Another Look at the Rapture Roy Hicks, 1982-05 **A Second Look at the Second Coming** T. L. Frazier, 2005-05-25
Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days *Take Another Look* David Hulse D D, David Hulse, 2010-04 If you are in the process of re examining old childhood beliefs and have realized there has to be a more excellent way this book is for you With this in mind I invite you to Take Another Look at some of the most important tenants of fundamental Judeo Christian dogma We will explore these basic ideas from the cultural context in which they were experienced and written as well as the influences of the translators This will take us from a fear based message to the Gospel or good news with a love based premise In this day there are several versions of the Bible I suggest choosing the version which best suits your understanding of language II Timothy 2 15 says Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth The study presented in this book is based on the Thompson Chain Reference Bible Strong s Exhaustive Concordance of the Bible the guidance of the inner teacher the Holy Spirit and spiritual common sense The result has challenged much of the second handed information that has been passed down through Christian patriarchy This scripture also mentions rightly dividing the word of truth To do this we need to discern which scriptures are inspired by God and which scriptures contain man s perceptions and hidden political and cultural agenda s I ask that you listen to your own inner Christ intelligence which is able to lead you into all truth rather than listening to the feeble attempts of men s voices on the paths that seem right who are only plunging us into the depths of unanswered questions ever learning but never able to come to the knowledge of the truth A Closer Look O. Kelley, 2020-01-14 About 20 years ago when I started taking my walk very seriously having realized the gravity of the situation I was bothered by the fact that so many different doctrines dogmas or views were being taught or preached from One Book The HOLY BIBLE It seemed to me that One Book The inerrant word of God should have only one message It seemed obvious that many views had to be in error And that s what started me on this quest to find out for myself which views were right and which were wrong I became in effect a Berean one who makes sure by studying scripture that what is being preached is true or not Of course there are several other views out there deserving of a closer look but if you have any doubts about what is being preached in your church do what I did Take your own closer look Traversing the Last Days Tim Faulkner, 2012 This book is intended to present a fresh perspective on Biblical Prophecy from a slightly different angle Sometimes clarity can come from a most unlikely direction The Bible is the most amazing book because it is the primary source for knowing and understanding God s will and plans from the past and for the present and future We are living in a world of incredible rapid change and many Christians and Non Christians alike are looking for clarity and understanding about the second coming of Jesus Christ This book will help you sort out some of the

details challenge you to seek God's will help you interpret the times and see God at work in this very day At the very heart of this effort is hope the hope that we find in a personal relationship with Jesus that comes from knowing and participating in God's plans and the hope that a brighter day is coming to a world that can often seem hopeless Christians are called to be ready alert and aware of the signs that will help us to know when Jesus will return to earth If there was ever a time to get our bearings it is now

Bible Prophecy Under Siege Ron Rhodes,2024-02-13 Understanding and Answering False Claims about Prophecy Many people today cast doubt on the promises God gives his church in Bible prophecy as predicted by Scripture itself Scoffers will come in the last days with scoffing following their own sinful desires They will say Where is the promise of his coming 2 Peter 3 3 4 Bible Prophecy Under Siege provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints and you will learn the ways Bible prophecy is under siege and how to respond to false claims biblically gain helpful historical insights about the rapture and other prophetic issues be emboldened to hold firmly to prophetic biblical truth during trying times be encouraged to live with conviction rooted in God's Word With a perspective grounded in the Bible you will be equipped to discern flawed views on prophecy rest secure in immovable truth and grow in anticipation of the day when Christ will make all things new

Commentary Charles C. Ryrie, 1996-04-05 Not to mystify but to clarify According to Dr Charles C Ryrie the book of Revelation was not designed to confuse or mystify its readers but to enlighten them about future events Revelation the only major prophetic book in the New Testament was written by the apostle John while in exile on the island of Patmos John was commanded by God not to seal the book 22:10 and those who read it are promised a special blessing 1:3 Apparently therefore the book was expected to be intelligible and helpful to those who read it This refreshing concise new edition with helpful charts and graphs is written especially for those who want to understand what lies ahead in God's plan Dr Ryrie's careful attention to detail and understandable explanations will not only help to clear some of the mystery surrounding the book of Revelation but heighten your confidence that God's victory over Satan death and sin is only a matter of time Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near Revelation 1:3 NIV **Questions About the End Times** S. Michael Houdmann Houdmann, 2015-06-19

