

A woman with long dark hair, wearing a black and white keffiyeh headband, looks directly at the camera. She is holding a large white protest sign with bold, hand-painted text. The sign reads: "THE NAZIS ARE STILL AROUND THEY CALL THEMSELVES ZIONISTS NOW". The background is a blurred outdoor setting with other people and trees. A watermark "anadoluimages" is visible on the right side of the sign.

THE NAZIS
ARE STILL AROUND
THEY CALL THEMSELVES
ZIONISTS NOW

Antisemitism And Zionism

Antisemitism And Zionism:

Anti-Semitism and Anti-Zionism in Historical Perspective Jeffrey Herf, 2013-10-31 Previously published as a special issue of The Journal of Israeli History this book presents the reflections of historians from Israel Europe Canada and the United States concerning the similarities and differences between anti Zionism and anti Semitism primarily in Europe and the Middle East Spanning the past century the essays explore the continuum of critique from early challenges to Zionism and they offer criteria to ascertain when criticism with particular policies has and has not coalesced into an ism of anti Zionism and anti Semitism Including studies of England France Germany Poland the United States Iran and Israel the volume also examines the elements of continuity and break in European traditions of anti Semitism and anti Zionism when they diffused to the Arab and Islamic Essential course reading for students of religious history

Crossovers Shlomo Sharan, 2018-02-06 Crossovers compares Jewish anti Zionism and Palestinian anti Semitism from political and philosophical points of view The authors goal is to expose what is unique about these phenomena and what they share so that both ideologies and their practical impact can be better understood The authors identify a symbiotic relationship between anti Semitic Palestinian doctrines and those Jews who are anti Zionists There has been a great deal of research on these as separate phenomena but there has thus far been no research that has noted their similarities Palestinian anti Semitism and Jewish anti Zionism may stem from different sources but they have similar consequences Palestinian views derive from religious Islamic as well as nationalist Arab roots while the views of anti Zionist Jews grew out of an ideological Marxist Trotskyite background But both share a common goal the destruction of the Jewish Zionist nation and a common strategy to achieve a bi national state as a first stage in the march to this goal Jewish history is replete with examples of how Jews have ignored repeated threats and acts of violence against them That characteristic of Jews reflects their Messianic belief but it lacks a basis in history That belief has resisted change even in the face of threats that were obvious and that have endangered Jewish lives in the past Contemporary anti Zionists share this optimistic outlook Paradoxically while the Jewish Zionist State of Israel contends in public that another Holocaust will not happen and is patently impossible the lesson of recent Jewish history is that a Holocaust can happen again This work is unrelenting in its criticisms and tough minded in its assessments of the future It merits careful serious reading

Anti-Zionism and Antisemitism in the Contemporary World Robert S. Wistrich, 1990-06-18 With its origins in a conference organized by the Institute of Jewish Affairs in London this book asks if a common denominator can be found between the anti Semitism that has existed through the ages and more contemporary forms of anti Zionism

Anti-Zionism, Antisemitism, and the Challenge for Israel Efraim Karsh, Efrat Aviv, 2025-04-25 It has been one of Zionism s foremost credos that so long as Jews continued their millenarian dispersal as small minorities in countless countries around the globe antisemitism would remain unabated Only by reinstating the Jewish people as an equal member of the comity of nations through reestablishment of its own independent state in the ancestral homeland would Jews

be able to regain normalcy and respectability and to ameliorate if not eliminate this long hatred What this buoyant prognosis failed to consider however is that the prejudice and obsession that had hitherto been reserved for Jewish individuals and communities would be redirected to the Jewish state Hence nearly 80 years after its establishment by an internationally recognized act of self determination Israel remains the only state in the world whose right to self defence indeed to national existence is constantly challenged not only by its Arab enemies but by segments of advanced opinion in the West The chapters in this volume by a distinguished group of international scholars discusses the origins of this hateful phenomenon and its implications for the state of Israel and world Jewry including the social psychology of contemporary antisemitism the Israelization of Jew hatred and the concept of antisemitism light the anti Israel apartheid and racism calumnies international media delegitimization campaigns and manifestations of antisemitism in the Middle East and East Asia The chapters in this book were originally published as a special issue of Israel Affairs Anti-Zionism and Antisemitism Alvin H.

