Church Ecclesiastical History promises an enlightening dialogue between the past and the present inviting readers to uncover the profound impacts of Christianity on global culture **Syriac Documents Attributed to the First Three Centuries** ,1871 **How Greek Philosophy Corrupted the Christian Concept of God** Richard R. Hopkins,2023-02-14

This insightful book brings profound new insights to the Trinitarian doctrines of orthodox Christianity With clear and precise documentation the book shows how these doctrines migrated into early Christianity from Greek philosophy The various aspects of Trinitarian belief are isolated linked to their Greek sources and carefully analyzed to show they differ radically from biblical teaching The Writings of early Church Fathers portrayed in their historical context show that during the second century theological concepts taught in Platonism were adopted as Christianity struggled to end Roman persecution Emperor Marcus Aurelius a famous Stoic philosopher was putting Christians to death because their belief did not conform to the Hellenized religion of the day The book shows that the early church fathers sought to save their people s lives by redefining the Christian God in Greek terms Their efforts brought metaphysics to Christianity and ushered in concepts like the Trinity After presenting the historical setting in which these philosophical errors were embraced as Christian doctrine the book compares orthodox Christian theology today called classical theism to biblical teachings The book identifies how Greek philosophy has influenced major attributes of God taught in classical theism The book constitutes a major challenge to those who accept the tenants of classical theism but do not know the many aspects of their doctrine that are based on Greek philosophy *Life After Roe* David Closson,2025-04-01 *Life After Roe* equips believers with the knowledge and tools needed to navigate the evolving landscape surrounding abortion after the Dobbs v Jackson decision **Should Christianity Abandon the Doctrine of the Trinity?** Michael Barber,2006-11 This is a highly controversial exposition of a doctrine which has dominated Christianity for two thousand years The book takes apart piece by piece the very foundation that so many religions use to support the belief that there are three persons in one God It analyses the major scriptural references pointed to in Trinity support texts and examines them in the light of biblical context and by original language comparisons World renowned authorities on biblical Hebrew and Greek are sought for their views on these key scriptures This is a compelling book which turns the very foundation of Christianity onto its head