Wars and rumors of wars blood moons natural disasters the onslaught of terrorism spreading heresies the news is filled with reports of such things But which of them are truly signs of the times according to biblical prophecy God says I make known the end from the beginning from ancient times what is still to come Isaiah 46:10 The One who knows the future has revealed much about it in His Word the Bible This book contains one hundred questions concerning the end times answered from a biblical perspective How can I understand the book of Revelation What is Israel's role What is the rapture Should I be worried about 666 Are we living in the end times We don't have all the details of what will happen but this book will point you consistently to the Bible for answers The student of Scripture should have an advantage when it comes to prophecy You brothers and sisters are not in darkness so that this day should surprise you like a thief 1 Thessalonians 5:4 Eschatology is a fascinating and beneficial study Following current events is sometimes like watching pieces of a puzzle fall into place We know God's purposes will stand and what He has decreed will come to pass [The Ministry, Vol. 12, No. 07](#) Various Authors, 2008-07-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2008 summer training on the Crystallization study of the Gospel of Luke held June 30 July 5 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in the following two sets of statements The highest standard of morality is the living of the Lord Jesus as the Man Savior whose life was a composition of God with the divine attributes and man with the human virtues to be the basic factor for His dynamic salvation The Man Savior's God-man living constituted a prototype for the reproduction of the God-man in the believers who are reborn of the pneumatic Christ in their

spirit and transformed by the pneumatic Christ in their soul In order to be one with the Man Savior in His God man living we need to sit at His feet and listen to His word so that we may be infused with His life for the expression of God and with His desire for our service to God unto the building of God By praying ourselves into God we are empowered in Christ to repudiate ourselves renounce our material possessions and follow the Man Savior so that we may live in the reality of the economy of God to become rich toward God for the kingdom of God We need to be today s ministers and witnesses by living and proclaiming the gospel Christ as the jubilee of grace for the accomplishing of God s eternal economy If we lose our soul life in this age and do not preserve it by lingering in the earthly and material things we may participate in the rapture of the overcomers and stand before the Son of Man on Mount Zion These messages are being published immediately following the training in order that they may benefit the saints who are participating in the many video trainings that are held throughout the earth

The Big Story: According To The Bible Jon Lessor,2023-09-21 Are you ready for the End of the World World War 3 and the Antichrist The future has been written Everything has been foretold There are no secrets Learn what your future has in store for you today Learn about 1 Who is the Antichrist 2 Who is the Whore of Babylon hint it s not Rome 3 When will World War 3 start 4 And much much more There are many stories in the Bible that teach a spiritual lesson However there is one big story that needs to be taught that starts with the Book of Genesis and ends with the Book of Revelation This story is about the fall and restoration of God s creation on earth It describes why we are where we are today and what the future has in store for us The Big Story focuses on future prophecies Those prophecies which are found in the Book of Revelation Revelation is a prophetic book based on the end times As the Revelation of Jesus Christ this book is sometimes called the Apocalypse which in Greek means a revelation uncovering or unveiling of that which is hidden There are many prophecies in Revelation that are symbolic but are still meant to be taken literally Just like the prophecies in the Old Testament were to be taken literally As we have seen from the fulfilled prophecies in the Old Testament nothing has failed to be fulfilled in time So we can believe with confidence that the scriptures that foretell the future will eventually happen to the very second of God s plan The Big Story is a journey from the Fall of Man to the End of the World and everything that will happen in between This book has been written to make the average reader see and grip the truth There is no speculative matter nor opinions of the writer

THE APPROACHING APOCALYPSE: What You Should Know About the End Time and the Return of Christ Robert I. Adams,2018-12-12 A profoundly decisive change in world history is on the horizon a transition from governance under fallen man to a government from God Himself Jesus Christ is going to return and reign over the world with perfect justice Prophecies in the Bible tell us that due to the rebellion of man against his Maker the time leading up to the second coming of Christ will be intense In this book you will find answers to these questions What will the last days be like What will happen when Jesus returns What is the rapture and when will it occur How can I prepare for what is coming

More Paul Boyer,1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture **The**
Appointed Time Zachary D. Ball,2023-04-04 The book of Daniel is a difficult study for even the eager Bible student but its importance to the evangelical church is indisputable especially regarding eschatology Many times its content is randomly selected to formulate man made narratives about the end times that create confusion and misinformation in the church How to read Daniel is essential for understanding its theological power especially its predictive prophecy This project will demonstrate its past fulfillments its influence on Jesus first century attempts to save Israel and how it has been manipulated to assert false eschatological predictions Understanding Daniel s appointed time is crucial to its message