Rosenfeld,2019-01-09 Seventeen essays by scholars examining the links between anti Semitism and attitudes toward Israel in the current political climate How and why have anti Zionism and antisemitism become so radical and widespread This timely and important volume argues convincingly that today s inflamed rhetoric exceeds the boundaries of legitimate criticism of the policies and actions of the state of Israel and conflates anti Zionism with antisemitism The contributors give the dynamics of this process full theoretical political legal and educational treatment and demonstrate how these forces operate in formal and informal political spheres as well as domestic and transnational spaces They offer significant historical and global perspectives of the problem including how Holocaust memory and meaning have been reconfigured and how a singular and distinct project of delegitimization of the Jewish state and its people has solidified This intensive but extraordinarily rich contribution to the study of antisemitism stands out for its comprehensive overview of an issue that is both historical and strikingly timely **Zionism and Anti-Semitism** Gustav Gottheil,2019-02-13

Among the persons of the educated classes who follow with any attention all the more important movements of the times it would now be difficult to find one to whom the word Zionism is quite unknown People are generally aware that it describes an idea and a movement that in the last years has found numerous adherents among the Jews of all countries but especially among those of the East Comparatively few however both among the Gentiles and the Jews themselves have a perfectly clear notion of the aims and ways of Zionism the Gentiles because they do not care sufficiently for Jewish affairs to take the trouble to inform themselves at first hand as to the particulars the Jews because they are intentionally led astray by the enemies of Zionism by lies and calumnies or because even among the fervent Zionists there are not many who have probed the whole Zionist idea to the bottom and are willing or able to present it in a clear and comprehensible fashion without exaggeration and polemical heat I will endeavor to furnish readers of good faith who are not biased and have no other interest than that of gaining authentic information about a phenomenon in contemporary history as concisely and soberly as possible with all the facts as they really are not as they

are reflected in muddled brains or distorted and falsified by calumniators

Key Concepts in the Study of Antisemitism Sol Goldberg, Scott Ury, Kalman Weiser, 2020-12-02 This volume is designed to assist university faculty and students studying and teaching about antisemitism racism and other forms of prejudice In contrast with similar volumes it is organized around specific concepts instead of chronology or geography It promotes conversation about antisemitism across disciplinary geographic and thematic lines rather than privileging a single methodological paradigm a specific academic field or an overarching narrative Its twenty one chapters by leading scholars in diverse fields address the relationship to antisemitism of concepts ranging from Anti Judaism to Zionism Each chapter not only traces the history and major scholarly debates around a key concept it also presents an original argument points to avenues for further research and exemplifies a method of investigation

The Making and Unmaking of a Zionist Antony Lerman, 2012-08-06 Antony Lerman traces his five decade personal and political journey from idealistic socialist Zionist to controversial critic of Israel s aggression towards the Palestinians As head of an influential UK Jewish think tank he operated at the highest levels of international Jewish political and intellectual life He recalls his 1960s Zionist activism two years spent on kibbutz and service in the IDF followed by the gradual onset of doubts about Israel on returning to England Assailed for his growing public criticism of Israeli policy and Zionism he details his ostracism by the Jewish establishment With a sharp insider s critique Lerman presents a powerful human rights based argument about how a just peace can be achieved

