Victor King, William D. Wilder

Anthropology And Anthropologists The Modern British School By Kuper Adam:

Anthropology and Anthropologists Adam Kuper, 2014-04-08 On its first publication in 1973 Adam Kuper's entertaining history of half a century of British social anthropology provoked strong reactions But his often irreverent account soon established itself as one of the introductions to anthropology Since the second revised edition was published in 1983 important developments have occurred within British and European anthropology This third enlarged and updated edition responds to these fresh currents Adam Kuper takes the story up to the present day and a new final chapter traces the emergence of a modern European social anthropology in contrast with developments in American cultural anthropology over the last two decades Anthropology and Anthropologists provides a critical historical account of modern British social anthropology it describes the careers of the major theorists their ideas and their contributions in the context of the intellectual and institutional environments in which they worked

Anthropology and Anthropologists Adam Kuper, 2014-09-19 Anthropology and Anthropologists provides an entertaining and provocative account of British social anthropology from the foundations of the discipline through the glory years of the mid twentieth century and on to the transformation in recent decades The book shocked the anthropological establishment on first publication in 1973 but soon established itself as one of the introductions for students of anthropology Forty years later this now classic work has been radically revised Adam Kuper situates the leading actors in their historical and institutional context probes their rivalries revisits their debates and reviews their key ethnographies Drawing on recent scholarship he shows how the discipline was shaped by the colonial setting and by developments in the social sciences

Anthropology and the New Cosmopolitanism Pnina Werbner, 2020-05-21 Anthropology and the New Cosmopolitanism inaugurates a new situated cosmopolitan anthropology It examines the rise of postcolonial movements responsive to global rights movements which espouse a politics of dignity cultural difference democracy dissent and tolerance The book starts from the premise that cosmopolitanism is not and never has been a western elitist ideal exclusively The book's major innovation is to show the way cosmopolitans beyond the North in Papua New Guinea Indonesia and Malaysia India Africa the Middle East and Mexico juggle universalist commitments with roots in local cultural milieus and particular communities Anthropology and the New Cosmopolitanism breaks new ground in theorizing the role of social anthropology as a discipline that engages with the moral economic legal and political transformations and dislocations of a globalizing world It introduces the reader to key debates surrounding cosmopolitanism in the social sciences and is written clearly and accessibly for undergraduates in anthropology and related subjects

A History of Anthropological Theory, Fifth Edition Paul A. Erickson, Liam D. Murphy, 2017-01-01 An accessible and engaging overview of anthropological theory that provides a comprehensive history from antiquity through to the twenty first century The fifth edition has been revised throughout with substantial updates to the Feminism and Anthropology section including more on Gender and Sexuality and with a new section on Anthropologies of the Digital Age

Once again A History of Anthropological Theory will be published simultaneously with the accompanying reader mirroring these changes in the selection of readings so they can easily be used together in the classroom Additional biographical information about some of theorists has been added to help students *The Spiritual in the Secular* Patrick Harries, David Maxwell, 2012-07-20 David Livingstone's visit to Cambridge in 1857 was seen as much as a scientific event as a religious one But he was by no means alone among missionaries in integrating mission with science and other fields of research Rather many missionaries were remarkable pioneering polymaths This collection of essays explores the ways in which late nineteenth and twentieth century missionaries to Africa contributed to various academic disciplines such as linguistics ethnography social anthropology zoology medicine and many more This volume includes an introductory chapter by the editors and eleven chapters that analyze missionary research and its impact on knowledge about African contexts Several themes emerge including many missionaries positive views of indigenous discourses and the complicated relationship between missionaries and professional anthropologists Contributors John Cinnamon Erika Eichholzer Natasha Erlank Deborah Gaitskell Patrick Harries Walima T Kalusa John Manton David Maxwell John Stuart Dmitri van den Bersselaar Honor Vinck **A Companion to the Anthropology of Europe** Ullrich Kockel, Máiréad Nic Craith, Jonas Frykman, 2015-12-14 A Companion to the Anthropology of Europe BLACKWELL COMPANIONS TO ANTHROPOLOGY A Companion to the Anthropology of Europe The volume also deserves a place on the shelves of academic libraries as well as the larger public library Reference Reviews Summing Up Highly recommended All academic levels libraries Choice This important collection challenges all anthropologists to re-examine the importance of European perspectives on the most provocative debates of our time It transcends regional interests to highlight the complex intellectual landscape of our field Tracey Heatherington University of Wisconsin Milwaukee This significant volume critically interrogates assumptions about Europe as an idea and a place for research It provides fresh perspectives on the past and future of anthropological studies of Europe Deborah Reed Danahay SUNY at Buffalo President of the Society for the Anthropology of Europe A Companion to the Anthropology of Europe offers a survey of contemporary Europeanist anthropology and European ethnology and a guide to emerging trends in this geographical field of research Utilizing diverse approaches to the anthropological study of Europe Kockel Nic Craith and Frykman provide a synthesis of the different traditions and contemporary practices Investigating the subject both geographically and thematically the companion covers key topics such as location heritage experience and cultural practices Written by leading international scholars in the field the volume constitutes the first authoritative guide for researchers instructors and students of anthropology and European studies Visions of Culture Jerry D. Moore, 2008-07-25 This new edition of Jerry D Moore's Visions of Culture presents introductory anthropology students with a brief readable and balanced treatment of theoretical developments in the field The key ideas of major theorists are briefly described and unique to this textbook linked to the biographical and fieldwork experiences that helped shape their theories The impact of each scholar on

