## **Answering God:**

**Answering God's Call to Discipleship** John Henderson, 2024-07-17 In answering God's call to discipleship each person must willfully surrender his or her powerful and natural desire to live according to self seeking worldly rules and norms. Instead comes the commitment to strive to live ever closer to Him in love, trust, and obedience. This decision is radical and thus difficult. But the rewards of striving to become a Christ-centered spiritual being rather than a worldly one are profound and miraculous. The path to living according to God's will rather than our own is clearly directed by Scripture and is unequivocally defined by the life, teachings, sacrificial death, and resurrection of Christ. Every step is guided by the Holy Spirit. This book of daily readings is designed to help take you day by day into seeking life in His very presence. In it you will find insights and advice on the struggles that are part of the spiritual growth each individual must have to be transformed into His image which He intended at the very moment of your creation. It is part of John's ministry of teaching, speaking, and writing about the power and glory of actually answering Christ's universal call to His discipleship. **Answering God's Call to Write** Yolanda Chen aka Wen-Hui Yiu, 2024-09-24 The purpose and theme are to testify and honor only one person, Jesus. It emphasizes walk the walk, not simply talk the talk. In doing that, those miraculous stories will be a light and a witness to shine to the world in any way He wants. When I was teaching, I always prayed, "Lord, help me to be the first student of my teaching." Today I am praying with the same attitude in my writing. As the quote says, "Success is the process itself." Yes, even in the process of the encountering, I did not simply tell the stories mechanically, but it was during the process of how I went through the journey so whatever the problems were, I cast them all to my ultimate problem solver, provider, and author, my Lord Jesus. All of the true stories are the evidence that testify and bring those scriptures alive. Praise the Lord. Conclusion: In this writing, I like to share my three biblical principles: Being filled with the Holy Spirit in the beginning, during the process, and every step of the way, even to the very end. Therefore, I must let the Spirit of God have His way in my writings. Always be sensitive to respond to His convictions regardless of my understanding. The power to serve God is: Have you fully surrendered to God? R. Torrey. Excellent Christian character. The core conviction in this book is that I learned to completely surrender before God from the beginning to the very end. He who began a good work in you will carry it on to completion until the day of Jesus Christ. Philippians 1:6 To Him be the glory.

DiRoberts,2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one s account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for

middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom      Reading the Book of the Twelve Minor Prophets David G. Firth, Brittany N. Peterson, Jim Lyster, John Sharon, Peter Santucci, 1997-06-27 In Subversive Spirituality Peterson has gathered together a host

of writings penned over the past twenty five years that reflect on the overlooked facets of the spiritual life. Comprising occasional pieces, short biblical studies, poetry, pastoral readings and interviews, this work captures the epiphanies of life with the pleasing pastoral style and inspiring depth of insight for which Peterson is well known. Peterson describes his book this way: This gathering of articles and essays, poems and conversations is a kind of kitchen midden of my noticings of the obvious in the course of living out the Christian life in the vocational context of pastor, writer and professor. The randomness and repetitions and false starts are rough edges that I am leaving as is in the interests of honesty. Spirituality is not by and large smooth. I do hope however that these pieces will be found to be freshly phrased. **Target or Weapon** EBENEZER

GYASI, 2004-08-05 When we look around us we find so much suffering in the world that we can't help but ask why. Long time ago God in Hosea 4:6 lamented that his people were being destroyed for the lack of knowledge. His people are still being destroyed today. The question again is Why? As Christians, Jesus has given us the authority over all the powers of the thief, murderer, destroyer and our real enemy Satan, also known as the devil. Somehow we seem to have forgotten our spiritual heritage, our spiritual rights and responsibilities and therefore the devil has taken undue advantage of our ignorance. This prayer book along with the companion end time spiritual warfare book **Target or Weapon: Sound the Alarm** provides instructions on how to stand on the Word of God to help you vanquish the controlling spirits in your life. Let these prayers be part of your daily spiritual exercise. Standing on the Word of God causes a shaking in the spiritual realm on your behalf because God backs His Word and watches to perform it. **Reason in Religion** Frederic Henry Hedge, 1883