An Arrogant Oppressive Spirit Rivka Yadlin, 1989 Examines hostile expressions towards Israel in Egypt of the 1980s Focuses on the content and ideological context of these expressions and their place in trends of thought in Egypt Notes that the hostile attitudes are expressed as spontaneous public views and are not directed by the regime and that there are new motifs such as the cultural assault on the Egyptian mind Analyzes the writings of three trends Nasserite pan Arabism the Islamic Left and the Social Democrats of the establishment mainstream Concludes that negation of Zionism and denial of Israel s right to exist is the current attitude in the Egyptian establishment Moreover Zionism and Judaism are intertwined in the writings Anti Zionism is thus inherently an expression of anti Judaism against Judaism both as culture and religion Discusses recurrent motifs e g the odium of the Jews the sin of Jewish particularism the Western aspect of Israel s culture and the growing influence of traditional Islamic religiosity in Egypt

Anti-Judaism, Antisemitism, and Delegitimizing Israel Robert S. Wistrich, 2016-12-01 Although early Zionist thinkers perhaps naively believed that anti Jewish persecution would end with sovereignty anti Zionism has become one form of the new antisemitism following World War II Because antisemitism has not been effectively addressed anti Jewish rhetoric activism and deadly violence have flourished around the world In *Anti Judaism Antisemitism and Delegitimizing Israel* editor Robert S Wistrich and an array of notable academics journalists and political scientists analyze multiple aspects of the current surge in anti Jewish and anti Israel rhetoric and violence Contributors Ben Cohen R Amy Elman Lesley Klaff Matthias K ntzel Nelly Las Alvin H Rosenfeld and Efraim Sicher among others examine antisemitism from the perspectives of history

academia gender identity and religion Offering a variety of viewpoints and insights into disturbing trends worldwide the contributors provide a basis for further discussion and increased efforts to counter the increasingly vocal and violent hatred of Jews and Israel

Zionism and Revolution in European-Jewish Literature Laurel Plapp, 2008 Zionism and Revolution in European Jewish Literature examines twentieth century Jewish writing that challenges imperialist ventures and calls for solidarity with the colonized most notably the Arabs of Palestine and Africans in the Americas Since Edward Said defined orientalism in 1978 as a Western image of the Islamic world that has justified domination critics have considered the Jewish people to be complicit with orientalism because of the Zionist movement However the Jews of Europe have themselves been caught between East and West both marginalized as the Orientals of Europe and connected to the Middle East through their own political and cultural ties As a result European Jewish writers have had to negotiate the problematic confluence of antisemitic and orientalist discourse Laurel Plapp traces this trend in utopic visions of Jewish Muslim relations that criticized the early Zionist movement in post Holocaust depictions of coalition between Jews and African slaves in the Caribbean revolutions and finally in explorations of diasporic transnational Jewish identity after the founding of Israel Above all Plapp proposes that Jewish studies and postcolonial studies have much in common by identifying ways in which Jewish writers have allied themselves with colonized and exilic peoples throughout the world

An Anti-Zionist Path to Embodied Jewish Healing Wendy Elisheva Somerson, PhD, 2025-05-13 Unapologetically anti Zionist and firmly rooted in Jewish spiritual values a liberatory model for Jewish healing Body based tools and faith based practices for processing trauma reclaiming our agency and building a world where never again means never again for anyone an accessible pathway for healing from historical trauma releasing it from our bodies and preventing it from being passed on to future generations This may well be the missing piece for breaking the pattern of violence undergirding Israeli apartheid and occupation Naomi Klein author of *Doppelganger A Trip Into the Mirror World* Dr Wendy Elisheva Somerson PhD shows how Jewish history lives in Jewish bodies and how antisemitism and oppression disrupt our access to safety dignity and belonging This unmetabolized trauma can lock us into a survival state that brings historical grief into the present moment and keep us from exploring critical questions that help us tend our legacies and live into a better world How does ancestral grief live on in our bodies and keep us from feeling safe and how is that fear enacted on other peoples How do we reconcile a history of persecution with the state power of Israel today Each chapter invites us back into the body exploring healing as a spiritual and political reclamation With skills based wisdom for trauma safety spiritually grounded intentions and resourcing ourselves for difficult conversations this book also helps readers understand Trauma and healing through our bodies Jewish longing belonging legacies of assimilation Healing shame of not being Jewish enough of being too much and of being complicit Embodied experiences of Jewish resilience ritual and grief Rooted in justice care and spiritual depth this book asks us to live into a Judaism beyond Zionism It invites us to heal toward liberation to reclaim Jewish faith and release Jewish identity from the

colonial project of Israel in power skill and community *Antisemitism and Anti-Zionism* Dr Rusi Jaspal, 2014-10-28

