Conversations with Jehovah's Witnesses Christian R. Darlington, 2012-11-22 Follow the inspiring dialogues between a Christian named Karen and a Jehovah s Witness named Cindy as they discuss the Watchtower brochure What Does God Require of Us and explore the core differences between Biblical Christianity and the Watchtower religion In this book Biblical truth is presented in an effective way that challenges the common reasoning embraced by faithful members of the

Watchtower organization Originally published under the title What Does God Require this book is the product of experiences the author had talking with Jehovah s Witnesses of all levels of leadership Written in dialogue format this book includes

hold fast to what is fine 1 Thessalonians 5:21 New World Translation Regarding the Karen and Cindy conversations in this book readers have said I am currently studying each and every page of the Karen and Cindy studies looking up every Bible passage They are very well put together very well documented with references and all enormously helpful I had Jehovah's Witnesses visiting for six years The sad thing is now I have their beliefs in my head So I put myself into God's hands and asked for direction Well the feeling of freedom is amazing I am like a child learning again for the first time The reason I had to write to you was the Karen and Cindy conversations Instead of me asking for help one question at a time they are all there for me It seems as if Cindy could read my mind It's so lovely for things to fall into place I was scared while I did not understand even the tiny bit I do now It's such a joy instead of feeling unworthy we're all sinners I know and feeling I would never be saved or go to Heaven So please thank God and Jesus with me for such help As you know I am in prison I know that every soul you help touch is a seed that might grow to touch hundreds and thousands For example the What Does God Require book you sent me some time back has been making its rounds around this prison yard And many Jehovah's Witnesses have been raising lots of questions and are rethinking their faith Again thank you for your ministry Keep up the great work
