A Synopsis of English and American Literature George Jay Smith, 1890

Standing in Their Own Light Judith L. Van Buskirk, 2017-03-16 The Revolutionary War encompassed at least two struggles one for freedom from British rule and another quieter but no less significant fight for the liberty of African Americans thousands of whom fought in the Continental Army Because these veterans left few letters or diaries their story has remained largely untold and the significance of their service largely unappreciated **Standing in Their Own Light**

restores these African American patriots to their rightful place in the historical struggle for independence and the end of racial oppression Revolutionary era African Americans began their lives in a world that hardly questioned slavery they finished their days in a world that increasingly contested the existence of the institution Judith L Van Buskirk traces this shift to the wartime experiences of African Americans Mining firsthand sources that include black veterans pension files Van Buskirk examines how the struggle for independence moved from the battlefield to the courthouse and how personal conflicts contributed to the larger struggle against slavery and legal inequality Black veterans claimed an American identity based on their willing sacrifice on behalf of American independence And abolitionists citing the contributions of black soldiers adopted the tactics and rhetoric of revolution personal autonomy and freedom Van Buskirk deftly places her findings in the changing context of the time She notes the varied conditions of slavery before the war the different degrees of racial integration across the Continental Army and the war s divergent effects on both northern and southern states Her efforts retrieve black patriots experiences from historical obscurity and reveal their importance in the fight for equal rights even though it would take another war to end slavery in the United States The Glory of America R. Thomas (A.M.),1834 **The Glory of America** R. Thomas,2025-09-25 Reprint of the original first published in 1836 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
