 truths that apply to every facet of life Biblical truth should be made applicable to the total personality The inescapable
 questions of life are answered from the standard of God s authoritative Word **The Legacy of Billy Graham: Critical
 Reflections on America's Greatest Evangelist** Michael G. Long,2008 Perhaps no individual person has had more of an
 effect on twentieth century American Christianity than the renowned evangelist Billy Graham And although Graham s
 influence on evangelicalism has long been recognized Michael G Long s The Legacy of Billy Graham is the first book to
 examine his impact on mainline Christianity and American civil religion With contributors both noted and revered this critical
 but appreciative volume poignantly assesses Graham s career With fairness and clarity these prominent mainline to
 progressive scholars shed valuable light on the evangelist s theology and preaching his influential perspectives on politics
 and economics feminism and sex war and peace and race and power as well as his engagement with powerful
 contemporaries including Martin Luther King Jr and Reinhold Niebuhr before concluding with two insightful retrospectives
 on his legacy Back cover of book *Born Again - What It Really Means* Larry Gallamore,2012-11 This book is about what it
 really means to be born again To many people the term born again means a one time Christian experience of accepting Jesus
 as Lord and Savior However we argue that being born again has a broader meaning including learning how to really live
 every day of our lives Today s world is at a critical juncture In the past few years we have witnessed a global economy that is
 out of control Governments spend more than they have people are losing their homes to foreclosure businesses close because
 they are unable to pay their employees and people are out of work and search for months to find a job which often barely
 pays them a living wage They lose their self esteem and motivation to even look for work Our whole nation and world is in
 need of being born again but not just in a religious sense The teachings of Jesus and other spiritual leaders tell us that we are

individually responsible for our lives The answers to all life s problems are found within ourselves The kingdom of God is within This means that there is a spark of the divine found within each person To be truly born again means to live in harmony with the laws of the universe We must take responsibility for our own thoughts attitudes and actions Utilizing the teachings of great spiritual teachers we will focus on building each other up and the destructive values such as greed power control and jealousy will be transformed into values of love cooperation understanding and compassion This is the real meaning of being born again
