Histories of the Early Anglophone Caribbean Nicole N. Aljoe,Brycchan Carey,Thomas W. Krise,2018-05-04 The Caribbean has traditionally been understood as a region that did not develop a significant native literary culture until the postcolonial period Indeed most literary histories of the Caribbean begin with the texts associated with the independence movements of the early twentieth century However as recent research has shown although the printing press did not arrive in the Caribbean until 1718 the roots of Caribbean literary history predate its arrival This collection contributes to this research by filling a significant gap in literary and historical knowledge with the first collection of essays specifically focused on the literatures of the early Caribbean before 1850 **Caribbean Autobiography** Sandra Pouchet Paquet,2002-07-22

Despite the range and abundance of autobiographical writing from the Anglophone Caribbean this book is the first to explore this literature fully It covers works from the colonial era up to present day AIDS memoirs and assesses the links between more familiar works by George Lamming C L R James Derek Walcott V S Naipaul and Jamaica Kincaid and less frequently cited works by the Hart sisters Mary Prince Mary Seacole Claude McKay Yselt Bridges Jean Rhys Anna Mahase and Kamau Brathwaite Sandra Pouchet Paquet charts the intersection of multiple contradictory viewpoints of the colonial and postcolonial Caribbean differing concepts of community and levels of social integration and a persistent pattern of both resistance and accommodation within island states that were largely shaped by British colonial practice from the mid seventeenth through the mid twentieth century The texts examined here reflect the entire range of autobiographical practice including the slave narrative and testimonial written and oral narratives spiritual autobiographies fiction serial autobiography verse diaries and journals elegy and parody *The Caribbean Oral Tradition* Hanétha

continuities and differences of theme and style in Walcott's poems and plays Walcott is an avowedly Caribbean writer acutely conscious of his culture and colonial heritage but he has also made a lasting contribution to the way we read and value the western literary tradition This comprehensive survey considers each of Walcott's published books offering a guide for students scholars and readers of Walcott Students of Caribbean and postcolonial studies will find this a perfect introduction to this important writer *Kinship Across the Black Atlantic* Gigi Adair, 2019 This book combines insights from postcolonial queer and diaspora studies to consider the meanings of kinship in contemporary black Atlantic fiction Diasporic displacement generates new understandings and new narratives of kinship An analysis of kinship is thus essential to understanding diasporic modernity at the turn of the twenty first century **Fragments of Empire** Madhavi Kale, 2010-11-24 When Great Britain abolished slavery in 1833 sugar planters in the Caribbean found themselves facing the prospect of paying working wages to their former slaves Cheaper labor existed elsewhere in the empire however and plantation owners along with the home and colonial governments quickly began importing the first of what would eventually be hundreds of thousands of indentured laborers from India Madhavi Kale draws extensively on the archival materials from the period and argues that imperial administrators sanctioned and authorized distinctly biased accounts of postemancipation labor conditions and participated in devaluing and excluding alternative accounts of slavery As she does this she highlights the ways in which historians by relying on these biased sources have perpetuated the acceptance of a privileged perspective on imperial British history
