Anthology Of Contemporary Poetry:

ANTHOLOGY OF CONTEMPORARY POETRY Vandana Kumar, Sharad Raj, Anshuman Gaur, 2021-11-24 Poetry can be for individual pleasure just like any art form can be following the individual heart and the artist's whims and fancies and then the world is free to accept or reject it Even in that there is something of society that the artist creates No work of art exists in a vacuum The common lament is that there are not enough poets and too many politicians But it is equally true that there are poets lurking in every hidden corner of a home waiting to be discovered We aren't a Dead Poets society not yet That itself should give any country or culture hope This is what essentially made us at Cocoa Butter come up with the idea of a poetry competition that would result in an anthology

Anthology of Contemporary Poetry Vandana Kumar, 2021-11-06 The poems featured in this anthology were selected from the entries received in the All India Poetry Competition 2020 organized by Cocoa Butter The idea behind the competition was to discover new and emerging voices of poets The bouquet of poems represents a wide variety of styles and themes and are written by poets from all over India **PS**

Poetrysoup, Arczis, 2020-11-27 This anthology is a collection of the work of various poets from all over the world By reading these diverse works we hope that people will become more understanding compassionate and empathetic towards all people Additionally we hope that this poetry makes the deepest kind of personal impression upon its readers Those whose works appear in this anthology have decided to publish their poetic works under a title published by PoetrySoup and Arczis Web Technologies Inc Special permission has been obtained for each copyrighted poem in this volume and the right to publish has been explicitly given to the publisher of this anthology by the respective poets While most of the poems within have been submitted by the poet the editors of this publication have chosen which poems to include Over 1600 poems were submitted but only around 600 were chosen for inclusion In this anthology which is the first one produced by PoetrySoup.com we have followed an arrangement that represents some of the more popular poems on the PoetrySoup.com website Instead of an arbitrary selection by PoetrySoup's editors each poet member has been permitted to represent himself by the work he considers his best with few stipulations PoetrySoup editors then decided what should be printed and what omitted but as a general rule the poets have been allowed absolute freedom in their choice of inclusion **Anthology of Contemporary**
