**Dalits' Struggle for Social Justice in Andhra Pradesh (1956-2008)** Akepogu Jammanna, Pasala Sudhakar, 2016-12-14 The complete alienation of Dalits from resources like land water and agricultural implements has led to the collective demand for an equal share in productivity This book discusses the range of socio economic and cultural problems faced by the Dalit community The movement advancing the rights of Dalits took place both before and after independence however they varied in intensity and concerned land ownership and fair wages self respect social dignity and the demand for equal rights This movement appeared to have significantly changed the very mindset and attitude of upper caste people to restrain themselves and not to resort to any discrimination or humiliation of Dalits However this seems to have been only a temporary phenomenon and the practice of suppression and humiliation continues today This book explores the circumstances of Dalits in the Indian state of Andhra Pradesh and the current efforts attempting to achieve more social equality for the caste here

Miho Ishii, 2019-11-06 This book investigates the entangled relations between people's daily worship practices and their Umwelt in South India Focusing on the practices of spirit b ta worship in the coastal area of Karnataka it examines the relationship between people and deities Based on extensive fieldwork this book links important anthropological theories on personhood perspectives transactions and gift exchanges together with the Gestaltkreis theory of Viktor von Weizsäcker First it examines the relations between b ta worship and land tenure matriliney and hierarchy in the society It then explores the reflexive relationship between modern law and current practices based on conventional law before examining new developments in b ta worship with the rise of mega industries and environmental movements Furthermore this book sheds light on the struggles and endeavours of the people who create and recreate their relations with the realm of sacred wildness as well as the formations and transformations of the Umwelt in perpetual social political transition *Modernity and Spirit Worship in India* will be of interest to academics in the field of anthropology religious studies and the dynamics of religion and South Asian Culture and Society *Caste and Equality* Stephanie Stocker, 2017-05-15 Caste hierarchy has frequently been singled out as the overriding principle of Indian society This book examines its significance among the highly educated middle class in the Tamil town of Madurai As part of their distinctive status as educated persons young graduates form egalitarian constellations by ostensibly subverting the boundaries inscribed by caste hierarchy Stephanie Stocker explores how these friendships are maintained in wider social contexts finding that the actors engage in supportive networks throughout career and marriage events Instead of assuming these relationships to be of an entirely different alternative category however Stocker's study proposes a dynamic character of friendship which in fact remains in conjunction with

Indian values of hierarchy
