Antisemitism And Xenophobia In Germany After Unification:

Antisemitism and Xenophobia in Germany after Unification Hermann Kurthen, Werner Bergmann, Rainer Erb, 1997-05-29

Since unification Germany has experienced profound changes including the reawakening of xenophobic hate crime anti Semitic incidents and racist violence This book presents the most recent research conducted by a team of American and German experts in political science sociology mass communication and history They analyze the degree of antisemitism xenophobia remembrance and Holocaust knowledge in German public opinion the groups and organizations that propagate prejudice and hate and the German American and Jewish perceptions of and reactions to these phenomena Antisemitism and Xenophobia in Germany After Unification

Hermann Kurthen, Werner Bergmann, Rainer Erb, 1997 Since unification Germany has undergone profound changes including the reawakening of xenophobic hate crime anti Semitic incidents and racist violence This book presents the findings on German public opinion private attitudes official policies and right wing political developments Xenophobia, Nativism and Pan-Africanism in 21st Century Africa Sabella Ogbobode

Abidde, Emmanuel Kasonde Matambo, 2021-12-14 This edited volume systematically analyzes the connection between xenophobia nativism and Pan Africanism It situates attacks on black Africans by fellow black Africans within the context of ideals such as Pan Africanism and Ubuntu which emphasize unity The book straddles a range of social science perspectives to explain why attacks on foreign nationals in Africa usually entail attacks on black foreign nationals Written by an international and interdisciplinary team of scholars the book is divided into four sections that each explain a different facet of this complicated relationship Section One discusses the history of colonialism and apartheid and their relationship to xenophobia Section Two critically evaluates Pan Africanism as a concept and as a practice in 21st century Africa Section Three presents case studies on xenophobia in contemporary Africa Section Four similarly discusses cases of nativism Addressing a complex issue in contemporary African politics this volume will be of use to students and scholars interested in African studies African politics human rights migration history law and development economics **After the Nazi Racial State**

Rita Chin, Heide Fehrenbach, Geoff Eley, Atina Grossmann, 2010-02-22 An investigation of the concept of race in post Nazi Germany Remembering as Reparation Karl Figlio, 2017-10-26 This book brings together psychoanalysis clinical and theoretical with history in a study of remembering as reparation not compensation but recognition of the actuality of perpetration and the remorseful urge to rejuvenate whatever represents this damage Karl Figlio argues that this process intensively studied by Melanie Klein is shadowed by manic reparation which simulates but is antithetical to it Both aim for peace of mind the former in a guilt induced attitude of making better a damaged good object internal and external the latter supported by defences thoroughly studied in psychoanalysis in claiming liberation from an accusatory object This psychoanalytic line of thinking converges with historical scholarship on post war German memory and memorialization Remembering is posited as ambivalent it is reparative in remembering true with respect and self respect It is also manic

reparative in remembering false shedding bonds to the actuality of history through acts of triumph and liberation This thoughtful book highlights new features of history and memory work especially the importance of emotion and will be of great value to students academics and practitioners across the fields of psychoanalysis memory studies German studies and modern history **After Unity** Konrad Hugo Jarausch,1997 In order to probe this new uncertainty and to explore the consequences of unification for German politics history and culture political scientists historians and literary scholars have come together in this volume to focus on the main issues of the current debate such as the shadow of the Nazi past the threat of xenophobia new regional tensions persistent problems of gender relations and the future shape of Europe **Collective Guilt** Nyla R. Branscombe,Bertjan Doosje,2004-09-06 Emotion can result from interpreting group actions as reflecting on the self due to an association between the two This volume considers the nature of collective guilt the antecedent conditions necessary for it to be experienced how it can be measured as well as how collective guilt differs from other group based emotions Research from Australia Canada Germany Israel the Netherlands Northern Ireland and the USA addresses critical questions concerning the who when and why of the experience of collective guilt The political implications of collective guilt and forgiveness for the past are considered and how those might depend on the national context How collective guilt can be harnessed and used to create a more peaceful future for groups with a history of violence between then is emphasized

The Race Card Tali Mendelberg,2017-10-09 Did George Bush s use of the Willie Horton story during the1988 presidential campaign communicate most effectively when no one noticed its racial meaning Do politicians routinely evoke racial stereotypes fears and resentments without voters awareness This controversial rigorously researched book argues that they do Tali Mendelberg examines how and when politicians play the race card and then manage to plausibly deny doing so In the age of equality politicians cannot prime race with impunity due to a norm of racial equality that prohibits racist speech Yet incentives to appeal to white voters remain strong As a result politicians often resort to more subtle uses of race to win elections Mendelberg documents the development of this implicit communication across time and measures its impact on society Drawing on a wide variety of research including simulated television news experiments national surveys a comprehensive content analysis of campaign coverage and historical inquiry she analyzes the causes dynamics and consequences of racially loaded political communication She also identifies similarities and differences among communication about race gender and sexual orientation in the United States and between communication about race in the United States and ethnicity in Europe thereby contributing to a more general theory of politics Mendelberg s conclusion is that politicians including many current state governors continue to play the race card using terms like welfare and crime to manipulate white voters sentiments without overtly violating egalitarian norms But she offers some good news implicitly racial messages lose their appeal even among their target audience when their content is exposed Race and Racism in Continental Philosophy Robert Bernasconi,2003-06-18 The 15 original essays in Race and Racism in Continental Philosophy

