

A large black cross silhouette is positioned on the left side of the image, extending from the bottom to the top. The background is a vibrant sunset sky with a gradient from deep blue at the top to bright orange and yellow near the horizon. Wispy white and pinkish clouds are scattered across the sky. The sun is visible as a bright, glowing orb near the bottom center, partially obscured by the cross's vertical beam. Overlaid on the right side of the cross is the text "Trusting God's Answers" in a bold, white, sans-serif font. The word "Trusting" is on the top line, and "God's Answers" is on the bottom line, both centered horizontally relative to the cross's vertical beam.

The Answer: God's Covenants of Promise John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4 6 says that Gods people are destroyed through lack of knowledge This book provides some such knowledge in a simple readable format The Answer God s Covenants of Promise will have achieved its purpose if it can open a readers eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God s Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God s Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth Gods son *Remarks on Dr. Ware's Answer [in relation to the Unitarian controversy].* Leonard WOODS (D.D., the Elder.), 1822

A World Undone Fr. Mike Schmitz, 2020-10-29 In this book beloved speaker Fr Mike Schmitz unfolds the mystery of brokenness He reminds us that we have been fought for by a God who wants us as we are not as we should be or hope to be The Lord s will for us is to find our identity in him and to thrive living the life he has given us

God Can't Thomas Jay Oord, 2019-01-05 Hurting people ask heart felt questions about God and suffering Some answers they receive appeal to mystery God s ways are not our ways Some answers say God allows evil for a greater purpose Some say evil is God s punishment The usual answers fail They don t support the truth that God loves everyone all the time God Can t gives a believable answer to why a good and powerful God doesn t prevent evil Author Thomas Jay Oord says God s love is inherently uncontrolling God loves everyone and everything so God can t control anyone or anything This means God cannot prevent evil singlehandedly God can t stop evildoers whether human animal organism or inanimate objects and forces In God Can t Oord gives a plausible reason why some are healed but many others are not God always works to heal everyone but sometimes our bodies organisms or other creatures do not cooperate with God s healing work Or the conditions of creation are not right for the healing God wants to do Some people think God causes or allows suffering to teach us lessons or build our character God Can t disagrees Oord says God squeezes good from the evil God didn t want in the first place God uses pain and suffering without willing or even allowing it Most people think God can overcome evil singlehandedly In God Can t Oord says God needs cooperation for love to reign now and later This leads to a better view of the afterlife called relentless love It rejects traditional ideas of heaven hell and annihilation Relentless love holds to the possibility all creatures and all

creation will respond to God's love. God Can't is written in understandable language. As a world-renowned theologian, Thomas Jay Oord brings credibility to the book's radical ideas. He explains these ideas through true stories, illustrations, and scripture. God Can't is for those who want answers to tragedy, abuse, and other evils that make sense. What They're Saying If conventional notions of God make less and less sense to you, you'll find Thomas Jay Oord's new book a breath of fresh air. Simply put, God Can't presents an understanding of God that thoughtful, ethical people can believe in. Brian D McLaren, author of The Great Spiritual Migration, I did not want this book to end. I wish Dr Oord had written it 100 years ago or 1000 years ago. To find your understanding of life and your love for God renewed, read this book. Dr Karen Strand Winslow, Ph.D., Biblical and Jewish Studies Professor of Bible at Azusa Pacific University. As a clinical psychologist working with people in trauma, I owe Thomas Jay Oord an enormous debt of gratitude for recasting the so-called problem of evil in terms that are conceptually satisfying, theologically consistent, and pastorally liberating. Dr Roger Bretherton, Principal Lecturer at the University of Lincoln, UK, Chair of the British Association of Christians in Psychology. Victims of trauma sometimes hear theological responses that imply their suffering is somehow God's will. A more careful theological reflection on the nature of the power of a God who is love can help. Oord gives us a clear and compelling alternative in this profoundly insightful and admirably concrete and accessible book. Dr Anna Case Winters, Professor of Theology at McCormick Theological Seminary. I know of no book that speaks to suffering with the depth of theological sophistication and psychological sensitivity as God Can't. This book is a rare combination of depth and accessibility, truly written for the wounded. I recommend it to my students, parishioners, and therapy clients. Dr Brad D Strawn, Professor of the Integration of Psychology and Theology, Fuller Theological Seminary.

The Collected Works of Martin Luther Martin Luther, 2022-11-13. The Collected Works of Martin Luther presents a comprehensive compilation of the seminal writings that catalyzed the Reformation and marked a pivotal shift in Christian thought. This anthology encompasses Luther's theological treatises, sermons, and hymns, reflecting his profound engagement with scriptural texts and emphasis on personal faith. Characterized by his direct, unembellished prose, the works are steeped in the socio-political context of 16th-century Europe, revealing a fervent challenge to ecclesiastical authority and an earnest plea for the accessibility of scripture to all believers. Martin Luther (1483-1546) was not only a renowned theologian but also a passionate reformer whose life experiences deeply influenced his writings. Raised in an environment laden with spiritual and ethical dilemmas, he grappled with the church's practices, particularly the sale of indulgences. The pivotal moment of his Ninety-Five Theses launched a movement towards religious reform rooted in his beliefs in justification by faith and the priesthood of all believers, which resonate throughout his collected works. This collection is essential for anyone seeking to understand the foundations of modern Protestantism and the transformative theological ideas that emerged from Luther's pen. Scholars, theologians, and interested lay readers alike will find in this compilation not only the historical significance but also the spiritual depth that continues to inspire generations. **Ibn Al-Arabi's Fusus Al-Hikam** Binyamin
