,1866 I Am a Child of the Most High God Robert W. Ward,2024-12-17 I Am a Child of the Most High God is a book about our identity in Christ and who God made us to be So often we identify with who this world says that we are but that is not who we are at all God created us in His image That means we are spiritual beings with three parts spirit soul and body Also God created us as male and female with distinct roles and gifts that He has given to us So often we try to be someone we are not This causes us pain and heartache in this life It has been the same for me until God started talking to me about the truths in this book He told me to start saying what He says about me not what I see or perceive that the world is saying about me Once I started doing this His Word began to transform my life As I began to quote what His Word says about me I began to see changes in how I thought about myself My outlook on life began to change and it is still changing I might add When a contractor builds a house in order for it to look like its initial design he must follow the blueprint for the house from beginning to end It is the same for us In order for our lives to be truly fulfilled and full of happiness we must follow God's

blueprint for our lives which is His Word I challenge you to read the truths in this book and dare you to apply them to your own life Also don't stop with just these nine concepts Dig deeper on your own and discover more of who He created you to be
