Antaeus No 42 The Prolific And The Devourer W H Auden

Michael Brown

Antaeus No 42 The Prolific And The Devourer W H Auden:

The Apocalypse in English Renaissance Thought and Literature C. A. Patrides, Joseph Anthony Wittreich, 1984 *The Age of Auden* Aidan Wasley, 2010-12-28 How W H Auden's emigration to the United States changed the course of postwar American poetry W H Auden's emigration from England to the United States in 1939 marked more than a turning point in his own life and work it changed the course of American poetry itself The Age of Auden takes for the first time the full measure of Auden's influence on American poetry Combining a broad survey of Auden's midcentury U S cultural presence with an account of his dramatic impact on a wide range of younger American poets from Allen Ginsberg to Sylvia Plath the book offers a new history of postwar American poetry For Auden facing private crisis and global catastrophe moving to the United States became in the famous words of his first American poem a new way of happening But his redefinition of his work had a significance that was felt far beyond the pages of his own books Aidan Wasley shows how Auden's signal role in the work and lives of an entire younger generation of American poets challenges conventional literary histories that place Auden outside the American poetic tradition In making his case Wasley pays special attention to three of Auden's most distinguished American inheritors presenting major new readings of James Merrill John Ashbery and Adrienne Rich The result is a persuasive and compelling demonstration of a novel claim In order to understand modern American poetry we need to understand Auden's central place within it **Antaeus** Wystan Hugh Auden, 1981 [Subject Guide to Books in Print](#), 1996

Paperbound Books in Print, 1992 **Artscribe**, 1982 *Displaced Persons* Sharon Ouditt, 2002 This lively and intellectually vigorous conspectus of studies approaches the subject of exile from a variety of disciplinary perspectives The essays range across a variety of disciplines literary studies modern languages history of science philosophy and museum studies [Books in Print](#), 1994 **International Dictionary of Theatre: Playwrights** Mark Hawkins-Dady, Leanda Shrimpton, David Pickering, 1992 A dictionary of playwrights which contains 485 entries each of which includes biographical information on the playwright complete lists of published works with dates of performance and a bibliography of critical studies on the playwright *Books in Print Supplement*, 2002 **Antaeus**, 1981 **Arts & Humanities Citation Index**, 1981 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals [The Prolific and the Devourer](#) Wystan Hugh Auden, 1981 **The Prolific And The Devourer** W.H. Auden, 1996-06-01 W H Auden is unquestionably one of the most fascinating and influential literary figures of the twentieth century His formal innovations in poetry and drama have immeasurably affected modern literary consciousness as have his reactive views about political and literary trends At the time he wrote *The Prolific and the Devourer* Auden was moving away from his vocal Marxism of the 1930s toward a committed Christianity in the 1940s and beyond *The Prolific and the Devourer* sheds new light on the personal and public worlds he inhabited philosophically drawing the line between the

position of the artist and that of the politician The book takes its title and in part its form from William Blake s The Marriage of Heaven and Hell In Auden s interpretation the Prolific are those who produce the farmer the skilled worker the scientist the cook the innkeeper the doctor the teacher the athlete the artist The Devourers are the political types who depend on what is already produced for their well being the Judges Policemen Critics These are the real Lower Orders the low sly lives whom no decent person should receive in his house As in Blake the sections and subsections of Auden s book are unified and propelled by the oracular need to express the key components of human nature The first section contains a series of aphoristic statements and personal reflections that usher us into the enormous territory to be explored In the second section Auden chooses examples from politics religion and literature to expound his views on human and historical evolution The third section examines the characters of the Prolific and the Devourer in relation to Catholic Protestant and Romantic traditions and to Socialist and Fascist beliefs The question and answer form employed in the final section allows Auden to reveal his inner struggle to reach some understanding of God the supernatural and pacifism At a time when spiritual and political values are co

Prolific and the Devourer W. H. Auden,1996 **W.H. Auden** Wystan Hugh Auden,1966 Auden Reads Auden W. H. Auden,1996-06-01 Epistle to a Godson, and Other Poems Wystan Hugh Auden,1972-01-01 *W.H. Auden* Wystan Hugh Auden,1962
