture a tone or style that came to be called the sentimental The sentimental mode went on to shape not just literature art music and cinema but people s very structures of feeling their ways of doing and being In what is sure to become a critical classic An Archaeology of Sympathy challenges Sergei Eisenstein s influential account of Dickens and early American film by tracing the unexpected history and intricate strategies of the sentimental mode and showing how it has been reimagined over the past three centuries James Chandler begins with a look at Frank Capra and the Capraesque in American public life then digs back to the eighteenth century to examine the sentimental substratum underlying Dickens and early cinema alike With this surprising move he reveals how literary spectatorship in the eighteenth century anticipated classic Hollywood films such as Capra s It Happened One Night Mr Deeds Goes to Town and It s a Wonderful Life Chandler then moves forward to romanticism and modernism two cultural movements often seen as defined by their rejection of the sentimental examining how authors like Mary Shelley

Joseph Conrad James Joyce and Virginia Woolf actually engaged with sentimental forms and themes in ways that left a mark on their work Reaching from Laurence Sterne to the Coen brothers An Archaeology of Sympathy casts new light on the long eighteenth century and the novelistic forebears of cinema and our modern world Frank Capra's Eastern Horizons Elizabeth Rawitsch, 2014-10-16 Frank Capra has long had a reputation as being the quintessential American director the man who perfectly captured the identity and core values of the United States with a string of classic films in the 1930s and 40s including It Happened One Night Mr Smith Goes to Washington and It s a Wonderful Life However as Elizabeth Rawitsch argues Capra s construction of national identity did not occur within an exclusively national context She points out that many of his films are actually set in or include sequences set in China Latin America the Philippines and the South Seas Featuring in depth textual analysis supported by original archival research Frank Capra s Eastern Horizons explains that Capra s view of what constituted America changed over time extending its boundaries to embrace countries often far from the United States Complicating Edward Said s theory of Orientalism as a strict binary in which the West constructs the East as an inferior other it demonstrates that East and West often intermingle in films such as The Bitter Tea of General Yen and in Capra s orientation documentaries for World War II American servicemen Capra imagined a kind of global community albeit one with heavy undertones of British and American imperialism Investigating shifts in what Capra s America has meant over time both to Capra and to those who have watched and studied his films this innovative book offers a startlingly fresh perspective on one of the most iconic figures in American film history *Robert Riskin* Ian Scott, 2021-12-07 Because screenwriter Robert Riskin 1897 1955 spent most of his career collaborating with legendary Hollywood director Frank Capra his own unique contributions to film have been largely overshadowed With five Academy Award nominations to his credit for the monumental films Lady for a Day Mr Deeds Goes to Town You Can t Take It with You Here Comes the Groom and It Happened One Night for which he won an Oscar Riskin is often imitated but rarely equaled Robert Riskin The Life and Times of a Hollywood Screenwriter is the first detailed critical examination of the Hollywood pioneer s life and work In addition to being one of the great screenwriters of the classic Hollywood era Riskin was also a producer and director founding his own film company and playing a crucial role in the foundation of the Screen Writers Guild During World War II Riskin was one of the major forces behind propaganda filmmaking He worked in the Office of War Information and oversaw the distribution and later production of films and documentaries in foreign theaters He was interested in showing the rest of the world more than just an idealized version of America he looked for films that emphasized the spiritual and cultural vibrancy within the United States making charity faith and generosity of spirit his propaganda tools His efforts also laid the groundwork for a system of distribution channels that would result in the dominance of American cinema in Europe in the postwar years Author Ian Scott provides a unique perspective on Riskin and the ways in which his brilliant pithy style was realized in Capra s enduring films Riskin s impact on cinema extended far beyond these films as he articulated his vision of a changing America and helped

of thirty definitions attributed to the word term phrase and concept of documentary between the years 1895 and 1959 The book dedicates one chapter to each of the thirty definitions scrutinizing their idiosyncratic language games from close range while focusing on their historical roots and concealed philosophical sources of inspiration Dan Geva s principal argument is

twofold first that each definition is an original ethical premise of documentary and second that only the structured assemblage of the entire set of definitions successfully depicts the true ethical nature of documentary insofar as we agree to consider its philosophical history as a reflective object of thought in a perpetual state of being self defined an ethics sui generis

Pre-Code Hollywood Thomas Doherty, 1999-08-27 Pre Code Hollywood explores the fascinating period in American motion picture history from 1930 to 1934 when the commandments of the Production Code Administration were violated with impunity in a series of wildly unconventional films a time when censorship was lax and Hollywood made the most of it Though more unbridled salacious subversive and just plain bizarre than what came afterwards the films of the period do indeed have the look of Hollywood cinema but the moral terrain is so off kilter that they seem imported from a parallel universe In a sense Doherty avers the films of pre Code Hollywood are from another universe They lay bare what Hollywood under the Production Code attempted to cover up and push offscreen sexual liaisons unsanctified by the laws of God or man marriage ridiculed and redefined ethnic lines crossed and racial barriers ignored economic injustice exposed and political corruption assumed vice unpunished and virtue unrewarded in sum pretty much the raw stuff of American culture unvarnished and unveiled No other book has yet sought to interpret the films and film related meanings of the pre Code era what defined the period why it ended and what its relationship was to the country as a whole during the darkest years of the Great Depression and afterward
