 than others In Carson s Point Colorado the dead do not rest but rise every night and try to kill whatever crosses their path
 Those dead are merely the symptom of something far worse something ancient and evil that does not care for the Europeans
 taking the lands or for those who lived there before The living do not matter the dead are tools the possible spawn of the pale
 white thing lurking in the woods are all that is important to that dreadful force It will kill anything that gets in its path and
 make living and the deceased suffer for their transgressions Carson s Point is on a course that leads straight to Hell unless
 something comes along that can fight back against the unnatural servants of the thing that wants the boomtown destroyed

 well be able to save the town but if he does he ll exact a terrible price The new sheriff has his work cut out for him There are
 savages waiting outside the town dead things crawling from the grave bad men set on taking what they want and fools
 aplenty trying to survive the disasters coming their way until they can once again go hunting for the dreams they hope will
 change their lives Jonathan Crowley could very well be the salvation that the town needs but he has no desire to help anyone
 living there and has settled himself on one mission and one mission only revenge against the soldiers that left him for dead
 The Hunter has quit and no longer wants anything to do with justice for humans or stopping the evil things that feast on
 humanity s sorrows Evil grows throughout the town mortal evil and things far worse And when the sun sets that evil takes
 root and spreads like wildfire **New Monthly Magazine, and Universal Register** Thomas Campbell, Samuel Carter
