Artist File Anthony Goicolea,2012 *Anthony Goicolea* Anthony Goicolea,2005 **Fictions** Markus Gabriel,2024-03-12 From ancient philosophy to contemporary theories of fiction it is a common practice to relegate illusory appearances to the realm of the non existent like shadows on the wall of Plato s cave Contrary to this traditional mode of drawing a metaphysical distinction between reality and fiction Markus Gabriel argues that the realm of the illusory fictional imaginary and conceptually indeterminate is as real as it gets Being in touch with reality need not and cannot require that we overcome appearances in order to grasp a meaningless reality which exists out there outside and maybe even beyond our minds Human mindedness Geist exists in the mode of fictions through which we achieve self consciousness This novel approach provides a fresh perspective on our existence as subjects who lead their lives in the light of self conceptions Fictions also develops a social ontology according to which the social unfolds as a constant renegotiation of dissent of different points of view onto the same reality Thus we cannot ever hope to ground human society in a fiction free realm of objective transactions However this does not mean that truth and reality are somehow outdated concepts On the contrary we need to enlarge our conception of reality so that it fully encompasses ourselves as specifically minded social animals This major new work of philosophy will be of interest to students and scholars throughout the humanities and to anyone interested in contemporary philosophy and social thought *Anthony Goicolea* Anthony Goicolea,2006 Anthony Goicolea , Out ,2000-05 Out is a fashion style celebrity and opinion magazine for the modern gay man Goicolea Anthony Goicolea,2011 *Alter Ego A Decade of Work* by Anthony Goicolea documents the artist s first retrospective exhibition presenting nearly fifty compelling works of art representing the bold and varied scope of Goicolea s career to date Born in 1971 in Atlanta Georgia Anthony Goicolea is a first generation Cuban American artist now working in Brooklyn New York Employing a variety of media Goicolea explores themes ranging from personal history and identity to alienation and displacement to environmental destruction and globalization His diverse oeuvre encompasses black and white and color photography sculpture and video installations and multi layered drawings and paintings on Mylar Goicolea s ability to move with ease between traditional media such as painting and drawing to video and digital photography has put him at the forefront of contemporary art Published by the North Carolina Museum of Art and Telfair Museums Exhibition Itinerary North Carolina Museum of Art Raleigh North Carolina April 17 July 24 2011 Telfair Museums Jepson Center Savannah Georgia September 2 2011 January 8 2012 21c Museum Louisville Kentucky January 27 2012 July 15 2012 *Out* ,2004-12 Out is a fashion style celebrity and opinion magazine for the modern gay man **The Advocate** ,1999-09-28 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **The Advocate** ,2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Boys Behaving Badly* Valerie Cassel Oliver,2004

Hide/Seek Jonathan D. Katz, David C. Ward, 2010-11-02 An entirely new interpretation of modern American portraiture based on the history of sexual difference *Hide Seek Difference and Desire in American Portraiture* companion volume to an exhibition of the same name at the National Portrait Gallery Smithsonian Institution traces the defining presence of same sex desire in American portraiture through a seductive selection of more than 140 full color illustrations drawings and portraits from leading American artists Arcing from the turn of the twentieth century through the emergence of the modern gay liberation movement in 1969 the tragedies of the AIDS epidemic and to the present *Hide Seek* openly considers what has long been suppressed or tacitly ignored even by the most progressive sectors of our society the influence of gay and lesbian artists in creating American modernism *Hide Seek* shows how questions of gender and sexual identity dramatically shaped the artistic practices of influential American artists such as Thomas Eakins Romaine Brooks Marsden Hartley Georgia O'Keeffe Charles Demuth Jasper Johns Robert Rauschenberg Andrew Wyeth Andy Warhol Robert Mapplethorpe and many more in addition to artists of more recent works such as Felix Gonzalez Torres Glenn Ligon Catherine Opie and Cass Bird The authors argue that despite the late nineteenth century definition and legal codification of the homosexual in reality questions of sexuality always remained fluid and continually redefined by artists concerned with the act of portrayal In particular gay and lesbian artists of but not fully in the society they portrayed occupied a position of influential marginality from which vantage point they crafted innovative and revolutionary ways of painting portraits Their resistance to society's attempt to proscribe them forced them to develop new visual vocabularies by which to code disguise and thereby express their subjects identities and also their own Bringing together for the first time new scholarship in the history of American sexuality and new research in American portraiture *Hide Seek* charts the heretofore hidden impact of gay and lesbian artists on American art and portraiture and creates the basis for the necessary reassessment of the careers of major American artists both gay and straight as well as of portraiture itself
