Conway,2020-11-06 American church participation has plummeted in recent decades Abuse scandals and hypocrisy hang in the air Weekly I talk to friends and neighbors who have left church even as many still identify as Christians I get what they re saying When I consider the pain that so many have experienced in church life the body of Christ sure seems broken It s no wonder many don t find church to be worth it But maybe there s more to the story As a child my family experienced deep crisis I felt alone and vulnerable Into that void the church stepped in I discovered a family a people that have my back and forever changed my life Even now I see tangible ways the church works for the common good The church possesses a resilient beauty that continually pushes through the brokenness If we love Jesus we have to eventually ask what Jesus loves Surprising to me at times Jesus loves the church despite her brokenness If we learn to see what Jesus sees we ll discover a powerful often untapped means towards human flourishing No other social group offers what the church offers Yes the church is broken but there s more She s beautiful *Sadie* g.l. parker, *The Day My Mother Cried and Other Stories*

William D. Kaufman,2010-09-03 The lasting charm of Kaufman s stories lies in a delightful mix of personal incidents and observations set against an anchoring backdrop of cultural tradition His new collection is filled with tales from his parents homeland in the Ukraine his own childhood reminiscences and his adult travels We watch the young author forced alongside every Jewish boy on the block to emulate Yehudi Menuhin on a ten dollar violin with a moldy bow until the boy is spared by an innate lack of talent and his father s judgment of his concert Enough is enough is more than enough Kaufman is carefully attuned to the awkwardness of adulthood as well as to that of early adolescence In Interlude in Bangkok his narrator scours the city for a synagogue while pursued by a prostitute Later he and a friend encounter Greta Garbo in a museum caf and are too frightened to approach her Aware of their intrigue the mysterious movie star intones I am not she Kaufman in his own way says that of himself in these stories through an autobiographical narrator whose memories take on resonant literary shapes in their retelling **The Sweetheart is in** Sandi L. Wisenberg,2001 The yearnings of a little sister the hazy memories of a concentration camp liberator and the romantic entanglements of political activists are portrayed in The

Sweetheart Is In S L Wisenberg s first collection of short stories Each of these edgy lyrical stories creates its own universe in the space of a few pages even while overlapping characters and themes The award winning title story captures the longings personal and political of a sensitive girl on the cusp of adolescence as she tries to find her place in the world and within her self contained Jewish community in Houston during the Vietnam era Wisenberg also reveals a mischievous side when she retells well known fairy tales in a darkly whimsical fashion Wisenberg s work is part of today s renaissance in Jewish storytelling Many of her characters are forced to navigate between doubt and faith but fortunately equipped with humor and wisdom

Blessing Shirley Moore,2001 The Blessing begins as a writing exercise that takes on a life of its own A blue chest of drawers and the blessing it contains touch the lives of fifteen women giving to them the desire of a lifetime Meet Sarah and Juliette mother and daughter who share a child Laurie who owned the chest and then opens her home to a new mother Aunt Rachel and Uncle Budge a couple who get a second chance at a family Maida who rears her granddaughter and Ed whose mother discovers the blue chest for a second time The blue chest is an upbeat novel that you will hate to see end A 2001 South Dakota State Fair Literary Competition Blue Ribbon winner
