Bowman, 2012-03-23 As I lie there in my bed with those visions of what I have seen over and over in my dreams it shakes me from sleep The names the faces the details they were so vivid and familiar It's as if I was there or had been there before She was calling my name from the shadows Just beckoning me into a surreal world of utter fear and danger But the more and more I fought the temptation the more I had the urge to give in I had a longing of that unfamiliar but somehow familiar voice The voice of beauty The voice of an angel I have never seen her face until now I know that this may sound like I am crazy or am living in a fantasy world but wow That was yesterday well late last night It had to be because the moon was full and it was a clear sky Tonight my story begins and the questions you have burning in the recesses of your mind will be answered **Jane Stays Dreaming** Britnee Meiser, 2025-09-30 Reality and fiction collide when a shy aspiring writer uses her larger than life anonymous blog to sabotage a budding relationship between the new girl in school and her childhood friend in this irresistible rom com that takes notes from Jane Austen's Emma for the social media age Shy introverted Jane lives out a fantasy life in her online blog where she writes elaborate posts about a teen girl with a glamorous life and a gorgeous boyfriend two things Jane definitely doesn't have She only has her writing and her BFFs Camila and Leo who she shares everything with except the fact that she's leading a double life online Jane's real life and her online life do not mix Then a new girl named Brynn who Jane has had a rough start with begins cozying up to Leo Jane knows Brynn's totally wrong for him so when she finds out Brynn follows her blog Jane does something risky She starts using her blog to get her way in real life But when the lines between fact and fiction start to blur what does that mean for Jane's anonymity and the real life relationships at stake **When We Were Us** Tina Martin, 2024-09-12 Lavender Young left New York after being fired from Lush Magazine She returns to the only home she knows Lake Lure North Carolina under false pretenses No one can know she didn't make it big in the city so she pretends she's on assignment photographing her hometown and writing an article about it To keep up the facade she gets money from savings to hire a tour guide to update her on what's new in the area She never imagined that guide would be her ex Jaysen

Kill Me Slowly Kate Bridges, Nicole Johnson was five when she first dreamed of becoming a vet Now at 24 that dream was her reality Surrounded by tiny helpless creatures she dedicated her life to helping them with all her heart Life was simple fulfilling and she had every intention of spending the rest of her years doing what she loved caring for animals She couldn t have asked for a better life But fate had other plans It was just another long night at the clinic one where Nicole decided to stay late catching up on paperwork her only company the soft rustle of animals in the back rooms She never imagined that this one quiet evening would change everything What she didn t know was that the world outside her small clinic was about to collide with her own in the form of Christopher Harris the most feared man in the underworld Christopher Harris A name that sent chills down the spine of anyone who dared speak it At 28 he was next in line to take over the Mafia empire His face was handsome enough to charm any woman and his body was sculpted by years of violence and dominance But none of that mattered His reputation as The Devil kept even the most powerful men at bay A man of darkness ruthlessness and aggression Christopher was known for one thing destroying anything in his path Yet behind the mask of cruelty and the legend of his evil ways there was a secret buried deep within him something even he didn t know When their paths cross on that fateful night Christopher is drawn to Nicole in a way he can t explain For the first time something inside of him stirs an emotion he s never felt He doesn t know if it s love or something darker but he s certain of one thing he can t walk away from her For Nicole meeting him is like stepping into the eye of a storm His presence is dangerous overwhelming but somehow she can t pull herself away She is everything he s never had a glimpse of light in his otherwise bleak existence But his world is poison and she s the one person who might not survive it Will the Devil let himself be redeemed through her Or will his dark past drag her down with him into the hell he s created In a game where emotions can be deadly they will both face a choice surrender to love or watch it destroy everything they ve ever known Prepare for a passionate intense and heart stopping journey where love meets darkness and redemption comes at a price
