

The title page features a large, ornate laurel wreath that frames the central text. At the top of the wreath is a small crest. Below the wreath is a royal coat of arms, which is a shield supported by two lions, topped with a crown. The shield is divided into four quarters, each containing a different symbol. The entire design is set against a dark background.

Anthology Of Poems On Affairs Of State Augustan Satirical Verse 1660 1714:

Anthology of Poems on Affairs of State George de Forest Lord, 1975 **Poems on Affairs of State** George deF. Lord, 1963-01-01 Deep conflicts in Restoration England produced a torrent of satirical verse on the policies manners and morals of Charles II and his age Almost every poet impelled by motives ranging from venality to patriotism took his turn at satirizing the establishment These Poems on Affairs of State as they came to be known provide an inexhaustible and minute record of the times from every point of view The first volume of the Yale Edition includes the most important pieces published and unpublished dealing with events from the restoration of Charles to the outbreak of the Popist Plot in 1678 It is fully annotated and illustrated from contemporary materials George deForest Lord associate professor of English at Yale University and Master of Trumbull College is general editor of the series as well as editor of this first volume *The Oxford History of Poetry in English* Laura L. Knoppers, 2024-08-08 Beginning with the last years of the reign of Elizabeth I and ending late in the seventeenth century this volume traces the growth of the literary marketplace the development of poetic genres and the participation of different writers in a century of poetic continuity change and transformation The Columbia Granger's Guide to Poetry Anthologies William A. Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology The Oxford History of Poetry in English, 2024-08-08 The Oxford History of Poetry in English OHOPE is designed to offer a fresh multi voiced and comprehensive analysis of poetry from Anglo Saxon culture through contemporary British Irish American and Global culture including English Scottish and Welsh poetry Anglo American colonial and post colonial poetry and poetry in Canada Australia New Zealand the Caribbean India Africa Asia and other international locales OHOPE both synthesizes existing scholarship and presents cutting edge research employing a global team of expert contributors for each of the fourteen volumes By taking as its purview the full seventeenth century 1603 1700 this volume re draws the existing literary historical map and expands upon recent rethinking of the canon Placing the revolutionary years at the centre of a century of poetic transformation and putting the Restoration back into the seventeenth century the volume registers the transformative effects on poetic forms of a century of social political and religious upheaval It considers the achievements of a number of women poets not yet fully integrated into traditional literary histories It assimilates the vibrant literature of the English Revolution to what came before and after registering its long term impact It traces the development of print culture and of the literary marketplace alongside the continued circulation of poetry in manuscript It places John Milton Andrew Marvell Margaret Cavendish and Katherine Philips and other mid century poets into the full century of specifically literary development It traces continuity and change imitation and innovation in the full century trajectory of such poetic genres as sonnet elegy satire georgic epigram ode devotional lyric and epic The volume s attention to poetic form builds on the current upswing in historicist formalism allowing a close focus on poetry as an intensely aesthetic and social literary mode Designed for maximum classroom utility

Revelation Restored Warren Johnston, 2011 An analysis of the nature of apocalyptic and millennial beliefs that reveals concerns prominent in England in the early seventeenth century had not abated after 1660 *Revelation Restored* is a study of apocalyptic thought in the later seventeenth century in England It explores an under examined aspect of early modern British history despite the prominence of millenarian beliefs in historians explanations of the early modern English church and state up to 1660 little has been said about these convictions in the years following the Restoration The examination of applications of prophetic language and interpretation to explain the events in England from 1660 to 1700 illustrates their continued capacity to comprehend ecclesiastical and political developments The book demonstrates that far from having disappeared from the intellectual landscape apocalyptic ideas still held the potential to animate opinions in the mainstream of political debate in the later seventeenth century These responses were outlets both for demonstrations of dissent and for endorsements of authorised powers in response to crises in authority and efforts at religious settlement In addition this book contends that any strict periodization that segregates the concerns of early seventeenth century England from those of the later seventeenth century has been too sharply drawn Analysis of the nature of apocalyptic and millennial beliefs reveals that the concerns prominent in England in the early seventeenth century had not abated after 1660 WARREN JOHNSTON is an Assistant Professor at Algoma University in Ontario Canada

Disease and Death in Eighteenth-Century Literature and Culture Allan Ingram, Leigh Wetherall Dickson, 2017-02-23 This collection examines different aspects of attitudes towards disease and death in writing of the long eighteenth century Taking three conditions as examples ennui sexual diseases and infectious diseases as well as death itself contributors explore the ways in which writing of the period placed them within a borderland between fashionability and unfashionability relating them to current social fashions and trends These essays also look at ways in which diseases were fashioned into bearing cultural moral religious and even political meaning Works of literature are used as evidence but also medical writings personal correspondence and diaries Diseases or conditions subject to scrutiny include syphilis male impotence plague smallpox and consumption Death finally is looked at both in terms of writers constructing meanings within death and of the fashioning of posthumous reputation

Order and Connexion R. C. Alston, Robin Alston, 1997 The papers in this volume are by past holders of the Cambridge post of Munby Fellow founded in 1977 in memory of the bibliographical scholar Alan Munby Covering a diverse range of topics they illustrate the variety of ways in which bibliographical evidence is used to determine significant features of both handwritten and printed books

British Women Poets of the Long Eighteenth Century Paula R. Backscheider, Catherine E. Ingrassia, 2009-10-30 This anthology gathers 368 poems by 80 British women poets of the long eighteenth century Few of these poems have been reprinted since originally published and all are crucial to understanding fully the literary history of women writers Paula R Backscheider and Catherine E Ingrassia demonstrate the enormous diversity of poetry produced during this time by organizing the poems in three broad and deliberately overlapping categories by genre establishing that

women wrote in all of the forms that men did with equal mastery and creativity by theme offering a revisionary look at the range of topics these writers addressed including war ecology friendship religion and the stages of life and by the poems more specific focus on the women's experiences as writers Backscheider and Ingrassia have selected poems that represent the best work of skilled poets creating a wonderful mix of canonical and little known pieces They include the complete texts of longer poems that are abridged or omitted in other collections Their substantial part introductions textual notes bibliographical information and biographical sketches situate the poets and their writings within the cultural and political milieu in which they appeared To generate further scholarship on this subject this essential anthology puts primary texts in front of students scholars and general readers It fills the persistent need to document women's poetic expression during the long eighteenth century and to rewrite the literary history of the period a history from which women have largely been excluded

European Sexualities, 1400-1800 Katherine Crawford, 2007-01-18 A pioneering survey of the social and cultural history of sexuality in early modern Europe

Invoking Slavery in the Eighteenth-Century British Imagination Srividhya Swaminathan, Adam R. Beach, 2016-05-06 In the eighteenth century audiences in Great Britain understood the term slavery to refer to a range of physical and metaphysical conditions beyond the transatlantic slave trade Literary representations of slavery encompassed tales of Barbary captivity the exotic slaving practices of the Ottoman Empire the political enslavement practiced by government or church and even the harsh life of servants under a cruel master Arguing that literary and cultural studies have focused too narrowly on slavery as a term that refers almost exclusively to the race based chattel enslavement of sub Saharan Africans transported to the New World the contributors suggest that these analyses foreclose deeper discussion of other associations of the term They suggest that the term slavery became a powerful rhetorical device for helping British audiences gain a new perspective on their own position with respect to their government and the global sphere Far from eliding the real and important differences between slave systems operating in the Atlantic world this collection is a starting point for understanding how slavery as a concept came to encompass many forms of unfree labor and metaphorical bondage precisely because of the power of association
