Steck-Vaughn Pair-It Books Emergent Stage 2, 1997 Pair it books is an emergent through proficiency reading program of companion fiction and nonfiction books paired by topic and reading level Pair it books help students move from reading fictional narratives to reading nonfiction for information Stage 1 for Grades K 1 **The Forgotten** Tamara Thorne, 2013-09-03 Reprinted Edition The Past Will Banning survived a childhood so rough his mind has blocked it out almost entirely especially the horrific day his brother Michael died a memory that flickers on the edge of his consciousness as if from a dream Isn't Gone Now as a successful psychologist Will helps others dispel the fears the past can conjure But he has no explanation for the increasingly bizarre paranoia affecting the inhabitants of Caledonia California many of whom claim to see terrifying visions and hear ominous voices voices that tell them to do unspeakable things It's Deadly As madness and murderous impulses grip the coastal town Will is compelled to confront his greatest fear and unlock the terrifying secret of his own past in a place where evil isn't just a memory it's alive and waiting to strike Praise for the supernatural thrillers of Tamara Thorne A tapestry of chills and scares that will be remembered long after the lights have gone out Douglas Clegg Tamara Thorne has an uncanny knack for combining the outrageous with the shuddery making for wonderful scary romps and fun reading Chelsea Quinn Yarbro *A Tale of Two Demon Slayers* Angie Fox, 2013-01-15 Last month I was a single preschool teacher whose greatest thrill consisted of color coding my lesson plans That was before I learned I was a slayer Now it's up to me to face curse hurling imps vengeful demons and any other supernatural uglies that crop up And to top it off a hunk of a shape shifting griffin has invited me to Greece to meet his family But it's not all sun sand and ouzo Someone has created a dark magic version of me with my powers and my knowledge and it wants to kill me and everyone I know Of course this evil twin doesn't have Grandma's gang of biker witches a talking Jack Russell terrier or an eccentric necromancer on its side In the ultimate showdown for survival may the best demon slayer win *The Legend of Mighty Mabel* Vance Avis, 2011-08-03 In the distance the ominous rumblings of thunder can be heard while a dark drizzle begins to fall on a dreary summer afternoon that makes no sunny pretenses about what is coming Albert is at Professor Charles house for a high energy physics lesson when a friend bearing a high energy piece of bad news bursts through the doorway The news relates to the murder of a dear friend a week ago and what Albert saw on that foggy night There was a ghostly figure wielding a sword in a rowboat near the scene of the riverbank killing Prof Charles quickly states Albert there is a sword in a diabolically haunted mansion not far from here The mansion was owned by a rich man who was so sinister that many considered him to be the Devil incarnate and he was referred to as The Sovereign of Sin Upon his death several morbidly evil spirits hastily escaped to various rooms of the mansion In one of those rooms is a knight with a sword But the mansion is confusing in its

construction and those brave enough to have entered it while being stalked by rattling chains cannot agree on where the room is Albert's girlfriend Molly has just arrived Molly's mother Mabel is a revered teacher and she often helps Albert by telling him her Lessons of Life Sometimes ideas that have become part of our entrenched assumptions need to be looked at again Reexamine all your assumptions even those you find irrefutable and relook at clues you have been unable to fit into any assumption Perhaps that will lead you in new directions The news of a sword accessible to the murderer gives Albert and Molly a new clue to follow Molly considers finding the killer their higher calling and Albert follows clues with the enthusiasm and perspicacity of Sherlock Holmes They start their journey with trepidation The densely tree surrounded path to the haunted mansion begins surreally serene given that its destination is the home of The Sovereign of Sin Only the storm clouds and the heavy mist add a subtle version of reality which precedes the more demanding version that occurs when a huge lightning strike hits nearby The closer Albert and Molly get to the haunted mansion the more the path takes on the threatening encompassment of their goal The trees and thick overgrowth turn into strangely evil forms as they become darkly shadowed and more impenetrable and the sky fills with ghost shaped black rain clouds that close in on Molly and Albert and move and morph and forebode the fast approaching ill omened night Then another massive lightning strike with its bone rattling thunder shakes Molly and Albert's nerves raw Did you see that exclaims Albert terrifyingly as he points up to a spot in one of the trees ahead of them See what asks Molly worriedly During the lightning up in that tree I saw something staring at us anxiously responds Albert It was the form of a ghost which looked to me like one of the morbidly wicked spirits that The Sovereign of Sin turned into upon his death As they slowly walk past the tree each stares up at the spot then another lightning flash occurs and instantaneously both their expressions turn ghostly fear stricken They run past the tree Albert exclaims So you saw The Sovereign of Sin's malevolent spirit No cries Molly I saw the Grim Reaper reaching out to grab me Great ghouls declares Albert Aren't we two with our spine chilling imaginations going to have fun in the haunted mansion Albert and Molly have many grand adventures in store for them as they follow clues to a killer lurking near the rich waters of the grand old river and its lush surrounding forest The Legend of Mighty Mabel is the story of a summer of wonderful joy great adventures scary fun fun for the sake of fun and a bit of romance And it is the story of the bravery the love and the Lessons of Life of Mighty Mabel