contemporary anthropology is presented along with numerous examples quotes from the theorists writings and a description of the broader intellectual setting in which these anthropologists worked

Cultural Anthropology Jack David Eller, 2016-01-08 Cultural Anthropology Global Forces Local Lives presents all the key areas of cultural anthropology as well as providing original and nuanced coverage of current and cutting edge topics An exceptionally clear and readable introduction it helps students understand the application of anthropological concepts to the contemporary world and everyday life Thorough treatment is given throughout the text to issues such as globalization colonialism ethnicity nationalism neoliberalism and the state Changes for the third edition include a brand new chapter on medical anthropology and an updated range of cases studies with a fresh thematic focus on China The book contains a number of features to support student learning including A wealth of color images Definitions of key terms and further reading suggestions in the margins Summaries at the end of every chapter An extensive glossary bibliography and index

Ethnography and the Corporate Encounter Melissa Cefkin, 2010 Businesses and other organizations are increasingly hiring anthropologists and other ethnographically oriented social scientists as employees consultants and advisors The nature of such work as described in this volume raises crucial questions about potential implications to disciplines of critical inquiry such as anthropology In addressing these issues the contributors explore how researchers encounter and engage sites of organizational practice in such roles as suppliers of consumer insight for product design or marketing or as advisors on work design or business and organizational strategies The volume contributes to the emerging canon of corporate ethnography appealing to practitioners who wish to advance their understanding of the practice of corporate ethnography and providing rich material to those interested in new applications of ethnographic work and the ongoing rethinking of the nature of ethnographic praxis

The Ethics of Anthropology Pat Caplan, 2004-03-01 Since the inception of their discipline anthropologists have studied virtually every conceivable aspect of other peoples morality religion social control sin virtue evil duty purity and pollution But what of the examination of anthropology itself and of its agendas epistemes theories and praxes In 1991 Raymond Firth spoke of social anthropology as an essentially moral discipline Is such a view outmoded in a postmodern era Do anthropological ethics have to be re thought each generation as the conditions of the discipline change and as choices collide with moral alternatives The Ethics of Anthropology looks at some of these crucial issues as they reflect on researcher relations privacy authority secrecy and ownership of knowledge The book combines theoretical papers and case studies from eminent scholars including Lisette Josephides Steven Nugent Marilyn Silverman Andrew Spiegel and Veronica Strang Showing how the topic of ethics goes to the heart of anthropology it raises the controversial question of why and for whom the anthropological discipline functions

