Consuming History Jerome de Groot,2009-01-13 Non academic history public history is a complex dynamic entity which impacts on the popular understanding of the past at all levels In Consuming History Jerome de Groot examines how society consumes history and how a reading of this consumption can help us understand popular culture and issues of representation This book analyzes a wide range of cultural entities from computer games to daytime television from blockbuster fictional narratives such as Da Vinci Code to DNA genealogical tools to analyze how history works in contemporary popular culture Jerome de Groot probes how museums have responded to the heritage debate and the way in which new technologies have brought about a shift in access to history from online game playing to internet genealogy He discusses the often conflicted relationship between public and academic history and raises important questions about the theory and practice of history as a discipline Whilst mainly focussing on the UK the book also compares the experiences of the USA France and Germany Consuming History is an important and engaging analysis of the social consumption of history and offers an essential path through the debates for readers interested in history cultural studies and the media

An Archaeology of the Turkish War of Independence Ömer Can Aksoy,2023-04-11 This book is about the conflict which resolved the Greek Turkish War of 1919 1922 the Great Offensive On 26 August 1922 the army of the GNA executed the Great Offensive against the Greek defence line extending from the Bay of Gemlik to the Meander River The Turkish Forces split the Greek Army into two large groups annihilated one of the groups in the field at the Battle of Dumlup nar on 30 August and pursued the remaining forces of the Greek Army towards the Aegean and Marmara coasts until 18 September Within these 24 days the face of Western Anatolia changed unalterably numerous towns villages and cities of Western Anatolia were reduced to ashes This conflict was a turning point in the histories of Turkey and Greece as it played a significant role in shaping the present day demographic and geopolitical landscapes of both nations It resulted in a population exchange in 1923 that dramatically altered the lives of Muslims in Greece and Greek Orthodox people in Turkey and paved the way to the foundation of the Republic of Turkey Despite the outcome of this war and the existence of a rich literature on its military and political history the landscapes memoryscapes and material culture have not been systematically investigated This book bridges that gap via an archaeological historical and oral historical study of the Great Offensive and its aftermath With its wide chronological perspective this book is not a pure analysis of a historical war it is instead a journey into the foundation myth of the Turkish Republic and the ideological foundations of the Turkish state

Bargain Hunt:
The Spotter's Guide to Antiques Karen Farrington,2022-07-14 Bargain Hunt is a British institution entertaining audiences

The Martial Arts Business Arena: Investment, Politics, Profit H. Richard Friman, Ph.D. et al.,Yong-jae Ko, Ph.D.,Andrew Tharp, Ph.D.,Jin-Bing Yang, Ph.D.,2016-09-30 Martial art business related aspects are found at the base level in individual schools and mushroom to a global level in international organizations This anthology includes writings by professionals who offer information and insights into the financial side of the martial arts Chapters focus on related practical matters as profit politics and investment In the first chapter Dr Richard Friman asks If the martial arts are supposed to offer paths to personal growth and enlightenment why are they in practice plagued with displays of rampant egos politics and battles over turf by their practitioners The experience of instruction in the United States suggests that the pursuit of the arts is becoming lost in the pursuit of profit The next chapter by Dr Yong Jae Ko presents the evolution of the martial arts industry into a global consumer products industry and examines the application of modern business techniques on this industry with a particular focus on marketing strategy It also discusses future opportunities and challenges facing the martial arts industry and offers helpful suggestions In the following chapter Dr Ko and coauthor Dr Jin Bin Yang discuss the global expansion and integration of Asian martial arts Such factors as sportification and standardization are closely examined as significant driving forces for the growth of the martial arts industry This chapter also examines important issues influencing the development and the martial arts industry future growth The next chapter by Dr Yong Jae Ko presents the evolution of the martial arts industry into a global consumer products industry and examines the application of modern business techniques on this industry with a particular focus on marketing strategy It also discusses future opportunities and challenges facing the martial arts industry and offers helpful suggestions In the following chapter Dr Ko and coauthor Dr Jin Bin Yang discuss the global expansion and integration of Asian martial arts Such factors as sportification and standardization are closely examined as significant driving forces for the growth of the martial arts industry This chapter also examines important issues influencing the development and the martial arts industry future growth The final chapter by Andrew Tharp presents the history that influenced the value of Japanese swords as works of art The Japanese have created a legal system that has preserved their historical weapons in a way no other society has done Historical sources and current statutes will

show how the Japanese created a monopoly that successfully conserved their culture for future generations Although this Japanese phenomenon is extraordinary it also serves to show possibilities for those interested in investing in weaponry from other cultures and augments our appreciation of militaria for their aesthetics Reading this anthology will help martial art students better understand differences between traditional schools and those that focus solely on profit Owners can deepen their business acumen and utilize information provided in these chapters to shape their schools program Of course many are influenced by martial art organizations that may be established on a local level national or international As an addition to your regular studies of martial art techniques and traditions the information you ll find here can certainly broaden one s view of the martial arts as a business arena

Subject Catalog Library of Congress, *Library of Congress Catalogs* Library of Congress,1978

Schroeder's Antiques Price Guide Editors of Schroeder Pub,2008-07-29 In 2006 in celebration of our 25th anniversary we brought Schroeder s Antiques Price Guide to you for the first time in full color It was so successful we decided to keep that format from year to year and once again are bringing it to you in full color It still contains over 50 000 listings from reliable sources more than 500 categories from Advertising to Zsolnay histories and pertinent facts and representative full color photographs This year s edition will start shipping in August 2008 and is guaranteed to maintain its 1 bestselling status both at Collector Books and across the country Dealers throughout the U S rave annually about Schroeder s saying it just keeps getting better and better Undoubtedly this year s edition will be the best You will be pleased it has kept its new look and even happier that it is available at one of the lowest prices you ll find for general antiques guides

The Lyle Official Antiques Review Tony Curtis,1977

Intrinsic Values of the Japanese Sword Michael DeMarco, M.A.,2015-10-03 The famed samurai sword nihonto represents the pinnacle of bladed weaponry in the Japanese warrior s arsenal This book addresses the sword s intrinsic historic monetary military and artistic values The seven chapters for this particular anthology were selected from materials published in the Journal of Asian Martial Arts Tharp s chapter details aspects of the nihonto that make it unique in the world as a valued objet d art protected by law codes specifically written to preserve these cultural relics even when made by contemporary master smiths DiCristofano writes on sword sketchings which allow the human eye to view details of the sword blade often unnoticed because of the subtlety inherent in the work Hoshino s chapter presents a overview of various blade types His focus on blades leads to the next chapter by Richard Babin on how to make a scabbard Test cutting provides proof of the practicalily of the sword and swordsman s technique Peter Ward utilized an ancient diagram of main targets for body cuts and modern technology to actually view the inner structures of the blade s path along these targets Peritz s chapter presents the Ainu an indigenous group in Japan They incorporated blades made by Japanese smiths according to their own taste Goedkoop s chapter deals with another medium as the master craftsman creates wooden replicas of Japanese swords As you read other books and articles about Japanese swords or practice kendo or iaido or see highly polished blades in a museum the chapters here will enhance your knowledge and

appreciation of nihonto and their intrinsic value

Decoding **Antiques And Their Values Militaria**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
