Second Edition* Gowler, David B., 2021 Much has changed in the more than two decades since the first edition of this book appeared Parable scholarship continues to be a dynamic area of New Testament research and a number of important studies were published and significant developments have occurred during those years Jesus's parables these simple but profound stories continue to challenge us and even after many readings continue to reveal new insights **Preaching the Parables** Geoff New, Wilfredo Weigandt, Paul Windsor, Esteban Améstegui, 2025-03-31 The parables of Jesus appear to be simple and yet they can become difficult for preachers to understand and apply This book wrestles with the unique challenges of preaching the parables It provides in depth and practical tools for studying interpreting and applying the parables within the reader's own setting while remaining true to the intentions of Scripture Offering a four step approach preachers are invited to consider how a parable operates as a picture then a mirror then a window and then a door Containing contributions from a diverse group of authors this book provides rich and varied examples of how to put its teaching into practice Immensely accessible it empowers preachers teachers and readers to encounter the parables in all their simplicity and depth as if reading them for the first time

Preaching the Parables Dallas A. Brauninger, 2003 Jesus used his parables to teach ordinary persons with mundane concerns about the kingdom of God and because these simple stories contain universal truth that transcends time and culture they still strike a powerful chord with us nearly two millennia later Preaching the Parables provides a gold mine of background material on each of the eighteen parables appearing in Cycle C of the Revised Common Lectionary Dallas Brauninger brings a fresh imaginative approach to these familiar texts probing them to reveal what they tell us about God and inviting further reflection on what they mean for us today Preaching the Parables is more than just a sermon preparation resource it's also stimulating reading for anyone seeking a deeper understanding of how God speaks to us through the parables Modeled on the format of Brauninger's popular Preaching the Miracles series each chapter in Preaching the Parables includes five sections Text the entire parable text is reproduced eliminating the need to flip back and forth to a Bible What's Happening a synopsis of points of action within the story defining its movement conflict and change or resolution Spadework significant terms are examined through a survey of Hebrew and New Testament writings Parallel Scripture similarities and differences with parallel stories in the other Gospels are highlighted where the story is unique

Parables Warren Carter, John Paul Heil, 2023-11-16 This book presents a comprehensive treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables **Allegorical Spectrum of the Parables of Jesus** Suk Kwan Wong, 2017-02-08 Allegory in the parables of Jesus has never been addressed properly By studying the allegorical features in parables and evaluating some former parable theories current study hopes to bring insight to the hermeneutics of allegory in the parables of Jesus **The Parables of Jesus Christ:** Eric Brandon Roberts, 2012-07-11 The Parables of Jesus Christ A Brief Analysis is an in depth look at Christ s teachings through Parables Approximately one third of the words spoken by Christ in the New Testament come in the form of parables This book attempts to relate those parables for modern readers

undermine their value for research on the historical Jesus The author doubts whether the parables and sayings of the Jesus tradition can be employed to reconstruct the historical Jesus

Living Christ Peter Feldmeier,2023-04-01 In *Living Christ* Peter Feldmeier explores the Gospels as the premier revelation of the person ministry and salvation of Jesus Christ Uniting biblical scholarship with a deep spiritual engagement with the Gospels Feldmeier shows how the biblical word can access the prophetic words and saving work of Jesus to make them one s own Each Gospel provides a unique interpretation of Christ and a distinctive expression of Christian discipleship Feldmeier takes the reader slowly through each text so that they may richly engage the truths witnessed by the evangelists and become opportunities for interior transformation Drawing on traditional and modern commentaries as well as his own reflections Feldmeier shows how the Gospels are essential in their own ways in coming to an intimate relationship with Christ and an authentic appropriation of biblical discipleship
