

ANTHROPOLOGY

Anthropology is the study of human beings, encompassing their biological, cultural, and social aspects. It seeks to understand the diversity of human experiences across time & space.

OVERVIEW

Anthropologists employ various methods such as participant observation, interviews, and archival research to investigate human societies and their practices. By examining the past and present, anthropology aims to shed light on the universal human condition and address questions about our origins, development, and interconnectedness.

EXAMPLES

- Cultural anthropology
- Linguistic anthropology
- Biological anthropology
- Archaeological anthropology
