Reflections of God's Work Paul McLean, 2010-08-23 This work by Paul McLean is a deep weekly devotional that is both introspective and interactive It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues By use of a weekly instead of a daily study this devotional allows an opportunity to go deeper with God by narrowing the reader s focus on particular biblical principles that impact his or her personal sphere McLean vigorously maintains that Bible study deep personal analysis and prayer are critical anchors in weathering any of life s storms while at the same time producing Christian growth and maturity They are also the pillars from which growth life balance and fulfillment are achieved This book is interactive through the use of journaling thoughts impressions and messages received through connecting with God s word Bible during the week Essentially the reader evaluates his or her life by answering in

journalistic form pointed and personal life questions McLean believes that prayer and contemplative study play critical roles in the process of hearing from God This devotional can also be used as a study guide for group sharing and personal growth Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders he was changed and shaped by God for a higher purpose *God Still Hears and Answers Prayers* Dr. Marcia Livingston-Galloway, 2023-12-06 God's invitation Call to me and I will answer you and tell you great and unsearchable things you do not know Jeremiah 33:3 NIV has no expiration date Prayer is the most common activity among the members of all major religious groups Unfortunately to an increasing number including Christians this activity or discipline called prayer is now purely ritualistic and fruitless as they do not see any evidence of real results Consequently many have quit praying or refrained from participating in any type of prayer gathering Even some Christians who once believed that prayer produces results have begun to have unsettling doubts about whether God still hears and answers prayers Whether you are aware or not prayer is the means for humans to commune and partner with God to advance His kingdom purpose and will in our lives and the affairs of the earth May your Kingdom come soon May your will be done on earth as it is in heaven Matthew 6:10 NLT This biblically based prayer journal will ignite or reignite your faith and passion for prayer God is alert and is actively watching over His word to fulfill it Jeremiah 1:12 That is why each prayer is anchored in the scriptures Although this journal is designed for personal use I encourage you to use it for fellowship and small group prayers as well Be prepared to pray and journal your evidence of answered prayers You will be convinced that God still hears and answers prayers *A View From the Pew* Steven Johnson, 2017-07-17 *A View from the Pew* is a compilation of Bible mysteries that the author was compelled to research and interpret himself with the aid of the Holy Spirit due to his mistrust in individual church doctrines personalities and their misguided Bible interpretations The reader will discover everything the Bible really says about the tribulation what truly was the thorn that tormented Paul the true name of God the exact location of the kingdom of God and many other topics not normally discussed in church *A View from the Pew* comprises over forty individual Bible topic studies written by a Spirit filled recovered alcoholic and drug addict with thirty two years of sobriety After reading *A View from the Pew* and applying the principles held within it is the sincere hope of the author that you find the power within yourself that he found which allowed him to walk away from cigarettes drugs and alcohol The author was forced into early retirement and was told he had three to five years to live in 2003 Thirteen years later after two strokes two heart attacks and then being diagnosed with diabetes Steven has found a useable power that heals guides and protects his life to this very day *A View from the Pew* is written from the skeptical viewpoint of a member of the congregation and not a seminary student or doctor of theology To the author it is not true unless you can show him Bible and verse Your burning questions about prophecy does God test man and is America found in the Bible will be shown to you in *A View from a Pew* *100% Answered Prayer 2nd*

What Jesus Did Robert D. Prescott-Ezickson, 2004 The acronym WWJD What would Jesus do has become a popular device for making ethical and moral decisions and evaluating how we should act in a wide range of situations But this seemingly ubiquitous slogan has also been used to trivialize Jesus and use his name to endorse some activity or product Now we also hear questions like What would Jesus eat What would Jesus wear What would Jesus drive Enough already If you want to consider this question seriously then the best way to find the answer to WWJD is to investigate what Jesus actually did while he was here on earth Jesus Christ was a real man who lived in a real time and a real place and his words and deeds are recorded in the four Gospels Once we carefully study the Gospels and become familiar with what Jesus did then we will be in a better position to discern what Jesus would do now What Jesus Did is an in depth look at the life of Jesus including his birth his parables his miracles his sayings his death and his resurrection The unique format of this study guide makes it an excellent resource for a preaching series Sunday School lessons group Bible study or personal devotional reading Each chapter is built around a series of questions to help you gain deeper meaning and insight from the scriptures And because Jesus expects us to turn learning into doing and live according to his example each chapter also includes a WWJD action step for applying his teachings in our daily lives In fresh language that brings the sayings and saving activities of Jesus into the world of the third millennium Prescott Ezickson
