Kaspar Thormod

Anthony Hernandez Pictures For Rome:

Anthony Hernandez Anthony Hernandez, 2000 Anthony Hernandez's Pictures for Rome 1998-99 made while he was a fellow at the American Academy make no reference to any iconic images of that historic city and its famous edifices. Instead, these elegantly disturbing color photographs examine what could be considered a series of unofficial urban monuments composed from the distressed architectural elements and detritus found inside abandoned buildings. It may seem like an exaggeration to speak of the monumental aspect of such lost and lowly artifacts, but Hernandez's photographs prompt us to view the things he shows us with fascination, deference, and even on occasion awe. Ralph Rugoff **Anthony Hernandez - Pictures for Rome**, 2000 Artistic Reconfigurations of Rome Kaspar Thormod, 2019-04-09 In *Artistic Reconfigurations of Rome* Kaspar Thormod examines how visions of Rome manifest themselves in artworks produced by international artists who have stayed at the city's foreign academies. Structured as an alternative guide to Rome, the book represents an interdisciplinary approach to creating a dynamic visual history that brings into view facets of the city's diverse contemporary character. Thormod demonstrates that when artists successfully reconfigure Rome, they provide us with visions that, being anchored in a present, undermine the connotations of permanence and immovability that cling to the Eternal City epithet. Looking at the work of these artists, the reader is invited to engage critically with the question: what is Rome today or perhaps better, what can Rome be. Art Nexus, 2001 *Moving Pictures* John G.