Coming of Age in Chicago Ira Jacknis, Donald McVicker, James Snead, 2016-02 Coming of Age in Chicago explores a watershed moment in American anthropology when an unprecedented number of historians and anthropologists of all subfields gathered on the 1893 Chicago Columbian Exposition fairgrounds drawn together by the fair s

focus on indigenous peoples Participants included people making a living with their research sporadic backyard diggers religiously motivated researchers and a small group who sought a scientific understanding of the lifeways of indigenous peoples At the fair they set the foundation for anthropological inquiry and redefined the field At the same time the American public became aware through their own experiences at the fair of a global humanity with reactions that ranged from revulsion to curiosity tolerance and kindness Curtis M Hinsley and David R Wilcox combine primary historical texts modern essays and rarely seen images from the period to create a volume essential for understanding the significance of this event These texts explore the networking of thinkers planners dreamers schemers and scholars who interacted in a variety of venues to lay the groundwork for museums academic departments and expeditions These new relationships helped shape the profession and the trajectory of the discipline and they still resonate more than a century later

Selected Writings:

Taboo, truth, and religion Franz Baermann Steiner, 1999 Steiner's 1909-52 classic study *Taboo* and three other essays on superstition enslavement and the early Hebrew lineage system and Chagga law and truth comprise the first of two volumes collecting the work of the Prague born social and cultural anthropologist who ended his brief career at Oxford Adler German King's College London and Fardon West African anthropology School of Oriental and African studies London examine his life and critique his work Annotation copyrighted by Book News Inc Portland OR

A History of Anthropology Thomas Hylland Eriksen, Finn Sivert Nielsen, 2013-05-10 This is a thoroughly updated and revised edition of a popular classic of modern anthropology The authors provide summaries of Enlightenment Romantic and Victorian anthropology from the cultural theories of Morgan and Taylor to the often neglected contributions of German scholars The ambiguous relationship between anthropology and national cultures is also considered The book provides an unparalleled account of theoretical developments in anthropology from the 1920s to the present including functionalism structuralism hermeneutics neo Marxism and discourse analysis There are brief biographies of major anthropologists and coverage of key debates including totemism kinship and globalisation This essential text on anthropology is highly engaging authoritative and suitable for students at all levels

Reordering the Natural World Annabelle Sabloff, 2001-01-01 With this text Sabloff not only provides insight into the study of relations between humans and the natural world she lays a cornerstone for building a new structure for the study of anthropology itself

BOOK JACKET Anthropologists and Their Traditions Across National Borders Regna Darnell, Frederic W. Gleach, 2014-11-01 Volume 8 of the *Histories of Anthropology* Annual series the premier series published in the history of the discipline explores national anthropological traditions in Britain the United States and Europe and follows them into postnational contexts Contributors reassess the major theorists in twentieth century anthropology including luminaries such as Franz Boas Claude Lévi Strauss Bronisław Malinowski A R Radcliffe Brown Marshall Sahlins and lesser known but important anthropological work by Berthold Laufer A M Hocart Kenelm O L Burridge and Robin Ridington among others These essays examine myriad themes such as the pedagogical context of the anthropologist as a teller of stories about

indigenous storytellers the colonial context of British anthropological theory and its projects outside the nation state the legacies of Claude Lévi-Strauss's structuralism regarding culture specific patterns cognitive universals reflected in empirical examples of kinship myth language classificatory systems and supposed universal mental structures and the career of Marshall Sahlins and his trajectory from neo evolutionism and structuralism toward an epistemological skepticism of cross cultural miscommunication

Fieldwork and Footnotes Arturo Alvarez Roldan, Han Vermeulen, 2013-04-15 The history of anthropology has great relevance for current debates within the discipline offering a foundation from which the professionalisation of anthropology can evolve The authors explore key issues in the history of social and cultural anthropological approaches in Germany Great Britain France The Netherlands Sweden Poland Slovenia and Romania as well as the influence of Spanish anthropologists in Mexico to provide a comprehensive overview of European anthropological traditions

A History of Anthropological Theory Paul A. Erickson, Liam Donat Murphy, 2013-01-01 In the latest edition of their popular overview text Erickson and Murphy continue to provide a comprehensive affordable and accessible introduction to anthropological theory from antiquity to the present A new section on twenty first century anthropological theory has been added with more coverage given to postcolonialism non Western anthropology and public anthropology The book has also been redesigned to be more visually and pedagogically engaging Used on its own or paired with the companion volume *Readings for a History of Anthropological Theory* Fourth Edition this reader offers a flexible and highly useful resource for the undergraduate anthropology classroom For additional resources visit the Teaching Theory page at www.utpteachingculture.com