Antisemitism and anti Zionism are complex delineable yet inter related social psychological phenomena While antisemitism has been described as an irrational age old prejudice anti Zionism is often represented as a legitimate response to a rogue state Drawing upon media and visual sources and rich interview data from Iran Britain and Israel *Antisemitism and Anti Zionism Representation Cognition and Everyday Talk* examines the concepts of antisemitism and anti Zionism tracing their evolution and inter relations and considering the distinct ways in which they are manifested and responded to by Muslim and Jewish communities in Iran Britain and Israel Providing insights from social psychology sociology and history this interdisciplinary analysis sheds light on the pivotal role of the media social representations and identity processes in shaping antisemitism and anti Zionism As such this provocative book will be of interest to social scientists working on antisemitism race and ethnicity political sociology and political science media studies and Middle Eastern politics *Critical Theories of Anti-Semitism* Jonathan Judaken, 2024-06-04 Despite its persistence and viciousness anti Semitism remains undertheorized in comparison with other forms of racism and discrimination How should anti Semitism be defined What are its underlying causes Why do anti Semites target Jews In what ways has Judeophobia changed over time What are the continuities and disconnects between medieval anti Judaism and the Holocaust How does criticism of the state of Israel relate to anti Semitism And how can social theory illuminate the upsurge in attacks on Jews today Considering these questions and many more this book is at once a philosophical reflection on key problems in the analysis of anti Semitism and a history of its leading theories and theorists Jonathan Judaken explores the methodological and conceptual issues that have vexed the study of Judeophobia and calls for a reconsideration of the definitions categories and narratives that underpin overarching explanations He traces how a range of thinkers have wrestled with these challenges examining the theories of Jean Paul Sartre the Frankfurt School Hannah Arendt and Jean Fran ois Lyotard alongside the works of sociologists Talcott Parsons and Zygmunt Bauman and historians L on Poliakov and George Mosse Judaken argues against claims about the uniqueness of Judeophobia demonstrating how it is entangled with other racisms Islamophobia Negrophobia and xenophobia *Critical Theories of Anti Semitism* not only urges readers to question how they think about Judeophobia but also draws them into conversation with a range of leading thinkers whose insights are sorely needed in this perilous moment **Nationalism, Zionism and Ethnic Mobilization of the Jews in 1900 and Beyond** Michael Berkowitz, 2004-02-01 This volume engages diverse topics such as art music and radio broadcasting in the development of modern Jewish nationalism by leading scholars in their respective fields It contains richly detailed studies that challenge existing historiography from personal struggles with nationalism to the lesser known origins of the Balfour Declaration from boisterous demonstrations on the streets of pre World War I Galicia to skirmishes between Jews in present day Jerusalem It examines how nationalism has worked in theory and practice for Jews and at times been fiercely resisted Beginning with the memory of Theodor Herzl and his cohort at the

London Zionist Congress of 1900 this book revisits the wider scene of Zionism's emergence as we explore the imagination of and the attempted national mobilization of Jewry throughout the twentieth century Contributors include Delphine Bechtel Nachman Ben Yehuda Michael Berkowitz Inka Bertz Philip Bohlman John M Efron Richard A Freund Francois Guesnet Michael L wy Barbara Mann Derek Penslar James Renton Aviel Roshwald Joshua Shanes *Zionism and Anti-Semitism in Nazi Germany* Francis R. Nicosia, 2010-08-30 This is a study of the ideological and political relationship between Zionism and anti-Semitism in modern Germany from the nineteenth century through the Third Reich focusing on the years between 1933 and 1942 It considers three contentious issues in post Holocaust historiography and debate the nature of modern German anti-Semitism the decision making process leading to the Nazi mass murder of the Jews of Europe and the nature and role of German Zionism in German Jewish history before the Holocaust This study sheds more light on both the ideological and practical assault of German anti-Semitism and Nazi Jewish policy on the Jews of Central Europe as well as the ideological and political response of some German Jews the Zionists to that assault It concludes that the attitudes and policies of German anti-Semitism and National Socialism toward Zionism reflect a relatively consistent ideology that was applied in an inconsistent and contradictory manner *Anti-Zionism as an Expression of Antisemitism in Recent Years* Robert S. Wistrich, 1985