explore the resources that continental philosophy brings to debates about contemporary race theory and investigate the racism of some of Europe's most important thinkers. Attention is devoted to the influence of the work of W E B Du Bois, Jean Paul Sartre, Richard Wright and Frantz Fanon. Questions about race in European philosophy especially in the work of Nietzsche, Heidegger, Levi Strauss and Arendt are also considered. This volume provides an indispensable critical introduction to new perspectives on thinking about race and racism.

Holocaust Angst Jacob S. Eder, 2016 Focusing on the German effort to rehabilitate its international reputation in the wake of the Holocaust, this study examines German-American relations from the 1970s through 1990.

The Rise and Fall of the German Democratic Republic Feiwel Kupferberg, Most public debate on reunited Germany has emphasized economic issues such as the collapse of East German industry, mass unemployment, career difficulties and differences in wages and living standards. The overwhelming difficulty resulting from reunification, however, is not persisting economic differences but the internal cultural divide between East and West Germans, one based upon different moral values in the two Germanies. The invisible wall that has replaced the previous highly visible territorial division of the German nation is rooted in issues of the past: the Nazi past as well as the German Democratic Republic past. In emphasizing economic differences, the media and academics have avoided dealing with typically German cultural traits. These include the psychological posture of West Germany which emphasized not differences between East and West but the break with Germany's Nazi past. The adversarial posture of certain professional groups in East Germany towards the liberal and democratic values of West Germany have also been an obstacle. Reviewing the problems accompanying reunification, chapter 1 explores German culture and history and the moral lessons evolved from the Nazi past. Chapter 2 focuses on the East-West mindset and how differences in attitude affect efforts to adapt to reunification. Chapter 3 discusses the simulated break with Nazi Germany in the German Democratic Republic. Chapters 4, 5 and 6 analyze the roots of the adversary posture of the professional groups in East Germany towards the values of the Berlin Republic. Chapter 7 demonstrates the strong presence of inherited typically German cultural traits among East Germans such as a lack of individualism, suspicion of strangers and obedience to authority. Chapter 8 documents the extent to which a right-wing extremist culture has remained latent in Eastern Germany. Chapter 9 documents the extent to which moral reasoning in the GDR relieves the individual of any kind of responsibility for the actions of the state, reproducing the way ordinary Germans rationalized their participation in the Nazi regime immediately after World War II. Chapter 10 concludes with an overview of the historical and sociological factors revolving around the discussion of Nazi Germany, the GDR and inner unification. This volume will be important for historians, political scientists, anthropologists, sociologists and a general public interested in Germany's reunification.

National Identities and International Relations Richard Ned Lebow, 2016-10-20 A comparative study of how and why people identify with their countries and the implications for foreign policy.

Jews and Germans Guenter Lewy, 2020-10-01 *Jews and Germans* is the only book in English to delve fully into the history and

challenges of the German Jewish relationship from before the Holocaust to the present day The Weimar Republic era the fifteen years between Germany's defeat in World War I 1918 and Hitler's accession 1933 has been characterized as a time of unparalleled German Jewish concord and collaboration Even though Jews constituted less than 1 percent of the German population they occupied a significant place in German literature music theater journalism science and many other fields Was that German Jewish relationship truly reciprocal How has it evolved since the Holocaust and what can it become Beginning with the German Jews struggle for emancipation Guenter Lewy describes Jewish life during the heyday of the Weimar Republic particularly the Jewish writers left wing intellectuals combat veterans and adult and youth organizations With this history as a backdrop he examines the deeply disparate responses among Jews when the Nazis assumed power Lewy then elucidates Jewish life in postwar West Germany in East Germany where Jewish communists searched for a second German Jewish symbiosis based on Marxist principles and finally in the united Germany illuminating the complexities of fraught relationships over time

Remembering the Holocaust in Germany, Austria, Italy and Israel Vincenzo

Pinto, 2021-10-11 Remembering the Holocaust in Germany Austria Italy and Israel *Vergangenheitsbewältigung* as a Historical Quest offers an account on post war coming to terms with the Holocaust tragedy in some European countries such as Germany Austria and Italy The subject has attracted more attention in recent years since the long transition to liberal democracy seems to have put an end to the main theme of the memory of the Second World War The main point of the volume is the making of a new generational memory after the end of history What is to be done after the making of a globalised world What about the memorialisation of the last century

