Translation, Power, Subversion Román Alvarez,M. Carmen Africa Vidal,1996 This is a study of the relationship between translation culture and counterculture presenting a political and ideological vision of translating Offering an approach to the cultural turn in Translation Studies at the end of the century the book endeavours to explore the closer links between cultural studies and translation It presents the arguments of several scholars on the most innovative ways of understanding translation in order to clarify the role and function of translations and translators in culture and society The Theater of

Teaching and the Lessons of Theater Domnica Radulescu,Maria Stadter Fox,2005-01-01 In a first of its kind collection The Theater of Teaching and the Lessons of Theater offers a riveting array of perspectives approaches and dialogues exploring the intersections between theater as text theater as performance and theater as pedagogy The essays in this book advance the idea that in their interactive qualities both teaching and theater have profoundly political and social dimensions Scholars and teachers from a variety of backgrounds present in this volume an intentionally improvisational and fluid examination meant to offer a model of how to discuss and engage in the practice of theater and teaching ultimately interweaving the two The Theater of Teaching will be equally useful to teachers students and practitioners of theater *Contextual Practice*

Stephen Fredman,2010 Fredman makes the original argument that some of the most innovative works of poetry and art in the postwar period 1945 1970 engaged in a contextual practice a term that refers both to a way of making art characterized by assemblage and to a new relationship between art and life an erotic poetics **Reading Duncan Reading**

Stephen Collis,Graham Lyons,2012-12-01 In Reading Duncan Reading thirteen scholars and poets examine first what and how the American poet Robert Duncan read and perforce what and how he wrote Harold Bloom wrote of the searing anxiety of influence writers experience as they grapple with the burden of being original but for Duncan this was another matter altogether Indeed according to Stephen Collis No other poet has so openly expressed his admiration for and gratitude toward his predecessors Part one emphasizes Duncan s acts of reading tracing a variety of his derivations including Sarah Ehlers s demonstration of how Milton shaped Duncan s early poetic aspirations Siobh n Scarry s unveiling of the many sources including translation and correspondence drawn into a single Duncan poem and Cl ment Oudart s exploration of Duncan s use of foreign words to fashion a language to which no one is native In part two the volume turns to examinations of poets who can be seen to in some way derive from Duncan and so in turn reveals another angle of Duncan s derivative poetics J P

Craig traces Nathaniel MacKey's use of Duncan's would-be shaman Catherine Martin sees Duncan's influence in Susan Howe's development of a poetics where the twin concepts of trespass and permission hold comparable sway and Ross Hair explores poet Ronald Johnson's reading to steal These and other essays collected here trace paths of poetic affiliation and affinity and hold them up as provocative possibilities in Duncan's own inexhaustible work

Modern Drama and the Rhetoric of Theater W. B. Worthen, 2015-01-30 The history of drama is typically viewed as a series of inert styles Tracing British and American stage drama from the 1880s onward W B Worthen instead sees drama as the interplay of text stage production and audience How are audiences manipulated What makes drama meaningful Worthen identifies three rhetorical strategies that distinguish an O'Neill play from a Yeats or these two from a Brecht Where realistic theater relies on the natural qualities of the stage scene poetic theater uses the poet's word the text to control performance Modern political theater by contrast openly places the audience at the center of its rhetorical designs and the drama of the postwar period is shown to develop a range of post-Brechtian practices that make the audience the subject of the play Worthen's book deserves the attention of any literary critic or serious theatergoer interested in the relationship between modern drama and the spectator

Performance Theatre and the Poetics of Failure Sara Jane Bailes, 2011-03-17 What does it mean to fail in performance How might staging failure reveal theatre's potential to expand our understanding of social political and

everyday reality What can we learn from performances that expose and then celebrate their ability to fail In *Performance Theatre and the Poetics of Failure* Sara Jane Bailes begins with Samuel Beckett and considers failure in performance as a hopeful strategy She examines the work of internationally acclaimed UK and US experimental theatre companies Forced Entertainment Goat Island and Elevator Repair Service addressing accepted narratives about artistic and cultural value in contemporary theatre making Her discussion draws on examples where misfire the accidental and the intentionally amateur challenge our perception of skill and virtuosity in such diverse modes of performance as slapstick and punk Detailed rehearsal and performance analysis are used to engage theory and contextualise practice extending the dialogue between theatre arts live art and postmodern dance The result is a critical account of performance theatre that offers essential reading for practitioners scholars and students of Performance Theatre and Dance Studies