Social Work and Antisemitism Carole B. Cox, Dana B. Marlowe, 2024-12-29 This timely book on social work and antisemitism fills an important gap in social work education and in the profession The ethics and framework of the social work profession demand that it confronts oppression and prejudice while working for a socially just society However education on antisemitism is seldom included in social work curriculum or in diversity equity and inclusion DEI programs This text addresses this need for education and intervention and includes a teaching guide for use in social work curriculum as well as social work practice Antisemitism hatred and discrimination against Jewish people and Jewish institutions is perhaps the oldest form of oppression Throughout history as with other oppressions myths and stereotypes to substantiate antisemitism were developed More recently however antisemitism has been increasing steadily across the globe Combatting and dismantling it is critical for both Jewish people and institutions the social work profession and for society In the book the authors discuss antisemitism's history the role of the Holocaust contemporary manifestations of antisemitism and its impact on individuals and societies Among the topics covered are Introduction Human Rights Social Justice and Social Work Palestine Israel and Zionism Contemporary Antisemitism Antisemitism and Mental Health Antisemitism A Guide for Teaching and Social Work Practice Social Work and Antisemitism Issues and Interventions offers a foundation for combatting antisemitism and addresses the need for social work involvement The book can be used as a primary or secondary text for courses that cover diversity human rights human development ethnicity oppression and mental health in Bachelor or Masters level programs in schools of social work In addition the book can be used in other programs such as DEI or by other disciplines interested in learning about and educating about antisemitism **The New Anti-Semitism** Arnold

Forster, Benjamin R. Epstein, 1974 Defines a new postwar antisemitism as moral indifference to antisemitism mainly in American society whereby hatemongers are being ignored or forgotten This is seen as culminating in inaction in the face of danger to the Jewish state posed by the threat and then the reality of the attack on Israel on Yom Kippur in 1973 Single or multiple chapters treat Gerald K Smith s Christian antisemitism Blacks the Christian clergy s failure to accept the need for a Jewish state the media s spreading of anti Jewish stereotypes including in films anti Zionism and antisemitism among the radical Left communists Arabs and pro Arabists including Jews antisemitism in the USSR Western Europe and Latin America and right wing hatemongers Berates both tolerance of and apologists for antisemitism in all its manifestations

What is Antisemitism? Linda Maizels, 2022-09-30 In October 2018 a white supremacist murdered eleven Jewish worshipers and wounded six others at the Tree of Life Synagogue in Pittsburgh Pennsylvania the deadliest attack on Jews ever perpetrated in the United States The gunman s motivation to kill Jews stemmed from his belief that Jews were committing genocide against white Americans Although his animosity was motivated by a racial conception of Jews the attack took place in a house of worship illustrating the complex and interlocking web of anti Jewish hatred based on race ethnicity nationality religion economic issues and conspiracy theory that is commonly referred to as antisemitism What is Antisemitism provides a detailed overview of this complex topic It offers a history of anti Jewish animosity from antiquity to the present a discussion of the difficulties of defining antisemitism arguably one of the most contentious issues in the contemporary discourse on the subject and three case studies illustrating the diverse and wide ranging nature of the phenomenon in the present day including examples from the political far right the political hard left and radical Islamism With suggestions for further reading and a chronological structure this volume is an accessible and essential student textbook