Secondary Schools in Eastern Germany Stephanie

Wilde, 2003 *Turkish Guest Workers in Germany* Jennifer A. Miller, 2018-01-01 Turkish Guest Workers in Germany tells the post war story of Turkish guest workers whom West German employers recruited to fill their depleted ranks Jennifer A Miller's unique approach starts in the country of departure rather than the country of arrival and is heavily informed by Turkish language sources and perspectives Miller argues that the guest worker program far from creating a parallel society involved constant interaction between foreign nationals and Germans These categories were as fluid as the Cold War borders they crossed Miller's extensive use of archival research in Germany Turkey and the Netherlands examines the recruitment of workers their travel initial housing and work engagements social lives and involvement in labour and religious movements She reveals how contrary to popular misconceptions the West German government attempted to maintain a humane foreign labour system and the workers themselves made crucial often defiant decisions Turkish Guest Workers in Germany identifies the Turkish guest worker program as a postwar phenomenon that has much to tell us about the development of Muslim minorities in Europe and Turkey's ever evolving relationship with the European Union

Holocaust and Genocide Denial

Paul Behrens, Olaf Jensen, Nicholas Terry, 2017-05-18 This book provides a detailed analysis of one of the most prominent and widespread international phenomena to which criminal justice systems has been applied the expression of revisionist views

relating to mass atrocities and the outright denial of their existence Denial poses challenges to more than one academic discipline to historians the gradual disappearance of the generation of eyewitnesses raises the question of how to keep alive the memory of the events and the fact that negationism is often offered in the guise of historical revisionist scholarship also means that there is need for the identification of parameters which can be applied to the office of the genuine historian Legal academics and practitioners as well as political scientists are faced with the difficulty of evaluating methods to deal with denial and must in this regard identify the limits of freedom of speech but also the need to preserve the rights of victims Beyond that the question arises whether the law can ever be an effective option for dealing with revisionist statements and the revisionist movement In this regard Holocaust and Genocide Denial A Contextual Perspective breaks new ground exploring the background of revisionism the specific methods devised by individual States to counter this phenomenon and the rationale for their strategies Bringing together authors whose expertise relates to the history of the Holocaust genocide studies international criminal law and social anthropology the book offers insights into the history of revisionism and its varying contexts but also provides a thought provoking engagement with the challenging questions attached to its treatment in law and politics

The "Jew" in Cinema Omer Bartov, 2005 Explores cinematic representations of the Jew from film's early days to the present

Educations in Ethnic Violence Matthew Lange, 2011-12-12 In *Educations in Ethnic Violence* Matthew Lange explores the effects education has on ethnic violence Lange contradicts the widely held belief that education promotes peace and tolerance Rather Lange finds that education commonly contributes to aggression especially in environments with ethnic divisions limited resources and ineffective political institutions He describes four ways in which organized learning spurs ethnic conflicts Socialization in school shapes students' identities and the norms governing intercommunal relations Education can also increase students' frustration and aggression when their expectations are not met Sometimes the competitive atmosphere gives students an incentive to participate in violence Finally education provides students with superior abilities to mobilize violent ethnic movements Lange employs a cross national statistical analysis with case studies of Sri Lanka Cyprus the Palestinian territories India sub-Saharan Africa Canada and Germany

The Impact of Radical Right-Wing Parties in West European Democracies M. Williams, 2006-09-02 This book contends that far right parties play pivotal roles in setting the tone of political debates shaping the political party system and structuring government policy Increasingly as national governments attempt to cope with new realities of greater global migration strained welfare states and threats of foreign terror opportunities have opened for parties of the far right to position themselves strategically

Antisemitism And Xenophobia In Germany After Unification Introduction

In today's digital age, the availability of Antisemitism And Xenophobia In Germany After Unification books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Antisemitism And Xenophobia In Germany After Unification books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Antisemitism And Xenophobia In Germany After Unification books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Antisemitism And Xenophobia In Germany After Unification versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Antisemitism And Xenophobia In Germany After Unification books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Antisemitism And Xenophobia In Germany After Unification books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Antisemitism And Xenophobia In Germany After Unification books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Antisemitism And Xenophobia In Germany After Unification books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Antisemitism And Xenophobia In Germany After Unification books and manuals for download and embark on your journey of knowledge?

FAQs About Antisemitism And Xenophobia In Germany After Unification Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Antisemitism And Xenophobia In Germany After Unification is one of the best book in our library for free trial. We provide copy of Antisemitism And Xenophobia In Germany After Unification in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Antisemitism And Xenophobia In Germany After Unification. Where to download Antisemitism And Xenophobia In Germany After Unification online for free? Are you looking for Antisemitism And Xenophobia In Germany After

Unification PDF? This is definitely going to save you time and cash in something you should think about.
